³ This obligation is in addition to the obligation to comply with the duties to publish information imposed upon the governing bodies of maintained special schools set out in the Education (Special Educational Needs) (Information) Regulations 1999 (as amended from time to time) which clause 12A has the effect of imposing.

- (g) the Company shall as soon as reasonably practicable establish an appropriate mechanism for the receipt and management of donations and

shall use reasonable endeavours to procure donations through that mechanism for the purpose of the objects specified in the Articles.

15) The Company shall establish, for each Academy, an Advisory Body, whose role shall be to provide advice to the Company in relation to the functioning of that Academy. The role of the Advisory Body and the membership of it shall be for the Company to decide, but the Company will, as a minimum, ensure that any advice of the Advisory Body is brought to the attention of the Directors of the Company. If the Company shall have established a Local Governing Body, the Academy's Local Governing Body shall be treated as the Advisory Body for that Academy.

Conduct

16) Each Academy shall be operated in accordance with:

- (a) the Articles;
- (b) all provisions by or under statute which confer rights or impose obligations on proprietors of Academies including, without limitation, the independent schools standards prescribed under section 157 of the Education Act 2002 to the extent they apply to the Academy;

Disclosure and Barring Service Checks

Directors and the Chair of any Local Governing Body.

- 17A) The Company shall, on receipt of a copy of an enhanced criminal record certificate, on request from the Secretary of State or his agents, as soon as possible thereafter submit information contained in the certificate to the Secretary of State in accordance with section 124 of the Police Act 1997.

- (b) the admission to the Alternative Provision Academy of and support for pupils with SEN and with disabilities (for pupils who have and who do not have statements of SEN) are set out in Annex B to this Agreement;

⁴ If one of the Mainstream Academies is a “selective school” within the meaning of Section 6(4) of the Academies Act 2010 then the Supplemental Funding Agreement for that Academy will provide that that Academy is not required to be an all ability inclusive school.

- (c) pupil exclusions are set out in regulations made by virtue of section 51A of the Education Act 2002 (as may be amended or modified from time to time, and includes any successor provision(s)).

Designated Teacher for Looked after Children

18A) The Company will in respect of each Academy act in accordance with, and be bound by, all relevant statutory and regulatory provisions and have regard to any guidance and codes of practice issued pursuant to such provisions, as they apply at any time to a maintained school, relating to the designation of a person to manage the teaching and learning programme for children who are looked after by an LA and are registered pupils at the school. For the purpose of this clause, any reference to the governing body of a maintained school in such statutory and regulatory provisions, or in any guidance and code of practice issued pursuant to such provisions, shall be deemed to be references to the Directors of the Company.

Teachers and other staff

- 19) In respect of Mainstream and Alternative Provision Academies:
 - (a) subject to clause 19(b), the Company shall, in accordance with any guidance which the Secretary of State may issue on the qualifications of teaching and other staff in Academies, employ anyone it deems is suitably qualified or is otherwise eligible under a contract of employment or for services to carry out planning and preparing lessons and courses for pupils, delivering lessons to pupils, assessing the development, progress and attainment of pupils, and reporting on the development, progress and attainment of pupils.

the Academy Financial Year in question is 90% or more of the planned final size of the Academy, as specified in the Academy's Supplemental Agreement (together the "**Conditions**") the basis of the pupil number count for the purpose of determining GAG for the Academy for Academy Financial Years will be:

- (a) for the pupil number count for pupils in Year 11 and below, the Schools Census which is used to fund maintained schools for the financial year overlapping with the Academy Financial Year in question; and
- (b) for the pupil number count for pupils in Year 12 and above, the formula which for the time being is in use for maintained schools for the calculation of pupil numbers for pupils in Year 12 and above for the purpose of calculating their level of funding.

48A) If either of the Conditions set out in clause 47A have not been met in respect of an Academy Financial Year and the Initial Five Year Term has come to an end, the basis of the pupil count for a Mainstream Academy shall be determined by the Secretary of State, taking account of any diseconomies of scale that the Academy will be under as a result of such Condition(s) not applying.

49A) For any Academy Financial Year in which GAG for a Mainstream Academy is calculated in accordance with clause 46A, no adjustment will be made to the formula funding element in the following Academy Financial Year's formula funding element of GAG unless the Company demonstrates to the satisfaction of the Secretary of State that there has been a significant impact on the Academy's and the Company's financial position. For any other element of GAG the Secretary of State may make adjustments to recognise a variation in pupil numbers from that used to calculate the element of grant in question; the basis of these will be set out in the annual letter of funding.

50) The Secretary of State recognises that:

- (a) in relation to Mainstream Academies which are Sponsored Academies which open with intakes representing only a proportion of the final planned size of the Academy, payments based simply upon the number of pupils present are unlikely to be sufficient to meet the Academy's needs in the Academy Financial Years before all age groups are present at their planned size because of a lack of economies of scale. The Secretary of State may pay an appropriately larger GAG in the Start-up Period than would be

justified solely on the basis of the methods set out in clauses 43-49A, in order to enable the Academy to operate effectively¹²;

- (b) in relation to Mainstream Academies which open with pupils transferred from one or more maintained schools which have closed, additional GAG resources may be required to take account of transitional costs including any costs associated with supporting the integration of pupils from the closed schools and, where necessary, to offer a dual curriculum. If the Secretary of State has indicated that such additional GAG will be payable, the Company will make a bid for this addition to GAG based upon need and providing appropriate supporting evidence.

All Mainstream Academies

- 51) During the Start-up Period or during the period when year groups are present who have transferred from a predecessor school or schools, the Secretary of State will pay a further element of GAG additional to that calculated in accordance with the methods set out in clauses 43-49 to allow the relevant Mainstream Academy to:
 - (a) purchase a basic stock of teaching and learning materials (including library books, text books, software, stationery, science equipment and equipment for physical education) and other consumable materials;
 - (b) meet the costs associated with the recruitment and induction of additional teaching and other staff.

After the Start-up Period these costs will be met through the ordinary GAG.

- 52) The Secretary of State recognises that if he serves notice to terminate a Supplemental Agreement or of his intention to do so the intake of new pupils during the notice period is likely to decline and that in such circumstances payments based simply upon the number of pupils attending the relevant Mainstream Academy are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State may undertake to pay a reasonable and appropriately larger GAG with respect to that Academy in the notice period than would be justified solely on the basis of the methods set out in clauses 43-49, in order to enable the Academy to operate effectively.
- 53) The Secretary of State also recognises that if this Agreement or a Supplemental Agreement is terminated for any reason by either party the number of pupils at

¹² Note that a larger GAG for the Start-Up Period is only applicable to Academies with approved Academy Action Plans.

the relevant Mainstream Academy or Mainstream Academies is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the Academy.

54) Not used.

GAG for Special Academies

54AAA) Clauses 54AA to 54H apply in respect of Special Academies only.

