# Santo Elementary Student Handbook

## Preface Parents and Students:

Welcome to the new school year!

Education is a team effort. Students, parents, teachers, and other staff members working together will make this a successful year.

The Santo Elementary Student Handbook is a general reference guide that is divided into two sections:

**Section One: Parental Rights** describes certain parental rights as specified in state or federal law.

**Section Two: Other Important Information for Parents and Students** is organized alphabetically by topic. Where applicable, the topics are further organized by grade level.

**Note:** Unless otherwise noted, the term “parent” refers to the parent, legal guardian, any person granted some other type of lawful control of a student, or any other person who has agreed to assume school-related responsibility for a student.

The Student Handbook is designed to align with law, board-adopted policy, and the Student Code of Conduct, a board-adopted document intended to promote school safety and an atmosphere for learning. The Student Handbook is not meant to be a complete statement of all policies, procedures, or rules in any given circumstance.

In case of conflicts between board policy (including the Student Code of Conduct) and any Student Handbook provision, the district will follow board policy and the Student Code of Conduct.

Therefore, parents and students should become familiar with the Santo ISD Student Code of Conduct. To review the Code of Conduct, visit the district’s website at [www.santoisd.net](http://www.santoisd.net). State law requires that the Code of Conduct be prominently displayed or made available for review at each campus.

The Student Handbook is updated annually. However, policy adoption and revisions may occur throughout the year. The district encourages parents to stay informed of proposed policy changes by attending board meetings and reviewing communications explaining changes in policy or other rules that affect Student Handbook provisions. The district reserves the right to modify the Student Handbook at any time. Notice of revisions will be provided as is reasonably practical.

Although the Student Handbook may refer to rights established through law or district policy, it does not create additional rights for parents and students. It does not, nor is it intended to, represent a contract between any parent or student and the district.

A hard copy of either the Student Code of Conduct or Student Handbook can be requested at each campus.

# Santo Elementary Student Handbook

**Note:** References to board policy codes are included for ease of reference. The hard copy of the district's official policy manual is available for review in the district administration office, and an unofficial electronic copy is available at [www.santoisd.net/board](http://www.santoisd.net/board).

The policy manual includes:

- Legally referenced legal policies that contain provisions from federal and state laws and regulations, case law, and other legal authorities that provide the legal framework for school districts
- Board-adopted local policies that articulate the board's choices and values regarding district practices

## Section One: Parental Rights

This section describes certain parental rights as specified in state or federal law.

# Santo Elementary Student Handbook

## Consent, Opt-Out, and Refusal Rights

### Consent to Conduct a Psychological Evaluation

Unless required under state or federal law, a district employee will not conduct a psychological examination, test, or treatment without obtaining prior written parental consent.

**Note:** An evaluation may be legally required under special education rules or by the Texas Education Agency for child abuse investigations and reports.

### Consent to Instruction on Prevention of Child Abuse, Family Violence, Dating Violence, and Sex Trafficking

Before a student receives instruction on the prevention of child abuse, family violence, dating violence, and sex trafficking, the district must obtain written consent from the student's parent. Parents will be sent a request for written consent at least 14 days before the instruction will begin.

### *Annual Notification*

Students receive instruction related to the prevention of child abuse, family violence, dating violence, and sex trafficking. The School Health Advisory Council (SHAC) makes recommendations for curriculum materials, and the school board adopts the materials and determines the specific content of the instruction.

In accordance with state law, a parent may:

- Review, receive a copy of, or purchase a copy of curriculum materials depending on the copyright of the materials. As required by law, any curriculum materials in the public domain used in this instruction will be posted on the district's website at the location indicated above.
- Remove their child from any part of this instruction without academic, disciplinary, or other penalties.
- Become involved in the development of this curriculum by becoming a member of the district's SHAC or attending SHAC meetings. See the campus principal for details.
- Use the district's grievance procedure concerning a complaint. [See **Complaints and Concerns (Grades EE-5)** and policy FNG for information on the grievance and appeals process.]

[See Error! Reference source not found., **Dating Violence and Child Sexual Abuse, Neglect, Trafficking, and Other Maltreatment of Children (Grades EE-5)**]

### Consent to Provide a Mental Health Care Service

The district will not provide a mental health care service to a student or conduct a medical screening of a student as part of the district's intervention procedures except as permitted by law.

## Santo Elementary Student Handbook

The district has established procedures for recommending to a parent an intervention for a student with early warning signs of mental health concerns, substance abuse, or suicide risk. The district's mental health liaison will notify the student's parent within a reasonable amount of time after the liaison learns that a student has displayed early warning signs and provide information about available counseling options.

The district has also established procedures for staff to notify the mental health liaison regarding a student who may need intervention.

The mental health liaison can be reached at:

Counselor Shauna Bradshaw  
PO Box 67 406 FM 2201  
Santo, TX 76472  
[sbradshaw@santoisd.net](mailto:sbradshaw@santoisd.net)  
940-769-3215

The mental health liaison can provide further information about these procedures as well as curriculum materials on identifying risk factors, accessing resources for treatment or support on and off campus, and accessing available student accommodations provided on campus.

[See **Mental Health Support (Grades EE-5)**]

### **Consent to Display a Student's Original Works and Personal Information**

Teachers may display a student's work in classrooms or elsewhere on campus as recognition of student achievement without seeking prior parental consent. These displays may include personally identifiable student information. Student work includes:

- Artwork
- Special projects
- Photographs
- Original videos or voice recordings
- Other original works

However, the district will seek parental consent before displaying a student's work on the district's website, a website affiliated or sponsored by the district (such as a campus or classroom website), or in district publications, which may include printed materials, videos, or other methods of mass communication.

\*Please note, Santo ISD may display or publish student artwork, photos/videos taken by the student or of the student, or other original work on the district's web site, a website affiliated or sponsored by the district, such as a campus or classroom Website, classroom social media pages, and in district publications. This would also include student photographs, work, or classroom instructional or tutorial videos of students being published in campus learning platforms/Google Classroom. The district agrees to use these projects/images/publications in this manner. If you do not want your child's work or image posted or being used for the

## Santo Elementary Student Handbook

purposes mentioned above, contact the campus office for a form reflecting your decision to opt out of online sites.

### **Consent to Receive Parenting and Paternity Awareness Instruction If a Student is Under Age 14**

A student under age 14 must have parental permission to participate in the district's [Parenting and Paternity Awareness Program](https://www.texasattorneygeneral.gov/child-support/programs-and-initiatives/parenting-and-paternity-awareness-papa/papa-educators/papa-curriculum) (<https://www.texasattorneygeneral.gov/child-support/programs-and-initiatives/parenting-and-paternity-awareness-papa/papa-educators/papa-curriculum>). This program was developed by the Office of the Texas Attorney General and the State Board of Education (SBOE) to be incorporated into health education classes.

