

My dad encouraged us to fail. Growing up, he would ask us what we failed at that week. If we didn't have something, he would be disappointed. It changed my mindset at an early age that failure is not the outcome, failure is not trying. Don't be afraid to fail. - Sara Blakely (Founder of SPANX & SNEEX)

- All staff - Please plan to get your picture taken on Thursday or Friday (depending on your location) when the photographer is here. We use those photos for a variety of things. As some of you have learned, when we don't have a picture of you, we get creative.

SOMETHING TO SMILE ABOUT

Whenever my artist girlfriend is sad I let her draw things on my body.