54AA) GAG will be paid by the Secretary of State to the Company as a contribution towards the normal running costs of each Special Academy. These will include, but are not limited to:

- (a) teachers' salaries and related costs (including full and part time teaching staff and seconded teachers);
- (b) non-teaching staff salaries and related costs (including pension contributions, educational support staff, administrative and clerical staff and manual and premises related staff);
- (c) employees' expenses;
- (d) the purchase, maintenance, repair and replacement:
 - (i) of teaching and learning materials and other educational equipment, including books, stationery and ICT equipment and software, sports equipment and laboratory equipment and materials;
 - (ii) of other supplies and services;
- (e) examination fees;
- (f) repairs, servicing and maintenance of buildings (including redecoration, heating, plumbing, lighting etc); maintenance of grounds (including boundary fences and walls); cleaning materials and contract cleaning; water and sewage; fuel and light (including fuel oil, solid and other fuel, electricity and gas); rents; rates; purchase, maintenance, repairs and replacement of furniture and fittings;
- (g) insurance;
- (h) medical equipment and supplies;
- (i) staff development (including in-service training);
- (j) curriculum development;

- (k) the costs of providing school meals for pupils (including the cost of providing free school meals to pupils who are eligible to receive them), and discretionary grants to pupils to meet the cost of pupil support, including support for pupils with special educational needs or disabilities (taking account of the fact that separate additional money will be available for pupils with statements of special educational needs);
 - (l) administration; and
 - (m) establishment expenses and other institutional costs.
- 54A) Subject to clauses 54E – 54F, GAG for each Financial Year for each Special Academy will include:
- (a) funding equivalent to that which would be received by a maintained special school with similar characteristics, determined by the Secretary of State and notified in the Annual Letter of Funding or its equivalent, taking account of the number of pupils at each Academy;
 - (b) funding in respect of functions which would be carried out by the LA if each Academy was a maintained special school.
- 54B) The GAG for each Academy Financial Year for each Special Academy will also include, payable on a basis equivalent to that applied to maintained special schools:
- (a) funding for matters for which it is necessary for that Academy to incur extra costs, for as long as those costs are deemed necessary by the Secretary of State; and
 - (b) payments in respect of further, specific grants made available to maintained special schools, where the relevant Academy meets the requisite conditions and criteria necessary for a maintained school to receive these grants, such payments to be at the discretion of the Secretary of State.
- 54C) The Secretary of State will determine GAG for each Special Academy for each Academy Funding Year. The determinations will be made taking into account relevant factors. Arrangements for this will be set out in the Annual Letter of funding or its equivalent.
- 54D) The Secretary of State may make provision, within his absolute discretion, for GAG for a Special Academy to be adjusted in-year if the number of pupils attending the relevant academy at specified dates exceeds or falls below thresholds

specified by letter. Arrangements for this will be specified in the Annual Letter of Funding.

- 54E) The Secretary of State recognises that a larger GAG may be appropriate to meet additional costs and may pay Start-up Grant, on a basis determined by him, during the period stipulated in the Annual Letter of Funding¹³.
- 54F) The Secretary of State recognises that if he serves notice to terminate a Supplemental Agreement or of his intention to do so, the intake of new pupils during the notice period is likely to decline and that in such circumstances payments based on a number of places related to the number of pupils attending the relevant Special Academy are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State may undertake to pay a reasonable and appropriately larger GAG with respect to that Academy in the notice period than would be justified solely on the basis of the methods set out in clauses 54A-54D, in order to enable the Academy to operate effectively.
- 54G) The Secretary of State also recognises that if this Agreement or a Supplemental Agreement is terminated for any reason by either party the number of pupils at the relevant Special Academy or Special Academies is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the Academy.
- 54H) Not used.

GAG for Alternative Provision Academies

- 54I) Clauses 54J to 54P apply in respect of Alternative Provision Academies only.
- 54J) GAG will be paid by the Secretary of State to the Company as a contribution¹⁴ to the normal running costs of the Alternative Provision Academy. These will include, but are not limited to:
- (a) teachers' salaries and related costs (including full and part time teaching staff and seconded teachers);
 - (b) non-teaching staff salaries and related costs (including pension contributions, educational support staff, administrative and clerical staff and manual and premises related staff);

¹³ Note that a larger GAG for the Start-Up Period is only applicable to Academies with approved Academy Action Plans.

¹⁴ The extent of any such contribution to be within the absolute discretion of the Secretary of State.

- (c) employees' expenses;
- (d) the purchase, maintenance, repair and replacement:
 - (i) of teaching and learning materials and other educational equipment, including books, stationery and ICT equipment and software, sports equipment and laboratory equipment and materials;
 - (ii) of other supplies and services;
- (e) examination fees;
- (f) repairs, servicing and maintenance of buildings (including redecoration, heating, plumbing, lighting etc); maintenance of grounds (including boundary fences and walls); cleaning materials and contract cleaning; water and sewage; fuel and light (including fuel oil, solid and other fuel, electricity and gas); rents; rates; purchase, maintenance, repairs and replacement of furniture and fittings;
- (g) insurance;
- (h) medical equipment and supplies;
- (i) staff development (including in-service training);
- (j) curriculum development;
- (k) the costs of providing school meals for pupils (including the cost of providing free school meals to pupils who are eligible to receive them), and discretionary grants to pupils to meet the cost of pupil support, including support for pupils with special educational needs or disabilities (taking account of the fact that separate additional money will be available for pupils with statements of special educational needs);
- (l) administration; and
- (m) establishment expenses and other institutional costs.

54K) Subject to clause 54M, GAG for each Academy Financial Year for each Alternative Provision Academy will include:

- (a) funding determined by the Secretary of State and notified in the Annual Letter of Funding or its equivalent, taking account of the number of pupils and/or places at the Alternative Provision Academy;
- (b) funding in respect of functions which would be carried out by the local authority if the Alternative Provision Academy were a maintained school;

- (c) funding for matters for which it is necessary for the Alternative Provision Academy to incur extra costs, for as long as those costs are deemed necessary by the Secretary of State; and
 - (d) payments in respect of further, specific grants made available to Pupil Referral Units maintained by the local authority, where the Alternative Provision Academy meets the requisite conditions and criteria necessary for a Pupil Referral Unit maintained by the local authority to receive these grants.
- 54L) For each Alternative Provision Academy, the Secretary of State will determine GAG for each Academy Financial Year. The determination will be made taking into account relevant factors. Arrangements for this will be set out in the Annual Letter of Funding or its equivalent.
- 54M) For each Alternative Provision Academy, the Secretary of State may make provision, within his absolute discretion, for GAG to be adjusted in-year if the number of pupils attending the relevant Alternative Provision Academy at specified dates exceeds or falls below thresholds specified by the Annual Letter of Funding or its equivalent.
- 54N) The Secretary of State recognises that if he serves notice to terminate this Agreement or of his intention to do so, the intake of new pupils during the notice period is likely to decline and that in such circumstances the total income of the relevant Alternative Provision Academy is unlikely to be sufficient. In such circumstances payments based simply upon the number of pupils attending that Academy are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State may undertake to pay a reasonable and appropriately larger GAG with respect to the Alternative Provision Academy in the notice period than would be justified solely taking into account factors at clause 54J in order to enable the Alternative Provision Academy to operate effectively.
- 54O) The Secretary of State also recognises that if this Agreement is terminated for any reason by either party the number of pupils at the relevant Alternative Provision Academy is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the Alternative Provision Academy.

GAG for Free Schools

- 55A) The provisions contained in Schedule B Part 2 shall apply in relation to the payment of GAG for Free Schools.