### **Consent to Video or Audio Record a Student when Not Already Permitted by Law**

State law permits the school to make a video or voice recording without parental permission when the recording is to be used for:

- School safety
- Classroom instruction or a cocurricular or extracurricular activity
- Media coverage of the school
- Promotion of student safety, as provided by law for a student receiving special education services in certain settings

In other circumstances, the district will seek written parental consent before making a video or voice recording of a student.

Please note that parents and visitors to a classroom, both virtual and in person, may not record video or audio or take photographs or other still images without permission from the teacher or other school official.

### **Prohibiting the Use of Corporal Punishment**

Corporal punishment — spanking or paddling a student — may be used as a discipline management technique in accordance with the Student Code of Conduct and district policy FO(LOCAL).

However, in accordance with law, the district may not administer corporal punishment if a student's parent submits a signed, written statement prohibiting its use.

A parent who does not want corporal punishment administered to their child must **submit a written statement to the campus principal stating this decision.** This signed statement must be submitted each school year. A parent may revoke this prohibition at any time during the school year by providing a signed statement to the campus principal.

#### **Note:**

- District personnel may use discipline methods other than corporal punishment if a parent requests that corporal punishment not be used.

## Santo Elementary Student Handbook

- If the district knows that a student is in temporary or permanent custody of the state (through foster care, kinship care, or other arrangements), corporal punishment will not be administered, even when the student's caregiver or caseworker has not submitted a signed statement prohibiting its use.

### Limiting Electronic Communications between Students and District Employees

The district permits teachers and other approved employees to use electronic communications with students within the scope of professional responsibilities, as described by district guidelines.

For example, a teacher may create a social networking page for his or her class to relay information regarding class work, homework, and tests. A parent is welcome to access such a page.

However, text messages sent to an individual student are only allowed if a district employee with responsibility for an extracurricular activity must communicate with the requirements and restrictions listed below:

\*\*\*An **elementary** employee will not text students. If there is a unique situation where texting is required (a camp, night function, etc.), the elementary employee should notify the campus principal and must include at least one of the student's parents or guardians as a recipient on each text message to the student.

The employee shall limit communications to matters within the scope of the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).

The employee is prohibited from knowingly communicating with students through a personal social network page; the employee must create a separate social network page ("professional page") for the purpose of communicating with students. The employee must enable administration and parents to access the employee's professional page.

The employee shall not communicate directly with any student between the hours of 11:00 p.m. and 6:00 a.m. An employee may, however, make public posts to a social network site, blog, or similar application at any time.

The employee does not have a right to privacy with respect to communications with students and parents.

A parent who does not want his or her child to receive one-to-one electronic communications from a district employee should contact the campus principal.

### Objecting to the Release of Directory Information

The Family Educational Rights and Privacy Act, or FERPA, permits the district to disclose appropriately designated "directory information" from a student's education records without written consent.

# Santo Elementary Student Handbook

“Directory information” is information that, if released, is generally not considered harmful or an invasion of privacy.

- A student’s photograph (for publication in the school yearbook)
- A student’s name and grade level (for communicating class and teacher assignments)
- The name, weight, and height of an athlete (for publication in a school athletic program)
- A list of student birthdays (for generating schoolwide or classroom recognition)
- A student’s name and photograph (posted on a district-approved and-managed social media platform)
- The names and grade levels of students submitted by the district to a local newspaper or other community publication (to recognize the A/B honor roll for a specific grading period)

Directory information will be released to anyone who follows procedures for requesting it.

However, a parent or eligible student may object to the release of this information. Any objection must be made in writing to the principal within 10 school days of the student’s first day of instruction for this school year. [See **Notice Regarding Directory Information and Parent’s Response Regarding Release of Student Information**, included in the forms packet.]

The district requests that families living in a shelter for survivors of family violence or trafficking notify district personnel that the student currently resides in such a shelter. Families may want to opt out of the release of directory information so that the district does not release any information that might reveal the location of such a shelter.

As allowed by state law, the district has identified two directory information lists — one for school-sponsored purposes and a second for all other requests. For district publications and announcements, the district has designated the following as directory information: student name, address, telephone listing, photograph, date of birth, honors and awards received, dates of attendance, grade level, most recent school previously attended, enrollment status, participation in officially recognized activities and sports, and weight and height of members of athletic teams. If a parent does not object to the use of his or her child’s information for these school-sponsored purposes, the school will not ask permission each time the district wants to use the information for these purposes.

For all other purposes, the district has identified the following as directory information: student name, address, and grade level. If a parent does not object to the use of the student’s information for these purposes, the school **must** release this information when requested by an outside entity or individual.

**Note:** Also see **Authorized Inspection and Use of Student Records**.

## Participation in Third-Party Surveys

### *Consent Required Before Student Participation in a Federally Funded Survey*

## Santo Elementary Student Handbook

The Protection of Pupil Rights Amendment (PPRA) provides parents certain rights regarding participation in surveys, the collection and use of information for marketing purposes, and certain physical exams.

A parent has the right to consent before a student is required to submit to a survey funded by the U.S. Department of Education that concerns any of the following protected areas:

- Political affiliations or beliefs of the student or the student's parent
- Mental or psychological problems of the student or the student's family
- Sex behavior or attitudes
- Illegal, antisocial, self-incriminating, or demeaning behavior
- Critical appraisals of individuals with whom the student has a close family relationship
- Legally recognized privileged relationships, such as with lawyers, doctors, and ministers
- Religious practices, affiliations, or beliefs of the student or parent
- Income, except when the information is required by law and will be used to determine the student's eligibility for a program

A parent may inspect the survey or other instrument and any corresponding instructional materials used in connection with such a survey. [See policy EF(LEGAL) for more information.]

### ***“Opting Out” of Participation in Other Types of Surveys or Screenings and the Disclosure of Personal Information***

The PPRA gives parents the right to receive notice and an opportunity to opt a student out of:

- Activities involving the collection, disclosure, or use of personal information gathered from the child for the purpose of marketing, selling, or otherwise disclosing that information to others
- Any nonemergency, invasive physical examination or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of the student

Exceptions are hearing, vision, or spinal screenings, or any physical examination or screening permitted or required under state law. [See policies EF and FFAA for more information.]

A parent may inspect:

- Protected information surveys of students and surveys created by a third party
- Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes
- Instructional material used as part of the educational curriculum

The ED provides extensive information about the [Protection of Pupil Rights Amendment](https://studentprivacy.ed.gov/resources/protection-pupil-rights-amendment-ppra-general-guidance) (<https://studentprivacy.ed.gov/resources/protection-pupil-rights-amendment-ppra-general-guidance>), including a [PPRA Complaint Form](https://studentprivacy.ed.gov/file-a-complaint) (<https://studentprivacy.ed.gov/file-a-complaint>).

# **Santo Elementary Student Handbook**

## **Removing a Student from Instruction or Excusing a Student from a Required Component of Instruction**

See **Consent to Instruction on Prevention of Child Abuse, Family Violence, Dating Violence, and Sex Trafficking** for information on a parent's right to remove a student from such instruction.

