Parent and Family Engagement Plan

What is Title I?

Stonewall Tell Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. The Title I program must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written Parent and Family Engagement Plan (PFEP).

What is it?

The plan describes how Stonewall Tell Elementary will provide opportunities to improve family engagement to support student learning. We value the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the diverse ways that Stonewall Tell Elementary will support family engagement and how parents can participate in the planning of activities and events to promote student learning at school and at home.

How is it revised?

Parents of Stonewall Tell Elementary are invited to attend Input Meetings, held annually in the spring, to review and revise this Parent and Family Engagement Plan, as well as the schoolwide plan, our School-Family Compact, and the family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through an online platform. Parents can access this plan on our school's website to view and give feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. An annual survey is also given to ask for parents' suggestions on the plan and how to use funds for family engagement support.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Stonewall Tell Elementary will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

Parents can retrieve a copy of the plan on the school's website, Parent Smore, email, or Parent Resource Center.

Building Partnerships

Parents will have opportunities to be involved and partner with Stonewall Tell Elementary through a variety of activities which gives them reasonable access to staff. Please see below some of the ways we build partnerships with our parents.

Activities to Build Partnerships

- Classroom Observation and Participation
- Parent Volunteers
- Parent -Teacher Conferences
- Parent Academic Workshops
- Monthly PTA/SGC Meetings/Events
- Principal's Chat

What is a School-Family Compact?

A School-Family Compact is a written agreement by staff, parents/families, and students developed together. It explains how the staff and parents/families will work together to make sure all students improve to reach grade-level standards.

Jointly Developed

This compact was jointly developed by Stonewall Tell students, staff, families, and Title I Committee members. It outlines how parents, the entire school staff, and students will share responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the state's high standards. Compacts are reviewed and revised annually. Parents are welcome to provide feedback at any time during the school year and during the Title I Stakeholders' Input Meetings.

If you would like to volunteer, participate, and/or observe in the classroom, please contact LaTrece Rice, Parent Liaison, at (470) 254-3500.

School and Home Communication

Stonewall Tell Elementary School is committed to open two-way communication with parents about their child's academic progress. Some of the ways we will communicate with parents about students' progress are listed below.