Earmarked Annual Grant

- 55) Earmarked Annual Grant ("EAG") may be paid by the Secretary of State to the Company in respect of either Recurrent Expenditure or Capital Expenditure for such specific purposes as may from time to time be agreed between the Secretary of State and the Company and as described in the relevant funding letter. The Company shall only spend EAG in accordance with the scope, terms and conditions of the grant set out in the relevant funding letter.
- 56) Where the Company is seeking a specific EAG in relation to any Academy Financial Year, it shall submit a letter outlining its proposals and the reasons for its request to the DfE.

Arrangements for Payment of GAG and EAG

- 57) The Secretary of State shall notify the Company by not later than 30 April preceding the start of each Academy Financial Year of the GAG and EAG figures in respect of each Academy which, subject to Parliamentary approval, the Secretary of State plans for that Academy Financial Year and of the assumptions and figures on which these are based.
- 58) If GAG or EAG is calculated incorrectly due to a mistake of the Secretary of State then:
 - (a) if this leads to an underpayment of GAG, the Secretary of State will correct the underpayment in subsequent Academy Financial Years;
 - (b) if this leads to an overpayment of GAG, the Secretary of State reserves the right to recover any overpaid grant in subsequent Academy Financial Years, as appropriate, having considered all the relevant circumstances and taking into account any representations from the Company.
- 59) If GAG or EAG is calculated incorrectly because the Company provides incorrect information to the Secretary of State then:
 - (a) if this leads to an underpayment of GAG, the Secretary of State may correct the underpayment in subsequent Academy Financial Years;
 - (b) if this leads to an overpayment of GAG, the Secretary of State reserves the right to recover any overpaid grant in subsequent Academy Financial Years, as appropriate, having considered all the relevant circumstances and taking into account any representations from the Company.
- 60) The amounts of GAG for an Academy Financial Year will be determined annually by the Secretary of State. The amount of GAG for each Academy for the initial Academy Financial Year will be notified to the Company in a funding letter at a

date preceding the start of that year. For subsequent years the amount of GAG will be notified to the Company in a funding letter preceding that Academy Financial Year (the "Annual Letter of Funding"). The Annual Letter of Funding will not include the amount that the Company will receive in respect of grants for which information to enable timely calculation is not available or is incomplete, such grants will be notified as soon as practicable later in the year. Amounts of EAG will be notified to the Company wherever possible in the Annual Letter of Funding or its equivalent as soon as practicable thereafter.

- 61) The Secretary of State undertakes to pay GAG in monthly instalments on or before the twenty-fifth day of each month, each such instalment to fund the salaries and other payroll costs for the relevant month of all monthly paid employees and all other costs payable during the next following month. The detailed arrangements for payment will be set out in the Annual Letter of Funding or its equivalent.

Other relevant funding

- 62) With regards to a Mainstream Academy or a Special Academy which is in either case a Sponsored Academy or a Transitional Academy, the Company may apply to the Secretary of State for financial assistance in relation to proposed redundancies that it may make. On an application to the Secretary of State, he may (at his absolute discretion) agree to meet a proportion of the Company's costs arising from the inclusion of Academies in the Schedules to the Redundancy Payments (Continuity of Employment in Local Government)(Modification) Order 1999. In response to an application for financial assistance, the Secretary of State may agree to meet the costs of the employees' prior eligible service, being service prior to opening of the Academy, but the Company will be required to meet the costs of service after the opening of the Academy.
- 62A) With regards to an Alternative Provision Academy, the Company may apply to the Secretary of State for financial assistance in relation to proposed redundancies that it may make. - 63) The Secretary of State may meet costs incurred by the Company in connection with the transfer of employees from any predecessor school under the Transfer of Undertakings (Protection of Employment) Regulations 2006. Payment of grant in respect of such costs is to be agreed between the parties on a case by case basis and the Company shall not budget on the basis that it will receive any grant in respect of such costs unless it is specifically notified that such grant will be paid.
- 64) The Company may also receive funding from an LA in respect of the provision detailed in statements of SEN for pupils attending an Academy in accordance with the provisions of Section 483A of the Education Act 1996 and regulations made under that section. The Company shall ensure that all provision detailed in statements of SEN is provided for such pupils.

Bank Accounts for receipt of Secretary of State funding relating to PFI Academies

- 65) Subject always to Clauses 73 and 73A, the Company shall, in relation to each PFI Academy, establish and maintain separate bank accounts to be used solely in respect of any monies provided by the Secretary of State pursuant to this Agreement for that PFI Academy. Monies provided by the Secretary of State will be paid into such accounts and will be paid into such accounts and will remain in those accounts until required. The Company agrees that such monies will be applied in accordance with the requirements of this Agreement.

- 67) In relation to the use of grant paid to the Company by the Secretary of State, the Company shall abide by the requirements of, and have regard to the guidance in, the Academies Financial Handbook published by the DfE and amended from time to time and as modified to take account of the fact that the Company manages more than one Academy which sets out in detail provisions for the financial management of each Academy including guidance on financial systems and

controls and accounting and reporting requirements, in so far as these are not inconsistent with any accounting and reporting requirements and guidance that it may be subject to by virtue of its being a charity.

- 67A) The Company shall abide by the requirements of the current 16 to 19 Funding Guidance published by the Secretary of State and as amended from time to time, or such other guidance on 16 to 19 funding issued by the Secretary of State as may from time to time be applicable, in respect of any of its provision for persons who are above compulsory school age until the academic year in which they reach the age of 19.
- 68) The formal budget plan must be approved each Academy Financial Year by the Directors of the Company.
- 69) Any payment of grant by the Secretary of State in respect of each Academy is subject to his being satisfied as to the fulfilment by the Company of the following conditions:
- (a) in its conduct and operation it shall apply financial and other controls which conform to the requirements both of propriety and of good financial management;
 - (b) arrangements have been made to maintain proper accounting records and that statements of income and expenditure and balance sheets may be produced in such form and frequency as the Secretary of State may from time to time reasonably direct;
 - (c) in addition to the obligation to fulfil the statutory requirements referred to in sub-clause (f) below, the Company shall prepare its financial statements, Directors' report, Annual Accounts and its Annual Return for each Academy Financial Year in accordance with the Statement of Recommended Practice as issued by the Charity Commission and updated from time to time as if the Company was a non-exempt charity and/or in such form or manner and by such date as the Secretary of State may reasonably direct and shall file these with the Secretary of State and the Principal Regulator after each Academy Financial Year;

- (e) the Company shall ensure that its accounts are audited annually by independent auditors appointed under arrangements approved by the Secretary of State;
 - (f) the Company prepares and files with the Companies Registry such annual accounts as are required by the Companies Act 2006;
 - (g) the Company shall publish on its website its Annual Accounts, Annual Report, Memorandum, Articles, Funding Agreement and a list of the names of the Directors of the Company; and
 - (h) the Company insures or procures insurance by another person of its assets in accordance with normal commercial practice or under the terms of any subsisting leases in respect of the leasehold interest of the site upon which each Academy is situated.
- 70) In addition, and at his expense, the Secretary of State may instruct auditors to report to him on the adequacy and effectiveness of the accounting systems and internal controls maintained by the Company to standards determined by the Secretary of State and to make recommendations for improving the financial management of the Company.
- 71) The books of accounts and all relevant records, files and reports of the Company including those relating to financial controls, shall be open at all reasonable times to officials of the DfE and the National Audit Office and to contractors retained by the DfE or the National Audit Office for inspection or the carrying out of value for money studies; and the Company shall secure that those officials and contractors are given reasonable assistance with their enquiries. For the purposes of this clause 'relevant' means in any way relevant to the provision and use of grants provided by the Secretary of State under this Agreement.
- 72) The Company shall submit information in relation to the finances of each Academy to the Secretary of State in accordance with the requirements of the Academies Financial Handbook as amended from time to time, or as otherwise specified from time to time by the Secretary of State.
- 73) At the beginning of any Academy Financial Year, unless otherwise agreed by the Secretary of State, the Company may carry forward to subsequent academy Financial Years unspent GAG for any Academy from previous Academy Financial Years amounting to such percentage (if any) of the total GAG payable for the Academy in the Academy Financial Year just ended as shall be specified in the Academies Financial Handbook or otherwise as the Secretary of State may specify by notice in writing to the Company prior to the beginning of that Academy

Financial Year. The Company shall use such carried forward amount for such purpose, or subject to such restriction on its use, as for the time being specified in the Academies Financial Handbook or otherwise as the Secretary of State may specify by notice in writing to the Company.