## **Reciting a Portion of the Declaration of Independence in Grades 3-5**

State law designates the week of September 17 as Celebrate Freedom Week and requires all social studies classes to provide the following:

- Instruction concerning the intent, meaning, and importance of the Declaration of Independence and the U.S. Constitution
- A specific recitation from the Declaration of Independence for students in grades 3-5

Per state law, a student may be excused from recitation of a portion of the Declaration of Independence if any of the following apply:

- A parent provides a written statement requesting that their child be excused
- The district determines that the student has a conscientious objection to the recitation
- A parent is a representative of a foreign government to whom the U.S. government extends diplomatic immunity

[See policy EHBK(LEGAL) for more information.]

## **Reciting the Pledges to the U.S. and Texas Flags**

A parent may request that their child be excused from participation in the daily recitation of the Pledge of Allegiance to the U.S. flag and the Pledge of Allegiance to the Texas flag. The request must be made in writing.

State law, however, requires that all students participate in one minute of silence following recitation of the pledges.

[See **Pledges of Allegiance and a Minute of Silence (Grades EE-5)** and policy EC(LEGAL) for more information.]

## **Religious or Moral Beliefs**

A parent may remove their child temporarily from the classroom if a scheduled instructional activity conflicts with the parent's religious or moral beliefs.

The removal may not be used to avoid a test and may not extend for an entire semester. The student must also satisfy grade-level and graduation requirements as determined by the school and by state law.

## **Tutoring or Test Preparation**

A teacher may determine that a student needs additional targeted assistance for the student to achieve mastery in state-developed essential knowledge and skills based on:

## **Santo Elementary Student Handbook**

- Informal observations
- Evaluative data such as grades earned on assignments or tests
- Results from diagnostic assessments

The school will always attempt to provide tutoring and strategies for test-taking in ways that prevent removal from other instruction as much as possible.

In accordance with state law and policy EC, districts must obtain parental permission before removing a student from a regularly scheduled class for remedial tutoring or test preparation for more than 10 percent of the days the class is offered.

If a district offers tutorial services to students, state law requires a student with a grade below 70 for a reporting period to attend.

[For questions about school-provided tutoring programs, contact the student's teacher and see policies EC and EHBC. See Error! Reference source not found. for information regarding required accelerated instruction after a student fails to perform satisfactorily on certain state-mandated tests.]

### **Right of Access to Student Records, Instructional Materials, and District Records/Policies**

#### **Parent Review of Instructional Materials**

A parent has the right to review teaching materials, textbooks, and other teaching aids and instructional materials used in the curriculum, and to examine tests that have been administered, whether instruction is delivered in-person, virtually, or remotely.

The district will make instructional materials available for parent review no later than 30 days before the school year begins and for at least 30 days after the school year ends. However, tests that have not yet been administered will not be made available for parent examination.

The district will provide login credentials to each student's parent for any learning management system or online learning portal used in instruction to facilitate parent access and review.

A parent is also entitled to request that the school allow the student to take home instructional materials the student uses. The school may ask the student to return the materials at the beginning of the next school day.

A school must provide printed versions of electronic instructional materials to a student if the student does not have reliable access to technology at home.

[For information about parental access to any online library catalog and library materials, see **Library (Grades EE-5).**]

# **Santo Elementary Student Handbook**

## **District Review of Instructional Materials**

A parent may request that the district conduct an instructional material review in a math, English Language Arts, science, or social studies class in which the parent's student is enrolled to determine alignment with state standards and the level of rigor for the grade level.

The district is not required to conduct an instructional material review for a specific subject area or grade level at a specific campus more than once per school year.

For more information about requesting an instructional material review, contact the campus principal.

## **Notices of Certain Student Misconduct to Noncustodial Parent**

A noncustodial parent may request in writing that the district provide for the remainder of the school year a copy of any written notice usually provided to a parent related to the child's misconduct that may involve placement in a disciplinary alternative education program (DAEP) or expulsion. [See the Student Code of Conduct and policy FO(LEGAL) for more information.]

## **Participation in Federally Required, State-Mandated, and District Assessments**

In accordance with the Every Student Succeeds Act (ESSA), a parent may request information regarding any federal, state, or district policy related to their child's participation in required assessments.

## **Student Records**

### ***Accessing Student Records***

A parent may review their child's records, including:

- Attendance records
- Test scores
- Grades
- Disciplinary records
- Counseling records
- Psychological records
- Applications for admission
- Health and immunization information
- Other medical records
- Reports of behavioral patterns
- Records relating to assistance provided for learning difficulties, including information collected regarding any intervention strategies used with the child, as the term "intervention strategy" is defined by law
- State assessment instruments that have been administered to the child
- Teaching materials and tests used in the child's classroom

### ***Authorized Inspection and Use of Student Records***

## Santo Elementary Student Handbook

The Family Educational Rights and Privacy Act (FERPA) affords parents and eligible students certain rights regarding student education records.

For purposes of student records, an “eligible” student is anyone age 18 or older or who attends a postsecondary educational institution. These rights, as discussed here and at **Objecting to the Release of Directory Information**, are the right to:

- Inspect and review student records within 45 days after the day the school receives a request for access
- Request an amendment to a student record the parent or eligible student believes is inaccurate, misleading, or otherwise in violation of FERPA
- Provide written consent before the school discloses personally identifiable information from the student’s records, except to the extent that FERPA authorizes disclosure without consent
- [File a complaint](https://studentprivacy.ed.gov/file-a-complaint) (<https://studentprivacy.ed.gov/file-a-complaint>) with the U.S. Department of Education concerning failures by the school to comply with FERPA requirements

Both FERPA and state laws safeguard student records from unauthorized inspection or use and provide parents and eligible students certain rights of privacy.

Before disclosing personally identifiable information from a student’s records, the district must verify the identity of the person, including a parent or the student, requesting the information.

Virtually all information about student performance, including grades, test results, and disciplinary records, is considered confidential educational records.

Inspection and release of student records is restricted to an eligible student or a student’s parent unless the school receives a copy of a court order terminating parental rights or the right to access a student’s education records. A parent’s rights regarding access to student records are not affected by the parent’s marital status.

Federal law requires that control of the records goes to the student as soon as the student meets at least one of the following criteria:

- Reaches the age of 18
- Is emancipated by a court
- Enrolls in a postsecondary educational institution

However, the parent may continue to have access to the records if the student is a dependent for tax purposes and, under limited circumstances, when there is a threat to the health and safety of the student or other individuals.

FERPA permits the disclosure of personally identifiable information from a student’s education records without written consent of the parent or eligible student when school officials have what federal law refers to as a “legitimate educational interest” in a student’s records.

