

October 2024

October is just around the corner! I know we were all hoping for cooler weather, but it looks like its still going to be pretty warm. Make sure to send those water bottles to school with your child every day! If you want to donate water bottles we would love to restock our supply!

As the holidays are fast approaching we begin to enter a very busy & fun time of year for preschool! Check those cubbies, parent boards and messages daily so you don't miss out on all the fun stuff that will be taking place!

Parent Teacher Conferences are coming up!

Oct. 14-18th

We will be having parent-teacher conferences. Please keep an eye out for the sign-up genius link that your child's teacher will be sending out to reserve your spot.

Donations Needed for Fall Pumpkin Patch Day

We are looking to collect 20-25 pie pumpkins.

These are the smaller pumpkins at the grocery store that are 1-2lbs each. We don't get to do field trips so we like to bring the pumpkin patch to school for our kids to go out and pick a pumpkin to decorate.

We need all donations of pumpkins and stickers to decorate by Oct. 15th. If you wish to donate you may leave pumpkins and fall stickers in Ms.Tasha's office. There will be a box with a pumpkin picture on it; just inside the door.

Thank you for helping make the magic happen!