- 73A) Notwithstanding clause 73 it is hereby agreed that the percentage of the GAG payable for the Academy in the Academy Financial Year just ended which may be carried forward shall not be less than 12 percent, of which sum not less than 83 percent shall be capable only of being utilised by the Company for Capital Expenditure, the upkeep and improvement of premises and repairs and maintenance.
- 74) Notwithstanding clause 73 any additional grant provided over and above that:
- (a) set out in clauses 43-49 in relation to Mainstream Academies and made in accordance with clauses 50-52 may be carried forward without limitation or deduction until the Start-up Period or the circumstances set out in clause 52 come to an end.
 - (b) set out in clauses 54A-54D in relation to Special Academies and made in accordance with clauses 54E-54F may be carried forward without limitation or deduction until the Start-up Period or the circumstances set out in clause 54F come to an end.
 - (c) set out in clauses 54K-54M in relation to Alternative Provision Academies and made in accordance with clauses 54N may be carried forward without limitation or deduction until the circumstances set out in clause 54N come to an end.
- 75) Any unspent GAG not allowed to be carried forward under clauses 73-74 may be taken into account in the payment of subsequent grant.
- 75A) If the Secretary of State pays in relation to a Free School grant other than GAG to the Company on condition either that such grant be used for a particular purpose or purposes or that such grant be used by a certain date, any failure on the part of the Company to use such grant for such a purpose or purposes or by such date may be taken into account by the Secretary of State in the calculation and payment of grant either:
- (a) in the same Academy Financial Year that such grant is paid to the Company; or
 - (b) in the following Academy Financial Year or Academy Financial Years.

- 75B) If the Secretary of State pays in relation to a Free School any grant to the Company which includes an amount to cover the VAT which will be payable by the Company in using any such grant for the purposes intended, the Company shall, having paid the VAT to a third party for any goods or services it has purchased from such a third party, where entitled, promptly and, in any event, as soon as is reasonably practicable, submit a VAT reclaim application to Her Majesty's Revenue and Customs ("HMRC") in respect of such VAT payment. Any failure, on the part of the Company, to submit a VAT reclaim application to HMRC or repay the amount recouped to the Secretary of State as soon as reasonably practicable following the receipt of any such payment from HMRC may be taken into account by the Secretary of State in the calculation and payment of grant either:
- (a) in the same Academy Financial Year that any such grant is paid to the Company; or
 - (b) in the following Academy Financial Year or Academy Financial Years.
- 75C) GAG paid by the Secretary of State shall only be used by the Company for the educational charitable purpose of advancing for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing Academies offering a broad and balanced curriculum. Such funds shall not be used by the Company for any other charitable purpose without the prior written consent of the Secretary of State, except where the use of such funds for that charitable purpose is merely incidental to their use for the educational charitable purpose of advancing for the public benefit education in the United Kingdom.
- 76) The Company may also spend or accumulate funds from private sources or public sources other than grants from the Secretary of State for application to the benefit of an Academy as it sees fit. Any surplus arising from private sources or public sources other than grants from the Secretary of State shall be separately identified in the Company's balance sheet.
- 77) The Company shall not, in relation to assets or property funded (whether in whole or in part) by the Secretary of State or otherwise coming within the meaning of publicly funded land as defined by paragraph 22(3) of Schedule 1 to the Academies Act 2010, without the prior written consent of the Secretary of State which consent shall not be unreasonably withheld or delayed:

- (a) except such as are given in normal contractual relations, give any guarantees, indemnities or letters of comfort above a value as for the time being specified in the Academies Financial Handbook or otherwise as the Secretary of State may specify by notice in writing to the Company from time to time;
 - (b) write off any debts or liabilities owed to it, nor offer to make any ex gratia payments (in lieu of staff severance or compensation) above a value as for the time being specified in the Academies Financial Handbook or otherwise as the Secretary of State may specify by notice in writing to the Company from time to time;
 - (c) except as may be permitted in the Academies Financial Handbook or otherwise as the Secretary of State may specify by notice in writing to the Company, make any sale or purchase of or otherwise dispose of freehold or leasehold property including entering into a contract to dispose of land or granting an option to acquire an interest in land; or
 - (d) take up any leasehold or tenancy agreement for a term exceeding three years.
- 78) The Company shall provide 30 days' prior written notice to the Secretary of State, whether or not the circumstances require the Secretary of State's consent, of its intention to:
- (a) give any guarantees, indemnities or letters of comfort;
 - (b) write off any debts owed to it or offer to make any ex gratia payments;
 - (c) make any sale or purchase of or otherwise dispose of freehold or leasehold property including entering into a contract to dispose of land or granting an option to acquire an interest in land; or
 - (d) take up any leasehold or tenancy agreement for a term exceeding three years.
- 79) Each discovered loss of an amount exceeding the amount for the time being specified by the Secretary of State and arising from suspected theft or fraud shall be reported by the Company to the Secretary of State at the earliest opportunity.
- 80) It is the responsibility of the Company to ensure that each Academy balances its budget from Academy Financial Year to Academy Financial Year. For the avoidance of doubt, this does not prevent the Company from:

- (a) subject to clauses 73 and 73A, carrying a surplus from one Academy Financial Year to the next; or
- (b) carrying forward from a previous Academy Financial Year or Academy Financial Years a sufficient surplus or sufficient cumulative surpluses on grants from the Secretary of State to meet an in-year deficit on such grants in a subsequent financial year; or
- (c) incurring an in-year deficit on funds from sources other than grants from the Secretary of State in any Academy Financial Year, provided it does not affect the Company's responsibility to ensure that the Company balances its overall budget from Academy Financial Year to Academy Financial Year; or
- (d) utilising GAG made available by the Secretary of State for one Academy to fund the operations of another Academy.

80A) The Company shall abide by the requirements of and have regard to the Charity Commission's guidance to charities and charity trustees and in particular the Charity Commission's guidance in "Protecting Charities from Harm" ('the compliance toolkit') and in CC9: "Speaking Out, Campaigning and Political Activities by Charities". Any references in this Agreement which require charity trustees to report to the Charity Commission should instead be interpreted as references to reporting to the Principal Regulator.

