### CARLINE PROCEDURE

#### **Student Drop Off**

If you will be dropping your child off in the morning or picking them up, please make sure you use the large parking lot on the east side of Kinawa. **The loop in front of the school as well as the bus lane to the West of the school cannot be used for student drop off or pick up.**

Please only drop your student off along the sidewalk near the school. If you choose to park in the parking lot, we ask that you walk your child to the crosswalk with the orange barricades.

We have over 750 students at Kinawa, therefore, we ask that you are patient as everyone learns the carline routine. Please know it is imperative everyone is patient and attentive to ensure every child is arriving and departing school safely each day.

**The first row of parking spots, located closest to the building, are designated for Staff and handicapped parking only. Please do not park in these spots.**

Student Drop off and Pick up can be stressful if everyone is not following the procedures. We ask that you take a moment to watch our Carline video to help familiarize yourself with our carline procedure.

[Carline Video](#)

#### **Key Points to Remember:**

- Drop off and pick up can only be done in the large lot to the east of the building. Please do not drop off or pick up your child in front of the building or in the bus lane.
- Please weave through the parking lot to help keep traffic off from Kinawa drive
- Please pull up as far as possible when loading your child, and load/unload as quickly as possible
- If you plan to park and walk through the parking lot to get your child you must wait in the orange barrel sectioned off area. Students will not be allowed to walk through the parking lot without an adult.
- Students can only cross at the main crosswalk by the orange barrels. **We ask that parents do ask their child to cross at different locations.**
- Please be patient and kind. Kinawa's staff are volunteering their time to help ensure every child gets home safely.

#### **Morning Drop Off**

- During morning drop off, all students need to be dropped off **curbside only in the parking lot on the east side of the building** to help keep them safe. Please do not drop your child off in the parking lot and ask them to walk across the lot. There will be many cars in the lot and we do not want them to get hit by a car.
- Please pull up as much as possible when dropping off your child to allow for other cars behind you to access the sidewalk.

#### **Afternoon Pick Up**

- Students will exit the building through door #14 Door closest to the tennis courts
- Carline will be “airport loading” along the entire sidewalk area
- Any students choosing to not be picked up curbside will need to wait in the orange barricaded areas for parents to walk them across the parking lot.
- Our goal is to make the process quick for everyone while ensuring our students are safe.

### **A NOTE FROM THE ART ROOM**

Hello,

My name is Mrs. Cronin and I am the 5th and 6th grade Art teacher. I am so excited to get to know your student this year! If you are interested in volunteering throughout the year, please email me at: [jennifer.cronin@okemosk12.net](mailto:jennifer.cronin@okemosk12.net) to let me know. Occasionally, I will need help prepping supplies, an extra set of hands in the classroom, and preparing for the art show at the end of the school year.

I am taking donations of newspapers, small empty Gatorade bottles and plastic eggs at this time for an upcoming paper mache project. If you have any to contribute, students can bring them to school and drop them off in the art room (403). I will be updating an [Amazon Wishlist](#) throughout the year, if you would like to additionally help our budding artists in that way.

Finally, if your student is interested in joining the Art club, information will be sent out through the Kinawa newsletter in mid to late September, once we are in the swing of things. So keep your eyes open for that!

### **OKEMOS BASEBALL CLUB TRYOUT INFORMATION**

Parents and guardians interested in being a part of the Okemos Baseball Club can sign up their eligible players through the online form below. We encourage you to share this information with your social network to help promote the opportunity to as many players as possible.

Register for tryouts by clicking [here to complete the Okemos Baseball Club 2024-25 Registration, Waiver and Release Form](#).

Baseball age cutoff for all age divisions is April 30. A baseball player's age as of 4/30/2025 will dictate the youngest age group they are eligible to play in during the 2025 season.

If your player has made a 2025 team roster, you will be notified by the coach by November 1. Indoor practices (limited to 1-2 hours per week) will begin January 2025 with the games and more outdoor practices occurring April through June or early July with details provided to you by your player's coach(es).

OBC Dues. Please be aware there is a per player fee for Okemos Baseball Club and if you have a new player who makes a team, the player will also need a new uniform. While we do our best to keep fees as low as possible, these player dues and uniform costs are determined after teams have been formed. For your consideration, the estimated per player fee for the 2025 OBC season may be approximately \$500.

For players newer to the game who may want to explore recreational-level play, please contact Okemos Community Education or Meridian Township to learn more about their spring baseball programs.

## WAIT UNTIL 8TH PROGRAM

Many Kinawa families are joining the Wait Until 8th program to delay smartphone access for kids. Wait Until 8th is a website where you can pledge to delay giving your child a smartphone and lets families rally together to help reduce peer pressure on kids and parents to get one. The pledge is just about smartphones; you can still participate in Wait Until 8th while letting your child have a basic phone or a smartwatch, so busy families can still easily coordinate and stay in touch while participating. To learn more about the pledge and how it works, reasons to consider participating, and about smartphone alternatives like basic phone options, visit [waituntil8th.org](http://waituntil8th.org) . To join the pledge, go to [waituntil8th.org](http://waituntil8th.org) , and select Kinawa School after choosing Michigan and Okemos (and for next school select Chippewa Middle School).
