- Stay tuned for information regarding our next **mandatory family meeting**. This meeting will be a virtual meeting. The meeting will be recorded if you cannot attend live. There will be important information provided at this meeting regarding behavior expectations (leading up to and during the trip), rooming group details, health form information, and other important details about the trip. Attending the virtual meeting or signing off indicating that you have viewed the recording of the meeting will be a requirement for your student to be able to participate in the trip. We will be scheduling the meeting for some time in mid-January. An email will be sent to all families when the date has been set.