Borrowing Powers

- 81) Except as may be permitted by the Academies Financial Handbook (as amended from time to time) or otherwise as the Secretary of State may specify by notice in writing to the Company, the Company shall not charge or grant any security interest over property or assets funded (whether in whole or in part) by the Secretary of State without specific approval of the Secretary of State, such approval may only be granted in limited circumstances. The Company shall not operate an overdraft except to cover irregularities in cash flow. Such an overdraft, and the maximum amount to be borrowed, shall require approval in writing by the Secretary of State, and shall be subject to any conditions which the Secretary of State may reasonably impose.
- 82) The Company shall provide 30 days' written notice to the Secretary of State of its intention to borrow, whether or not such borrowing requires the Secretary of State's approval under clause 81 above.

Disposal of Assets

- 83) Where the Company acquires assets for a nil consideration or at an under value it shall be treated for the purpose of this Agreement as having incurred expenditure equal to the market value of those assets at the time that they were acquired. This provision shall not apply to assets transferred to the Company at nil or nominal consideration and which were previously used for the purposes of another academy or a maintained school and/or were transferred from an LA, the value of which assets shall be disregarded.
- 84) The sale or disposal by other means, or reinvestment of proceeds from the disposal, of a capital asset by the Company shall require the consent of the Secretary of State, such consent not to be unreasonably withheld or delayed, where:
- (a) the Secretary of State paid capital grant in excess of the value for the time being specified by the Secretary of State for the asset; or
 - (b) the asset was transferred to the Company from an LA for no or nominal consideration.
- 85) Furthermore, reinvestment of a percentage of the proceeds of disposal of a capital asset paid for with a capital grant from the Secretary of State shall require the Secretary of State's consent in the circumstances set out above and reinvestment exceeding the value for the time being specified by the Secretary of State or with other special features will be subject to Parliamentary approval. The percentage of the proceeds for which consent is needed is the percentage of the initial price of the asset which was paid by capital grant from the Secretary of State.
- 86) This clause applies in the event, during the lifetime of this Agreement, of the disposal of a capital asset for which Capital Grant of any amount was paid by the Secretary of State, where the asset was acquired by the Company. In this event, the Company shall repay to the Secretary of State the same proportion of the proceeds of the disposal as equates with the proportion of the original cost met by the Secretary of State, unless the Secretary of State agrees to some or all of the proceeds being retained by the Company for its charitable purposes.
- 87) This clause applies in the event, during the lifetime of this Agreement, that the Secretary of State consents to the disposal of an asset which was transferred to the Company from an LA for no or nominal consideration. - 20) The Secretary of State shall in advance of each Academy Financial Year for each Mainstream Free School, at such time or times as he shall determine, request that the Company provides an estimate of the number of pupils on roll in the following September at each Mainstream Free School for the purposes of determining GAG for an Academy Financial Year at each Mainstream Free School, and the Company shall provide the requested estimate (such estimate to be based on an objective assessment of numbers) in respect of each Mainstream Free School to the Secretary of State as soon as reasonably practicable.

- 21) Once the condition specified in paragraph 22 has been satisfied with respect to the relevant Mainstream Free School for the Academy Financial Year for which funding is being calculated, the basis of the pupil number count for the purpose of determining GAG for the relevant Mainstream Free School will be:
- (a) for the pupil number count for pupils in Year 11 and below, the Schools Census for the relevant month (determined at the discretion of the Secretary of State) preceding the Academy Financial Year in question; and
 - b) for the pupil number count for pupils in Year 12 and above, the formula which for the time being is in use for maintained schools for the calculation of pupil numbers for pupils in Year 12 and above for the purpose of calculating their level of funding.
- 22) For the purpose of paragraph 21, the condition is satisfied in the Academy Financial Year which immediately follows the Academy Financial Year in which all planned Year-groups will be present at the relevant Mainstream Free School (that is, all the pupil cohorts relevant to the age-range of the relevant Mainstream Free School will have some pupils present).
- 23) For any Academy Financial Year in which GAG for the relevant Mainstream Free School has been calculated in accordance with paragraphs 19 and 20, an adjustment may be made to the following Academy Financial Year's formula funding element of GAG for the relevant Mainstream Free School to recognise any variation from that estimate. The Secretary of State may for the purpose of calculating any adjustment to the formula funding element of GAG under this clause, use the Census for the relevant month (determined at the discretion of the Secretary of State) for the Academy Financial Year in question as a means of determining pupil numbers in an Academy Financial Year. The additional or clawed-back grant will be only that amount relevant to the number of pupils above or below that estimate.
- 24) For any Academy Financial Year in which GAG for the relevant Mainstream Free School is calculated in accordance with paragraph 21, no adjustment will be made to the equivalence funding element in the following Academy Financial Year's equivalence funding element of GAG for the relevant Mainstream Free School unless the Company demonstrates to the satisfaction of the Secretary of State that there has been a significant impact on costs, such as an extra class. For any other element of GAG for the relevant Mainstream Free School the Secretary of State may make adjustments to recognise a variation in pupil numbers from that used to

calculate the element of grant in question; the basis of these will be set out in the Annual Letter of Funding or its equivalent.

- 25) The Secretary of State recognises that if he serves notice to terminate the relevant Supplemental Agreement or of his intention to do so, the intake of new pupils during the notice period is likely to decline and that in such circumstances payments based simply upon the number of pupils attending the relevant Mainstream Free School or Mainstream Free Schools are unlikely to be sufficient to meet the Mainstream Free School's or Mainstream Free Schools' needs during the notice period. In those circumstances, the Secretary of State may undertake to pay a reasonable and appropriately larger GAG with respect to that Mainstream Free School or those Mainstream Free Schools in the notice period than would be justified solely on the basis of the methods set out in paragraphs 18 to 24, in order to enable the Mainstream Free School or Mainstream Free Schools to operate effectively.
- 26) The Secretary of State also recognises that if this Agreement or the relevant Supplemental Agreement is terminated for any reason by either party the number of pupils at the relevant Mainstream Free School or Mainstream Free Schools is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the relevant Mainstream Free School or Mainstream Free Schools.

Special Free Schools

- 27) Paragraphs 28 to 38 apply in respect of Special Free Schools only.
- 28) GAG will be paid by the Secretary of State to the Company as a contribution towards the normal running costs of each Special Free School. These will include, but are not limited to:

 - (d) the purchase, maintenance, repair and replacement:
 - (i) of teaching and learning materials and other educational equipment, including books, stationery and ICT equipment and

- software, sports equipment and laboratory equipment and materials;
 - (ii) of other supplies and services;
 - (e) examination fees;
 - (f) repairs, servicing and maintenance of buildings (including redecoration, heating, plumbing, lighting etc); maintenance of grounds (including boundary fences and walls); cleaning materials and contract cleaning; water and sewage; fuel and light (including fuel oil, solid and other fuel, electricity and gas); rents; rates; purchase, maintenance, repairs and replacement of furniture and fittings;
 - (g) insurance;
 - (h) medical equipment and supplies;
 - (i) staff development (including in-service training);
 - (j) curriculum development;
 - (k) the costs of providing school meals for pupils (including the cost of providing free school meals to pupils who are eligible to receive them), and discretionary grants to pupils to meet the cost of pupil support, including support for pupils with special educational needs or disabilities (taking account of the fact that separate additional money will be available for pupils with statements of special educational needs);
 - (l) administration;
 - (m) establishment expenses and other institutional costs.
- 29) Subject to paragraph 37 of this Agreement and the relevant Supplemental Agreement for the relevant Special Free School, GAG for each Financial Year for each Special Free School will include:
- (a) funding determined by the Secretary of State and notified in the Annual Letter of Funding or its equivalent, taking account of the number of pupils/and or places at the Special Free School;
 - (b) funding for the cost of functions which would be carried out by the local authority if the Special Free School were a maintained school, such funding to be determined at the discretion of the Secretary of State .