Legitimate educational interest may include:

## Santo Elementary Student Handbook

- Working with the student
- Considering disciplinary or academic actions, the student's case, or an individualized education program for a student with disabilities
- Compiling statistical data
- Reviewing an educational record to fulfill the official's professional responsibility
- Investigating or evaluating programs

School officials may include:

- Board members and employees, such as the superintendent, administrators, and principals
- Teachers, school counselors, diagnosticians, and support staff (including district health or medical staff)
- A person or company with whom the district has contracted or allowed to provide a specific institutional service or function (such as an attorney, consultant, third-party vendor that offers online programs or software, auditor, medical consultant, therapist, school resource officer, or volunteer)
- A person appointed to serve on a team to support the district's safe and supportive school program
- A parent or student serving on a school committee
- A parent or student assisting a school official perform their duties

FERPA also permits the disclosure of personally identifiable information without written consent:

- To authorized representatives of various governmental agencies, including juvenile service providers, the U.S. Comptroller General's office, the U.S. Attorney General's office, the U.S. Secretary of Education, the Texas Education Agency, the U.S. Secretary of Agriculture's office, and Child Protective Services (CPS) caseworkers or, in certain cases, other child welfare representatives
- To individuals or entities granted access in response to a subpoena or court order
- To another school, district/system, or postsecondary educational institution to which a student seeks or intends to enroll or in which the student already is enrolled
- In connection with financial aid for which a student has applied or has received
- To accrediting organizations to carry out accrediting functions
- To organizations conducting studies for, or on behalf of, the school to develop, validate, or administer predictive tests; administer student aid programs; or improve instruction
- To appropriate officials in connection with a health or safety emergency
- When the district discloses directory information-designated details. [See **Objecting to the Release of Directory Information** to prohibit this disclosure.]

Release of personally identifiable information to any other person or agency — such as a prospective employer or for a scholarship application — will occur only with parental or student permission as appropriate.

## **Santo Elementary Student Handbook**

The campus principal is custodian of all records for currently enrolled students at the assigned school. The superintendent is the custodian of all records for students who have withdrawn or graduated.

A parent or eligible student who wants to inspect the student's records should submit a written request to the custodian of records identifying the records they want to inspect.

Records may be reviewed in person during regular school hours. The custodian of records or designee will be available to explain the record and to answer questions.

A parent or eligible student who submits a written request and pays copying costs of 10 cents per page may obtain copies. If circumstances prevent inspection during regular school hours and the student qualifies for free or reduced-price meals, the district will either provide a copy of the records requested or make other arrangements for the parent or student to review the records.

You may contact the custodian of records for currently enrolled students at:

Principal Haley Price  
PO Box 67 406 FM 2201  
Santo, TX 76472  
[hprice@santoisd.net](mailto:hprice@santoisd.net)  
940-769-3215

You may contact the custodian of records for students who have withdrawn or graduated at:

Superintendent Greg Gilbert  
PO Box 67 406 FM 2201  
Santo, TX 76472  
[ggilbert@santoisd.net](mailto:ggilbert@santoisd.net)

A parent or eligible student may inspect the student's records and request a correction or amendment if the records are considered inaccurate, misleading, or otherwise in violation of the student's privacy rights.

A request to correct a student's record should be submitted to the appropriate custodian of records. The request must clearly identify the part of the record that should be corrected and include an explanation of how the information is inaccurate. If the district denies the request to amend the records, the parent or eligible student has the right to request a hearing. If after the hearing the records are not amended, the parent or eligible student has 30 school days to place a statement in the student's record.

Although improperly recorded grades may be challenged, contesting a student's grade in a course or on an examination is handled through the complaint process found in policy FNG(LOCAL). A grade issued by a teacher can be changed only if the board of trustees determines that the grade is arbitrary, erroneous, or inconsistent with the district's grading guidelines.

# Santo Elementary Student Handbook

[See **Report Cards/Progress Reports and Conferences (Grades EE-5)**, **Complaints and Concerns (Grades EE-5)**, and **Finality of Grades** at policy FNG(LEGAL).]

The district's student records policy is found at policy FL(LEGAL) and (LOCAL) and is available at the principal's or superintendent's office or on the district's website at [www.santoisd.net/board](http://www.santoisd.net/board).

**Note:** The parent's or eligible student's right of access to and copies of student records does not extend to all records. Materials that are not considered educational records — such as a teacher's personal notes about a student shared only with a substitute teacher — do not have to be made available.

## Teacher and Staff Professional Qualifications

A parent may request information about the professional qualifications of their child's teachers, including whether the teacher:

- Has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction
- Has an emergency permit or other provisional status for which state requirements have been waived
- Is currently teaching in the field or discipline of their certification

The parent also has the right to request information about the qualifications of any paraprofessional who may provide services to the child.

## A Student with Exceptionalities or Special Circumstances

### Children of Military Families

[The Interstate Compact on Educational Opportunities for Military Children](https://www.dodea.edu/education/partnership-and-resources/military-interstate-compact) (<https://www.dodea.edu/education/partnership-and-resources/military-interstate-compact>) entitles children of military families to flexibility regarding certain district and state requirements, including:

- Immunization requirements
- Grade level, course, or educational program placement
- Eligibility requirements for participation in extracurricular activities
- Enrollment in the Texas Virtual School Network (TXVSN)
- Graduation requirements

The district will excuse absences related to a student visiting a parent, including a stepparent or legal guardian, who is:

- Called to active duty
- On leave
- Returning from a deployment of at least four months

## Santo Elementary Student Handbook

The district will permit **no more than five** excused absences per year for this purpose. For the absence to be excused, the absence must occur no earlier than the 60th day before deployment or no later than the 30th day after the parent's return from deployment.

Additional information may be found at [Military Family Resources at the Texas Education Agency](https://tea.texas.gov/about-tea/other-services/military-family-resources) (<https://tea.texas.gov/about-tea/other-services/military-family-resources>).

### Parental Role in Certain Classroom and School Assignments

#### ***Multiple-Birth Siblings***

State law permits a parent of multiple-birth siblings (for example, twins, triplets) assigned to the same grade and campus to request in writing that the children be placed in either the same classroom or separate classrooms.

Written requests must be submitted by the 14th day after the students' enrollment. [See policy FDB(LEGAL) for more information.]

#### ***Safety Transfers/Assignments***

The board or its designee will honor a parent's request to transfer their child to another classroom if the district has determined that the child has been a victim of bullying, including cyberbullying, as defined by Education Code 37.0832.

The board may transfer a student who has engaged in bullying to another classroom.

Transportation is not provided for a transfer to another campus. See the superintendent for more information.

[See **Bullying (Grades EE-5)**, and policies FDB and FFI for more information.]

The district will honor a parent's request for the transfer of their child to a safe public school in the district if the child attends a school identified by the Texas Education Agency as persistently dangerous or if the child has been a victim of a violent criminal offense while at school or on school grounds.

[See policy FDE for more information.]

