Announcements

We are currently looking for substitute teachers. If you would like to inquire, please call the district office at 715-223-6715.

We still have space in our 3k program! For more information please call the elementary office at 715-223-9572 ext. 3000

We ask that you please scan the QR code attached to this newsletter and fill out the parent survey for Fall 2024. Your feedback is greatly appreciated!

School Safety Plan

As part of the Abbotsford School District's School Safety Plan, October 19th the Abbotsford Elementary and High School will be conducting an Intruder drill. Just like our Fire and Tornado drills, we feel it's important to have an Intruder plan in place. The emphasis this year will be on evacuating the school and reunification with parents. Our evacuation site is St. Bernards Church. We will walk there with students and conduct a parent reunification simulation. Parents will not be picking their children up during this drill. We will practice this process with law enforcement and school staff.

If you have any questions or concerns please reach out to the school offices