- (c) funding for matters for which it is necessary for the Special Free School to incur extra costs, to the extent that those costs are deemed in the discretion of the Secretary of State to be necessary; and
 - (d) Payments equivalent to further, specific grants made available to maintained schools, where the Special Free School meets the requisite conditions and criteria necessary for a maintained school to receive these grants, such payments to be at the discretion of the Secretary of State;
- 30) The Secretary of State will determine GAG for each Special Free School for each Academy Financial Year. The determination will be made taking into account relevant factors. Arrangements for this will be set out in the Annual Letter of Funding or its equivalent.
- 31) The Secretary of State may make provision, within his absolute discretion, for GAG to be adjusted in-year if the number of Pupils and Statemented Pupils attending one of the Special Free Schools at specified dates exceeds or falls below thresholds specified by letter. Arrangements for this will be set out in the Annual Letter of Funding.
- 32) Subject to paragraph 34, the basis of the number count for Non-Statemented Pupils for the purposes of determining GAG for an Academy Financial Year for each Special Free School will be the Company's most recent estimate for each Special Free School provided in accordance with paragraph 33.
- 33) The Secretary of State shall in advance of each Academy Financial Year for each Special Free School, at such time or times as he shall determine, request that the Company provides an estimate of the number of Non-Statemented pupils on roll in the following September for each Special Free School for the purposes of determining GAG for an Academy Financial Year, and the Company shall provide the requested estimate for each Special Free School (such estimates to be based on an objective assessment of numbers at each Special Free School) to the Secretary of State as soon as reasonably practicable.
- 34) Once the condition specified in paragraph 35 has been satisfied with respect to the relevant Special Free School for the Academy Financial Year for which funding is being calculated, the basis of the number count for Non-Statemented Pupils for the purpose of determining GAG for the relevant Special Free School will be the actual number of Non-Statemented Pupils on roll in the relevant month of the previous Academy Financial Year. The relevant month shall be a month determined by the Secretary of State.

- 35) For the purpose of paragraph 34, the condition is satisfied when the number of Non-Statemented Pupils on roll is 90% or more of the number stated in the relevant Supplemental Agreement.
- 36) For any Academy Financial Year in which GAG for Non-Statemented Pupils has been calculated in accordance with paragraph 32 for the relevant Special Free School, an adjustment will be made to the following Academy Financial Year's GAG for the relevant Special Free School to recognise any variation from that estimate. The additional or clawed-back grant will be only that amount relevant to the number of pupils above or below that estimate.
- 37) The Secretary of State recognises that if he serves notice to terminate the relevant Supplemental Agreement or of his intention to do so, the intake of new pupils during the notice period is likely to decline and that in such circumstances payments based on a number of places related to the number of pupils attending the relevant Special Free School are unlikely to be sufficient to meet the Special Free School's needs during the notice period. The Secretary of State may undertake to pay a reasonable and appropriately larger GAG with respect to that Special Free School in the notice period than would be justified solely on the basis of the methods set out in paragraphs 29 to 31, in order to enable the Special Free School to operate effectively.
- 38) The Secretary of State also recognises that if this Agreement or the relevant Supplemental Agreement is terminated for any reason by either party the number of pupils at the relevant Special Free School or Special Free Schools is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the Special Free School.

Alternative Provision Free Schools

- 39) Clauses 40 to 45 apply in respect of Alternative Provision Free Schools only.
- 40) GAG will be paid by the Secretary of State to the Company as a contribution¹⁶ to the normal running costs of the Alternative Provision Free School. These will include, but are not limited to:

Arrangements for this will be set out in the Annual Letter of Funding or its equivalent.
- 44) The Secretary of State recognises that if he serves notice to terminate the relevant Supplemental Agreement or of his intention to do so, the intake of new pupils during the notice period is likely to decline and that in such circumstances payments based simply upon the number of pupils attending the Alternative Provision Free School are unlikely to be sufficient to meet the Alternative Provision Free School's needs during the notice period. In those circumstances, the Secretary of State may undertake to pay a reasonable and appropriately larger GAG with respect to the Alternative Provision Free School in the notice period than

would be justified solely on the basis of the methods set out in paragraphs 41-43, in order to enable the Alternative Provision Free School to operate effectively.

- 45) The Secretary of State also recognises that if this Agreement or the relevant Supplemental Agreement is terminated for any reason by either party the number of pupils at the relevant Alternative Provision Free School is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the alternative provision Free School.

16-19 Free Schools

- 46) Paragraphs 47 to 56 apply in respect of 16 to 19 Free Schools only.

- 47) GAG will be paid by the Secretary of State to the Company in order to cover the normal running costs of each 16 to 19 Free School. These will include, but are not limited to:

- (a) teachers' salaries and related costs (including full and part time teaching staff and seconded teachers);
- (b) non-teaching staff salaries and related costs (including pension contributions, educational support staff, administrative and clerical staff and manual and premises related staff);
- (c) employees' expenses;
- (d) the purchase, maintenance, repair and replacement:
 - (i) of teaching and learning materials and other educational equipment, including books, stationery and ICT equipment and software, sports equipment and laboratory equipment and materials;
 - (ii) of other supplies and services;
- (e) examination fees;
- (f) repairs, servicing and maintenance of buildings (including redecoration, heating, plumbing, lighting etc); maintenance of grounds (including boundary fences and walls); cleaning materials and contract cleaning; water and sewage; fuel and light (including fuel oil, solid and other fuel, electricity and gas); rents; rates; purchase, maintenance, repairs and replacement of furniture and fittings;

49) During the start-up period defined in the relevant Supplemental Agreement for each 16 to 19 Free School the basis of the student number count for the purposes of determining GAG for an Academy Financial Year for the 16 to 19 Free School will be the Company's estimate each year for numbers on roll in the following September for the 16 to 19 Free School, such estimate to be based on an objective assessment of student numbers and agreed with the Secretary of State.

50) The Secretary of State shall in advance of each Academy Financial Year for the 16 to 19 Free School, at such time or times as he shall determine, request that the Company provides an estimate of the number of students on roll in the following

September for the 16 to 19 Free School for the purposes of determining GAG for an Academy Financial Year, and the Company shall provide the requested estimate (such estimate to be based on an objective assessment of numbers) to the Secretary of State as soon as reasonably practicable.

- 51) After the start-up period defined the relevant Supplemental Agreement for each 16 to 19 Free School the arrangements for calculating the student number count for the purpose of determining GAG for the 16 to 19 Free School shall be those provided for in guidance on the national funding system published by the Secretary of State under section 15ZD of the Education Act 1996 for the relevant Academy Financial Year, in respect of persons who have reached the age of 16 but have not reached the age of 19, or are aged 19-24 and have a learning difficulty and/or disability and are the subject of a learning difficulty assessment.