The board will honor a parent's request for the transfer of their child a neighboring district if the child has been the victim of sexual assault by another student assigned to the same campus, whether the assault occurred on or off campus, and that student has been convicted of or placed on deferred adjudication for the assault. In accordance with policy FDE, if the victim does not wish to transfer, the board will transfer the assailant.

#### **Student Use of a Service/Assistance Animal**

A parent of a student who uses a service/assistance animal because of the student's disability must submit a written request to the principal before bringing the service/assistance animal on campus. The district will try to accommodate a request as soon as possible but will do so within 10 district business days.

# **Santo Elementary Student Handbook**

## **A Student in the Conservatorship of the State (Foster Care)**

In an effort to provide educational stability, the district will provide enrollment and registration assistance, as well as other educational services throughout the student's enrollment, to any student who is currently placed or newly placed in foster care (temporary or permanent custody of the state, sometimes referred to as substitute care).

A student in the conservatorship (custody) of the state who enrolls in the district after the beginning of the school year will be allowed credit-by-examination opportunities at any point during the year.

The district will assess the student's available records to determine transfer of credit for subjects and courses taken before the student's enrollment in the district.

The district will award partial course credit when the student only passes one half of a two-half course. [For provisions on partial course credit for students who are not in the conservatorship of the state, see EI(LOCAL).]

A student in the conservatorship of the state who is moved outside the district's or school's attendance boundaries — or who is initially placed in the conservatorship of the state and moved outside the district's or school's boundaries — is entitled to remain at the school the student was attending before the placement or move until the student reaches the highest grade level at that particular school.

If you have questions, please contact the district's foster care liaison:

## **A Student Who Is Homeless**

A parent is encouraged to inform the district if their child is experiencing homelessness. District staff can share resources that may be able to assist families.

A student who is homeless will be provided flexibility regarding certain district provisions, including:

- Proof of residency requirements
- Immunization requirements
- Educational program placement (if the student is unable to provide previous academic records or misses an application deadline during a period of homelessness)

## **Santo Elementary Student Handbook**

- Credit-by-examination opportunities at any point during the year (if the student enrolled in the district after the beginning of the school year), per State Board of Education (SBOE) rules
- Assessment of the student's available records to determine transfer of credit for subjects and courses taken before the student's enrollment in the district
- Awarding partial credit when a student passes only one half of a two-half course
- Eligibility requirements for participation in extracurricular activities
- Graduation requirements

Federal law allows a student who is homeless to remain enrolled in the "school of origin" or to enroll in a new school in the attendance area where the student is currently residing.

A student or parent who is dissatisfied by the district's eligibility, school selection, or enrollment decision may appeal through policy FNG(LOCAL). The district will expedite local timelines, when possible, for prompt dispute resolution.

### **A Student Who Has Learning Difficulties or Who Needs Special Education or Section 504 Services**

For those students who are having difficulty in the regular classroom, all school districts must consider tutorial, compensatory, and other academic or behavior support services that are available to all students, including a process based on Response to Intervention (RtI). The implementation of RtI has the potential to have a positive impact on the ability of districts to meet the needs of all struggling students.

If a student is experiencing learning difficulties, their parent may contact the individuals listed below to learn about the school's overall general education referral or screening system for support services.

This system links students to a variety of support options, including making a referral for a special education evaluation or for a Section 504 evaluation to determine whether the student needs specific aids, accommodations, or services. A parent may request an evaluation for special education or Section 504 services at any time.

### ***Special Education Referrals***

## Santo Elementary Student Handbook

If a parent makes a written request for an initial evaluation for special education services to the director of special education services or to a district administrative employee of the school district, the district must respond no later than 15 school days after receiving the request. At that time, the district must give the parent prior written notice of whether it agrees or refuses to evaluate the student, along with a copy of the [Notice of Procedural Safeguards](https://fw.escapps.net/Display_Portal/publications) ([https://fw.escapps.net/Display\\_Portal/publications](https://fw.escapps.net/Display_Portal/publications)). If the district agrees to evaluate the student, it must also give the parent the opportunity to give written consent for the evaluation.

**Note:** A request for a special education evaluation may be made verbally; it does not need to be made in writing. Districts must still comply with all federal prior-written notices and procedural safeguard requirements as well as the requirements for identifying, locating, and evaluating children who are suspected of having a disability and in need of special education. However, a verbal request does not require the district to respond within the 15 school-day timeline.

If the district decides to evaluate the student, it must complete the student's initial evaluation and evaluation report no later than 45 school days from the day it receives a parent's written consent. However, if the student is absent from school during the evaluation period for three or more school days, the evaluation period will be extended by the number of school days equal to the number of school days that the student is absent.

There is an exception to the 45-school-day timeline. If the district receives a parent's consent for the initial evaluation at least 35 but less than 45 school days before the last instructional day of the school year, it must complete the written report and provide a copy of the report to the parent by June 30 of that year. However, if the student is absent from school for three or more days during the evaluation period, the June 30 due date no longer applies. Instead, the general timeline of 45 school days plus extensions for absences of three or more days will apply.

Upon completing the evaluation, the district must give the parent a copy of the evaluation report at no cost.

Additional information about special education is available from the school district in a companion document titled [Parent's Guide to the Admission, Review, and Dismissal Process](https://fw.escapps.net/Display_Portal/publications) ([https://fw.escapps.net/Display\\_Portal/publications](https://fw.escapps.net/Display_Portal/publications)).

### ***Section 504 Referrals***

Each school district must have standards and procedures in place for the evaluation and placement of students in the district's Section 504 program. Districts must also implement a system of procedural safeguards that includes:

- Notice
- An opportunity for a parent or guardian to examine relevant records
- An impartial hearing with an opportunity for participation by the parent or guardian and representation by counsel
- A review procedure

## ***Notification to Parents of Intervention Strategies for Learning Difficulties Provided to Students in General Education***

In accordance with state law, the district will annually notify parents if their child receives assistance for learning difficulties. Details of such assistance can include intervention strategies. This notice is not intended for those students already enrolled in a special education program.

## **A Student Who Receives Special Education Services with Other School-Aged Children in the Home**

If a student is receiving special education services at a campus outside their attendance zone, state law permits the parent or guardian to request that other students residing in the household be transferred to the same campus if the grade level for the transferring student is offered on that campus.

The student receiving special education services is entitled to transportation; however, the district is not required to provide transportation to other children in the household.

The parent or guardian should contact the school principal regarding transportation needs before requesting a transfer for other children in the home. [See policy FDB(LOCAL) for more information.]

## **A Student Who Speaks a Primary Language Other than English**

A student may be eligible to receive specialized support if their primary language is not English and the student has difficulty performing ordinary class work in English.

If the student qualifies for these services, the Language Proficiency Assessment Committee (LPAC) will determine the types of services the student needs, including accommodations or modifications related to classroom instruction, local assessments, and state-mandated assessments.

[See **Emergent Bilingual Students (Grades EE-5)** and **Special Programs (Grades EE-5)**.]

