## A Peek at Our Month

For the month of October, our Theme for this month is: "My Family and Friends". During this unit we have been learning about calming strategies, commitments, how pets can be a part of the family and feelings while continuing to have fun enhancing our learning abilities and developing skills to teach us to learn how to communicate, cooperate and respect each other. We will continue to work on expanding our skills in writing, alphabet knowledge, learning and recognizing letters and numbers, how to understand and follow directions, and expectations in our learning environment.

Please reach out to your student's teacher via email if you have any questions or concerns.