The Secretary of State may for the purpose of calculating any adjustment to the formula funding element of GAG under this clause, use the Individualised Learner Record for the Academy Financial Year in question as a means of determining student numbers in an Academy Financial Year. The additional or clawed-back grant will be only that amount relevant to the number of students above or below that estimate.
- 53) For any Academy Financial Year in which GAG for the 16 to 19 Free School is calculated in accordance with paragraph 51, no adjustment will be made to the equivalence funding element in the following Academy Financial Year's equivalence funding element of GAG. For any other element of GAG the Secretary of State may make adjustments to recognise a variation in student numbers from that used to calculate the element of grant in question; the basis of these will be set out in guidance on the national funding system published by the Secretary of State under section 15ZD of the Education Act 1996 for the relevant Academy Financial Year.
- 54) The Secretary of State may pay further grant in the start-up period defined in the relevant Supplemental Agreement, as determined and specified by him, for costs which cannot otherwise be met from GAG.
- 55) The Secretary of State recognises that if he serves notice to terminate the relevant Supplemental Agreement or of his intention to do so, the intake of new students during the notice period is likely to decline and that in such circumstances payments based simply upon the number of students attending the relevant 16 to

16 to 19 Free School are unlikely to be sufficient to meet the Free School's needs during the notice period. In those circumstances, the Secretary of State may undertake to pay a reasonable and appropriately larger GAG with respect to the relevant 16 to 19 Free School in the notice period than would be justified solely on the basis of the methods set out in paragraphs 48 to 52, in order to enable the relevant 16 to 19 Free School to operate effectively.

- 56) The Secretary of State also recognises that if this Agreement or the Relevant Supplemental Agreement is terminated for any reason by either party the number of students at the relevant 16 to 19 Free School is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the students at the relevant 16 to 19 Free School.

Request to consider termination if the Academy is financially unsustainable

5.7 Subject to the condition in 5.8 below, the Company may by notice in writing request the Secretary of State to terminate this Agreement ("Termination Request Notice") where the Company considers that the Academy is or will be unable to attract sufficient pupils to enable the Academy to be financially sustainable in the foreseeable future, each party recognising that for these purposes the Company

will not be required to subsidise the operations of the Academy by diverting the funding available for the operation of other academies and /or free schools operated by the Company.

5.8 A Termination Request Notice must be received by the Secretary of State before 31 December in the Academy Financial Year the Company proposes the termination of this agreement shall have effect.

assets need to be used for any educational purposes by that nominee. - (a) any person who may apply for a position as an employee or to be otherwise engaged by the Company, and

For the avoidance of doubt, the Company agrees and acknowledges that section 124A of the SSFA shall not therefore apply to it in relation to the persons referred to at (a) and (b) above.

2.7 (1) Section 58 of the SSFA shall apply to the Company with the following modifications:

- a) in subsection (3) for the words "head teacher" read "principal"

- b) subject to clause 28 of the Master Agreement, the Company shall comply with the requirements of section 70(1) of, and Schedule 20 to, the School Standards and Framework Act 1998 as if the Academy were a foundation school or voluntary controlled school with a religious character, and as if references to 'the required collective worship' were references to collective worship in accordance with the tenets and practices of the specified religion or religious denomination of the Academy;

[Next section only if the Academy is a denominational faith Academy CE, RC etc. rather than 'Christian']

- c) the Company shall ensure that the quality of the Academy's collective worship given in accordance with the tenets and practice of the specific religion or religious denomination is inspected. Where a leasehold interest in publicly funded land for use by the Academy is to be transferred to the Company using one of the DfE's model leases, insert only clauses 6A and the definition of "land" at clause 1.2 (the other land clauses can be left out as these overlap with what is covered by the lease).

Where the Company will have both freehold and leasehold interests in publicly funded land, (because it has been transferred more than one piece of land), then insert all the land clauses but the Company may include a clause saying that clauses 6B-6D do not apply to land in which the Company holds a leasehold interest only.

Secretary of State may terminate this Agreement by notice in writing to the Company such termination to take effect on the date of the notice.

Annex 1

APPENDIX: Land clauses

For the majority of Mainstream Free Schools, variations of all or some of the following clauses will need to be inserted. The clauses below are based on the school land being leasehold land. Some of the clauses will be removed / amended if the land is held as freehold land.

Clauses 10A, 10G, 10J to 10L, 10N and 10O will be inserted if the Secretary of State assists the Company to acquire the freehold of the school site or a premium is paid by the Secretary of State to acquire leasehold premises for the school. These clauses provide the Secretary of State with protection for the public monies invested in the site. Clause 10M will generally be inserted in such situations where clause 10H is also included (see below). Where 10H is not included, clause 10M will be removed and a minor amendment will be made to clause 10K to remove reference to the use of the option under clause 10E.

Clause 10B will generally be inserted in all Funding Agreements. The choice of restriction will depend upon whether a legal charge is being taken over the school site, as well as whether the Company is a non-exempt or exempt charity at the time the school site is being acquired. An additional sub-clause will apply where the land will be subject to a legal charge, but is acquired prior to the Company becoming an exempt charity.

Clauses 10C and 10D will be amended should the land in question be freehold land.

Clauses 10E and 10F will be inserted into the majority of Funding Agreements; this enables the Secretary of State to continue to use the school site for another Free School or Academy should the Funding Agreement be terminated in order to protect the public investment in the land. Minor amendments may be made to these clauses to reflect the way that the land is held.

Clause 10H will be inserted where there are possible conditions that may prevent the land being used as the permanent site of the Mainstream Free School – for example if it is deemed to be unsuitable prior to the opening of the Mainstream Free School (or where a temporary site is used in the first years of the Mainstream Free School before the Mainstream Free School moves to the permanent site). This enables the SoS to recover the land for use by another Free School or Academy, or to require the Company to sell the land in order to fund the purchase of an alternative site and to return any public monies not used to purchase the alternative site.

Clause 10I will generally be inserted in all Funding Agreements, but will be subject to amendment where no Legal Charge is in place.

Drafting included in square brackets may be optional or allow for a choice of drafting dependent upon the particular land arrangements.

Further clauses (and potentially additional definitions) may also need to be inserted into the Funding Agreement specific to your Mainstream Free School dependent upon the specific land arrangements for the school site to further provide protection for the investment of public monies in the site. These may include further clauses to enable the Secretary of State to rectify any breaches of the terms of the lease, to intervene in the Company in order to secure a permanent site for your Mainstream Free School or to terminate the Funding Agreement if it is not possible to secure a permanent site for your Mainstream Free School.

Companies should be aware that any disposal of land acquired with the assistance of the Secretary of State will require the consent of the Secretary of State, who will wish to ensure that the public funds will continue to be used for the purposes of the Mainstream Free School.