## **A Student with Physical or Mental Impairments Protected under Section 504**

A student with a physical or mental impairment that substantially limits a major life activity, as defined by law — and who does not otherwise qualify for special education services — may qualify for protections under Section 504 of the Rehabilitation Act.

Section 504 is a federal law designed to prohibit discrimination against individuals with disabilities.

When an evaluation is requested, a committee will be formed to determine whether the student needs services and supports under Section 504 in order to receive a free appropriate public education (FAPE), as defined in federal law.

[See **A Student Who Has Learning Difficulties or Who Needs Special Education or Section 504 Services** and policy FB for more information.]

## Section Two: Other Important Information for Parents and Students

This section contains important information on academics, school activities, and school operations and requirements.

It is organized alphabetically to serve as a quick-reference guide. Where applicable, the topics are further organized by grade level.

Parents and children should take a moment together to become familiar with the issues addressed in this section. For guidance on a particular topic, please contact the campus principal.

### **Absences/Attendance**

Regular school attendance is essential. Absences from class may result in serious disruption of a student's education. The student and parent should avoid unnecessary absences.

Two important state laws are discussed below — one dealing with compulsory attendance and the other with how attendance affects the award of a student's final grade or course credit.

### **Compulsory Attendance**

#### ***Prekindergarten and Kindergarten***

**Students enrolled in prekindergarten or kindergarten are required to attend school and are subject to the compulsory attendance requirements as long as they remain enrolled.**

#### ***Ages 6-13***

State law requires that a student who is at least six years of age, or who is younger than six years of age and has previously been enrolled in first grade, and who has not yet reached their 19th birthday, shall attend school, as well as any applicable accelerated instruction program, extended-year program, or tutorial session, unless the student is otherwise excused from attendance or legally exempt.

State law requires a student in kindergarten-grade 2 to attend any assigned accelerated reading instruction program. Parents will be notified in writing if their child is assigned to an accelerated reading instruction program based on a diagnostic reading instrument.

A student will be required to attend any assigned accelerated instruction program before or after school or during the summer if the student does not meet the passing standards on an applicable subject area state assessment.

### **Compulsory Attendance — Exemptions**

#### ***Grades PK-5***

State law allows exemptions to the compulsory attendance requirements, as long as the student makes up all work, for the following activities and events:

- Religious holy days

## Santo Elementary Student Handbook

- Required court appearances
- Appearing at a governmental office to obtain U.S. citizenship
- Taking part in a US naturalization oath ceremony
- Health-care appointments for the student or a child of the student, including absences related to autism services
- Absences resulting from a serious or life-threatening illness or related treatment that makes a student's attendance infeasible, with certification by a physician
- For students in the conservatorship of the state:
  - An activity required under a court-ordered service plan
  - Any other court-ordered activity, provided it is not practicable to schedule the student's participation in the activity outside of school hours

For children of military families, absences of up to five days will be excused for a student to visit a parent, stepparent, or legal guardian going to, on leave from, or returning from certain deployments. [See **Children of Military Families**.]

Note that documented health-care appointments may include telehealth appointments. Students who are physically on campus will not be allowed to participate in telehealth or other online appointments without specific authorization from an appropriate administrator. Students should not use district-issued technology, including wifi or internet, for telehealth appointments because use of district-owned equipment and its network systems is not private and may be monitored by the district. For more information, see **Telecommunications and Other Electronic Devices (Grades EE-5)**.

### **Compulsory Attendance — Failure to Comply**

#### ***Grades PK-5***

School employees must investigate and report violations of the compulsory attendance law.

A student who is absent without permission from school, any class, any required special program, or any required tutorial will be considered in violation of the compulsory attendance law and subject to disciplinary action.

#### ***Students with Disabilities***

If a student with a disability is experiencing attendance issues, the student's ARD or Section 504 committee will determine whether the attendance issues warrant an evaluation, a reevaluation, and/or modifications to the student's individualized education program or Section 504 plan, as appropriate.

#### ***Ages 6-13***

When a student age 6-13 three or more unexcused absences within a four-week period, the law requires the school to send notice to the parent.

The notice will:

## Santo Elementary Student Handbook

- Remind the parent of their duty to monitor the student's attendance and require the student to attend school
- Request a conference between school administrators and the parent
- Inform the parent that the district will initiate truancy prevention measures, including a behavior improvement plan, school-based community service, referrals to counseling or other social services, or other appropriate measures

The truancy prevention facilitator for the district is:

Principal Haley Price  
PO Box 67 406 FM 2201  
Santo, TX 76472  
[hprice@santoisd.net](mailto:hprice@santoisd.net)  
940-769-3215

For any questions about student absences, parents should contact the facilitator or any other campus administrator.

A court of law may impose penalties against the parent if a school-aged student is deliberately not attending school. The district may file a complaint against the parent if the student incurs 10 or more unexcused absences within a six-month period in the same school year.

[See policies FEA(LEGAL) and FED(LEGAL) for more information.]

### Attendance for Credit or Final Grade (Grades EE-5)

To receive credit or a final grade in a class, a student must attend the class at least 90 percent of the days it is offered. A student who attends at least 75 percent but fewer than 90 percent of the days may receive credit or a final grade if they complete a plan, approved by the principal, that allows the student to fulfill the class's instructional requirements. If a student is involved in a criminal or juvenile court proceeding, the judge presiding over the case must also approve the plan before the student receives credit or a final grade.

If a student attends fewer than 75 percent of the class days or does not complete the principal-approved plan, then the attendance review committee will determine whether there are extenuating circumstances for the absences and how the student can regain credit or a final grade. [See policy FEC for more information.]

Except for absences due to serious or life-threatening illness or related treatment, all absences, excused or unexcused, may be held against a student's attendance requirement. To determine whether there were extenuating circumstances for any absences, the attendance committee will consider:

- Whether the student has mastered the essential knowledge and skills and maintained passing grades in the course or subject.
- Whether the student has completed makeup work satisfactorily. If the student completes makeup work, absences listed under **Compulsory Attendance** and absences for extracurricular activities will be considered extenuating circumstances.

## Santo Elementary Student Handbook

- Whether the student or the student's parent had any control over the absences.
- Any information presented by the student or parent to the committee about the absences.

The student or parent may appeal the committee's decision to the board by following policy FNG(LOCAL).

### Official Attendance-Taking Time (Grades EE-5)

The district will take official attendance every day at 9:30 AM.

A student absent for any portion of the day, should follow the procedures below to provide documentation of the absence.