The following definitions should be inserted at clause 1 should a legal charge be taken over the school property:

“Debt” means the amount equal to 100% of the Land Value[,subject to any overage in the contractual arrangement for the acquisition of the Land by the Company];

[“Deed of Priority” means a contractual arrangement between the Secretary of State and any third party agreeing a ranking of legal charges over the Land”];

“Discharge Process”

means the removal of:-

- i. the Legal Charge registered with Companies House as against the Company;
- ii. the Legal Charge from the charges register at the Land Registry against the title for the Land;
- iii. the restriction in the proprietorship register as referred to in 108B(a); and
- iv. the notice in the proprietorship register as referred to in 108F(a)

"Land Value" means, at any time:-

- (a) where there has been a disposal of the Land as a result of the enforcement of the Legal Charge by the Secretary of State, the proceeds of that disposal after payment of any necessary and reasonable costs incurred by the seller in connection with such disposal; or
- (b) in any other case, the Market Value of the Land;

The following definition should be amended dependent upon when the legal charge is to be entered into:

"Legal Charge" means the legal charge to be entered into [within two weeks of the opening of the Academy][upon the acquisition of the legal interest in the Land] by the Company in favour of the Secretary of State over the Land, in a form and substance satisfactory to the Secretary of State;

"Market Value" the market value of the relevant part of the Land (as that term is defined or referred to in the RICS Appraisal and Valuation Manual (current edition) published by RICS), as determined by a professionally qualified independent valuer;

5. Every person nominated to be a Member of the Company shall either sign a written consent to become a Member or sign the register of Members on becoming a Member.
6. A Member shall cease to be a Member immediately on the receipt by the Company of a notice in writing signed by the person entitled to remove him.

GENERAL MEETINGS

7. The Directors may, whenever they think fit, convene a general meeting and shall do so on the requisition of any of the Members. Any general meeting shall be convened in accordance with the provisions of the 2006 Act. If there are not within the United Kingdom sufficient Directors to convene a general meeting, any Director or any Member of the Company may convene a general meeting.

NOTICE OF GENERAL MEETINGS

8. General meetings shall be convened by at least 14 clear days' notice but a general meeting may be called by shorter notice if it is so agreed by all the Members. The notice shall specify the time and place of the meeting and the general nature of the business to be transacted and shall give information to the Members with regard to the right to appoint a proxy pursuant to Section 324 of the 2006 Act. The notice shall be given to the Members and to the Directors.

9. The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at that meeting.

PROCEEDINGS AT GENERAL MEETINGS

10. No business shall be transacted at any general meeting unless Oasis Charitable Trust is present.
11. If Oasis Charitable Trust is not present within half an hour from the time appointed for the general meeting, or if during a general meeting Oasis Charitable Trust ceases to be present, the general meeting be terminated with immediate effect.

13. If no Director is willing to act as chairman, or if no Director is present within fifteen minutes after the time appointed for holding the general meeting, the Members shall elect a chairman.
14. A Director shall, notwithstanding that he is not a Member, be entitled to attend and speak at any general meeting.

Otherwise it shall not be necessary to give any such notice.

If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.
21. No notice need be given of a poll not taken immediately if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In other cases at least seven clear days' notice shall be given specifying the time and place at which the poll is to be taken.

Annex B

Arrangements for pupils with Special Educational Needs ('SEN') and disabilities at Mainstream Academies

Duties in relation to pupils with SEN¹

1. The Directors of the Company must, in respect of each **Mainstream Academy**, comply with all of the duties imposed upon the governing bodies of maintained schools in;
 - Part 4 of the Education Act 1996 as amended from time to time²;
 - The Education (Special Educational Needs) (Information) Regulations 1999 as amended from time to time;
 - The Education (Special Educational Needs Co-ordinators) (England) (Amendment) Regulations 2008 as amended from time to time³.
2. Notwithstanding any provision in this Agreement, the Secretary of State may (whether following a complaint made to him or otherwise) direct the Company to comply with an obligation described in this Annex where the Company has failed to comply with any such obligation.
3. Where a child who has SEN is being educated in a **Mainstream Academy**, those concerned with making special educational provision for the child must secure that the child engages in the activities of the school together with children who do not have SEN, so far as is reasonably practicable and is compatible with:
 - (a) the child receiving the special educational provision which his learning difficulty calls for,
 - (b) the provision of efficient education for the children with whom he will be educated, and
 - (c) the efficient use of resources.
4. In addition to complying with the duties imposed upon the governing bodies of maintained schools set out in The Education (Special Educational Needs) (Information) Regulations 1999 (as amended from time to time) the Company must ensure that the website for each Academy includes details of the implementation of its policy for pupils with special educational needs; the arrangements for the admission of disabled pupils; the steps taken to prevent disabled pupils from being treated less favourably than other pupils; and the facilities provided to assist access to the Academy by disabled pupils (disabled pupils meaning pupils who are disabled for the purposes of the Equality Act 2010⁴).

¹ Duties in relation to pupils with SEN at Special Academies are at clause 12A of the Master Funding Agreement.

² Currently these duties are in sections 313 (Duty to have regard to the Special Educational Needs Code of Practice 2001); 317 (Duties in relation to pupils with special educational needs), 317A (Duty to advise parents that special educational provision is being made); and 324(5)(b) (Duty to admit the child where a school is named in the statement).

³ These Regulations are amended by The Education (Special Educational Needs Co-ordinators) (England) (Amendment) Regulations 2009 (SI 2009 No 1387).

⁴ For the meaning of 'disabled', see section 6 of the Equality Act 2010.

Multi Academy Model

Admissions¹

5. The Company must ensure that for each **Mainstream Academy** pupils with SEN are admitted on an equal basis with others in accordance with the Academy's admissions policy.
6. Where a local authority ("LA") proposes to name a **Mainstream Academy** in a statement of SEN made in accordance with section 324 of the Education Act 1996, it must give the Company written notice that it so proposes. Within 15 days of receipt of the LA's notice that it proposes to name the Academy in a statement, the Company must consent to being named, except where admitting the child would be incompatible with the provision of efficient education for other children; and where no reasonable steps may be made to secure compatibility. In deciding whether a child's inclusion would be incompatible with the efficient education of other children, the Company must have regard to the relevant guidance issued by the Secretary of State to maintained schools.
7. If the Company determines that admitting the child would be incompatible with the provision of efficient education, it must, within 15 days of receipt of the LA's notice, notify the LA in writing that it does not agree that the Academy should be named in the pupil's statement. Such notice must set out all the facts and matters the Company relies upon in support of its contention that: (a) admitting the child would be incompatible with efficiently educating other children; and (b) the Company cannot take reasonable steps to secure this compatibility.
8. After service by the Company on the LA of any notice (further to paragraph 7 above) stating that it does not agree with the LA's proposal that the Academy be named, the Company must seek to establish from the LA, as soon as is reasonably practicable, whether or not the LA agrees with the Company. If the LA notifies the Company that it does not agree with the Company's response, and names the Academy in the child's statement, then the Company must admit the child to the school on the date specified in the statement or on the date specified by the LA.
9. Where the Company consider that the Academy should not have been named in a child's statement, they may ask the Secretary of State to determine that the LA has acted unreasonably in naming the Academy and to make an order directing the LA to reconsider.
10. The Secretary of State's determination shall, subject only to any right of appeal which any parent or guardian of the child may have to the First-tier Tribunal (Special Educational Needs and Disability), be final.
11. If a parent or guardian of a child in respect of whom a statement is maintained by the local authority appeals to the First-tier Tribunal (Special Educational Needs and Disability) either against the naming of an Academy in the child's SEN statement or asking the Tribunal to name an Academy, then the decision of the Tribunal on any such appeal shall be binding and shall, if different from that of the Secretary of State under paragraph 9 above, be substituted for the Secretary of State's decision.
12. Where the Company, the Secretary of State or the First-tier Tribunal (Special Educational Needs and Disability) have determined that it should