### Documentation after an Absence (Grades EE-5)

1. In those rare circumstances when a student must be absent from school, the student—upon returning to school—must bring a note signed by the parent that describes the reason for the absence. Parents should call the school secretary to relay information about a student's absence.
2. Within 3 days of returning to school, a student absent for personal illness must bring a statement from a doctor or health clinic verifying the illness or condition that cause the absence. Otherwise, the absence may be considered unexcused and in violation of compulsory attendance laws.
3. A student absent for any reason should promptly make up specific assignments missed and/or complete additional in-depth study assigned by the teacher. A student who does not make up assigned work within the time allotted by the teacher will receive a grade penalty for the assignment.
4. Students who are consistently tardy to class will receive disciplinary action which may include study hall.
4. Absences of more than 3 consecutive days will require a doctor or "official" statement.
5. Parents/Guardians will receive periodic written communication indicating the number of student absences. Excessive absences will receive a warning letter and may be referred to proper agencies for violation of the Compulsory Attendance Law.
6. The attendance committee has determined that all students with excessive absences must provide a doctor's note for *any* absences exceeding 10, for the absence to be excused. In addition, all make-up work will be completed in Study Hall, so that students will not fall behind and can have assistance with concepts missed due to the absence.

### Accountability under State and Federal Law (Grades EE-5)

Santo ISD and each of its campuses are held to certain standards of accountability under state and federal law. A key component of accountability is the dissemination and publication of certain reports and information, including:

## Santo Elementary Student Handbook

- The Texas Academic Performance Report (TAPR) for the district, compiled by the Texas Education Agency (TEA), based on academic factors and ratings
- A School Report Card (SRC) for each campus in the district, compiled by TEA
- The district's financial management report, which includes the financial accountability rating assigned to the district by TEA
- Information compiled by TEA for the submission of a federal report card that is required by federal law

Accountability information can be found on the district's website at [www.santoisd.net](http://www.santoisd.net). Hard copies of any reports are available upon request to the district's administration office.

TEA maintains additional accountability and accreditation information at [TEA Performance Reporting Division](https://tea.texas.gov/texas-schools/accountability/academic-accountability/performance-reporting) (<https://tea.texas.gov/texas-schools/accountability/academic-accountability/performance-reporting>).

### **Bullying (Grades EE-5)**

The district strives to prevent bullying, in accordance with the district's policies, by promoting a positive school culture; building healthy relationships between students and staff; encouraging reporting of bullying incidents, including anonymous reporting; and investigating and addressing reported bullying incidents.

Bullying is defined in state law as a single significant act or a pattern of acts by one or more students directed at another student that exploits an imbalance of power and involves engaging in written or verbal expression, expression through electronic means, or physical conduct that:

- Has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property
- Is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student
- Materially and substantially disrupts the educational process or the orderly operation of a classroom or school
- Infringes on the rights of the victim at school

Bullying includes cyberbullying. Cyberbullying is defined in state law as bullying that is done using any electronic communication device, including:

- A cellular or other type of telephone
- A computer
- A camera
- Electronic mail
- Instant messaging
- Text messaging
- A social media application
- An internet website

## Santo Elementary Student Handbook

- Any other internet-based communication tool

Bullying is prohibited by the district and could include:

- Hazing
- Threats
- Taunting
- Teasing
- Confinement
- Assault
- Demands for money
- Destruction of property
- Theft of valued possessions
- Name-calling
- Rumor-spreading
- Ostracism

The district will integrate into instruction research-based content designed to reduce bullying that is appropriate for students' age groups.

Students in elementary grades will participate in:

- Instruction designed so that students can recognize bullying behaviors and how to report them
- Age-appropriate discussions that encourage peers to intervene when they observe bullying occur
- Instruction that characterizes bullying as a behavior that results from the student's need to acquire more mature social or coping skills, not an unchangeable trait

The district will use an age-appropriate survey about school culture that includes relevant questions on bullying to identify and address student concerns.

Each campus has a committee that addresses bullying by focusing on prevention efforts and health and wellness initiatives. The committee will include parents and secondary students. For more information on this committee, including interest in serving on the committee, contact the campus principal.

If a student believes that they have experienced bullying or witnessed the bullying of another student, the student or parent should notify a teacher, school counselor, principal, or another district employee as soon as possible. Any district employee aware of a report of a bullying incident will relay the report to an appropriate administrator. Procedures for reporting allegations of bullying may be found on the district's website.

A student may anonymously report an alleged incident of bullying (or other issues related to student health and safety) by using the "Stop It" reporting button on the district's homepage.

## Santo Elementary Student Handbook

The administration will investigate any allegations of bullying and related misconduct. The district will also provide notice to the parent of the alleged victim and the parent of the student alleged to have engaged in bullying.

If an investigation determines that bullying occurred, the administration will take appropriate disciplinary action and may, in certain circumstances, notify law enforcement. Disciplinary or other action may be taken even if the conduct did not meet the definition of bullying.

The district will provide research-based interventions, which may include counseling options, for students who engage in bullying behaviors, students who are targeted by bullying behaviors, and any student who witnessed bullying behaviors.

Any action taken in response to bullying will comply with state and federal law regarding students with disabilities.

Any retaliation against a student who reports an incident of bullying is prohibited.

Upon recommendation of the administration, the board may transfer a student found to have engaged in bullying to another classroom at the campus. In consultation with the student's parent, the board may transfer the student to another campus in the district.

The parent of a student who has been determined to be a victim of bullying may request that the student be transferred to another classroom or campus within the district. [See **Safety Transfers/Assignments**]

A copy of the district's bullying policy is available in the principal's office, superintendent's office, and on the district's website, and is included at the end of this handbook as an appendix.

A student or parent who is dissatisfied with the outcome of an investigation may appeal through policy FNG(LOCAL).

### **Celebrations (Grades EE-5)**

Although a parent or grandparent may provide food to share for a school-designated function or for a student's birthday, please be aware that children in the school may have severe allergies to certain food products. Discuss any classroom allergies with the teacher before bringing food to share.

Occasionally, the school or a class may host functions or celebrations tied to the curriculum that involve food. The school or teacher will notify students and parents of any known food allergies when soliciting potential volunteers to provide food.

### **Reporting and Responding to Child Abuse, Neglect, Trafficking, and Other Maltreatment of Children**

A child who has experienced any type of abuse or neglect should be encouraged to seek out a parent or trusted adult. Children may be reluctant to disclose abuse and may only disclose sexual abuse indirectly. As a parent or trusted adult, it is important to be calm and comforting if your child or another child confides in you. Reassure the child that they did the right thing by telling you.

If your child is a victim of abuse, neglect, trafficking, or other maltreatment, the school counselor or principal will provide information on counseling options for you and your child available in your area. DFPS also manages early intervention counseling programs.

To find out what services may be available in your county, see [Texas Department of Family and Protective Services, Programs Available in Your County](http://www.dfps.state.tx.us/Prevention%20and%20Early%20Intervention/Programs%20Available%20In%20Your%20County/default.asp) (<http://www.dfps.state.tx.us/Prevention and Early Intervention/Programs Available In Your County/default.asp>).

Reports of abuse, trafficking, or neglect may be made to the CPS division of the DFPS at 1 800-252-5400 or on the web at [Texas Abuse Hotline Website](http://www.txabusehotline.org) ([www.txabusehotline.org](http://www.txabusehotline.org)).

### Communications (Grades EE-5)

#### Parent Contact Information

A parent is legally required to provide in writing the parent's contact information, including address, phone number, and email address.

A parent must provide the contact information to the district upon enrollment and again within two weeks after the beginning of each following school year while the student is enrolled in the district.

If the parent's contact information changes during the school year, the parent must update the information in writing no more than two weeks after the date the information changes.

A parent may update contact information by emailing Elementary Secretary Lacy Hall at [lhall@santoisd.net](mailto:lhall@santoisd.net) or PEIMS Coordinator Christy Taliaferro at [ctalia@santoisd.net](mailto:ctalia@santoisd.net) or calling 940-769-3215.

#### Automated Emergency Communications

The district will rely on contact information on file with the district to communicate with parents in an emergency situation, which may include real-time or automated messages. An emergency situation may include early dismissal, delayed opening, or restricted access to the campus due to severe weather, another emergency, or a security threat. **It is crucial to notify your child's school when a phone number changes.**

Santo ISD's automated emergency communication system sends an email, phone call, and SMS text to the student's primary contact in our Student Information System (SIS). Please be sure the primary contact for your student has all 3 in our system—email, phone number, and cell phone (for text)—if possible. We cannot send alerts to multiple contacts.

[See **Safety (Grades EE-5)** for information about contact with parents during an emergency situation.]

# **Santo Elementary Student Handbook**

## **Automated Nonemergency Communications**

Your child's school periodically sends information by automated or pre-recorded messages, text messages, or real-time phone or email communications that are closely related to the school's mission and specific to your child, your child's school, or the district.

Standard messaging rates of your wireless phone carrier may apply.

Santo ISD's automated communication system sends an email, phone call, and SMS text to the student's primary contact in our Student Information System (SIS). Please be sure the primary contact for your student has all 3 in our system—email, phone number, and cell phone (for text)—if possible. We cannot send alerts to multiple contacts.

If you are not receiving alerts, please text "Yes" to 67587 on your cellphone to opt-in.

If you do not wish to receive such communications, please contact the superintendent's office. [See **Safety (Grades EE-5)** for information about contact with parents during an emergency.]

## **Complaints and Concerns (Grades EE-5)**

Usually, student or parent complaints or concerns can be addressed informally by a phone call or a conference with the teacher or principal.

For those complaints and concerns that cannot be resolved informally, the board has adopted a Student and Parent Complaints/Grievances policy at FNG(LOCAL). This policy can be viewed in the district's policy manual, available online at [www.santoisd.net/board](http://www.santoisd.net/board). The complaint forms can be accessed at the superintendent's office.

To file a formal complaint a parent or student should complete and submit the complaint form. In general, the written complaint form should be completed and submitted to the campus principal in a timely manner.

If the concern is not resolved, a parent or student may request a conference with the superintendent.

If the concern is still unresolved, the district provides a process for parents and students to appeal to the board of trustees.

## **Conduct (Grades EE-5)**

### **Applicability of School Rules**

The board has adopted a Student Code of Conduct that defines standards of acceptable behavior — on and off campus, during remote and in-person instruction, and on district vehicles — and outlines consequences for violation of these standards. The district has disciplinary authority over a student in accordance with the Student Code of Conduct. Students and parents should be familiar with the standards set out in the Student Code of Conduct, as well as campus and classroom rules.

# **Santo Elementary Student Handbook**

During summer instruction, the Student Handbook and Student Code of Conduct in place for the school year immediately before the summer period apply, unless the district amends either or both documents for summer instruction.

## **Campus Behavior Coordinator**

Each campus has a campus behavior coordinator to apply discipline management techniques and administer consequences for certain student misconduct, as well as provide a point of contact for student misconduct. The contact information for each campus behavior coordinator is available on the district's website at [www.santoisd.net](http://www.santoisd.net) and the coordinator for this campus is listed below:

Principal Haley Price  
PO Box 67 406 FM 2201  
Santo, TX 76472  
[hprice@santoisd.net](mailto:hprice@santoisd.net)  
940-769-3215

## **Deliveries**

Except in emergencies, delivery of messages or packages to students will not be allowed during instructional time. A parent may leave a message or a package, such as a forgotten lunch, for the student to pick up from the front office during a passing period or lunch.

## **Disruption of School Operations**

Disruption of school operations is not tolerated and may constitute a misdemeanor offense. As identified by state law, disruptions include the following:

- Interference with the movement of people at an exit, entrance, or hallway of a district building without authorization from an administrator
- Interference with an authorized activity by seizing control of all or part of a building
- Use of force, violence, or threats in an attempt to prevent participation in an authorized assembly
- Use of force, violence, or threats to cause disruption during an assembly
- Interference with the movement of people at an exit or an entrance to district property
- Use of force, violence, or threats in an attempt to prevent people from entering or leaving district property without authorization from an administrator

Disruption of classes or other school activities while on or within 500 feet of district property includes:

- Making loud noises
- Trying to entice a student away from, or to prevent a student from attending, a required class or activity
- Entering a classroom without authorization and disrupting the activity with loud or profane language or any misconduct

# **Santo Elementary Student Handbook**

Interference with the transportation of students in vehicles owned or operated by the district is also considered a disruption.

## **Social Events**

School rules apply to all school social events. Guests attending these events are expected to observe the same rules as students, and a student inviting a guest will share responsibility for the conduct of the guest.

A student attending a social event will be asked to sign out when leaving before the end of the event and will not be readmitted.

A parent interested in serving as a chaperone for any school social events should contact the campus principal.

## **Counseling**

The district has a comprehensive school counseling program that includes:

- A guidance curriculum to help students develop their full educational potential, including the student's interests and career objectives
- A responsive services component to intervene on behalf of any student whose immediate personal concerns or problems put the student's continued educational, career, personal, or social development at risk
- An individual planning system to guide a student as the student plans, monitors, and manages the student's own educational, career, personal, and social development
- Systems to support the efforts of teachers, staff, parents, and other members of the community in promoting the educational, career, personal, and social development of students

The district will make a preview of the program, including all materials and curriculum, available to parents to review during school hours.

## **Academic Counseling**

### ***Elementary Level***

The school counselor will provide information to students and parents about college and university admissions and the importance of planning for postsecondary education, including appropriate coursework and financial aid availability and requirements.

[See Error! Reference source not found. for more information.]

### **Personal Counseling (Grades EE-5)**

The school counselor is available to assist students with a wide range of personal, social, and family concerns, including emotional or mental health issues and substance abuse. A student who wishes to meet with the school counselor should make an appointment or tell the teacher.

## **Santo Elementary Student Handbook**

As a parent, if you are concerned about your child's mental or emotional health, please speak with the school counselor for a list of resources that may be of assistance.

If your child has experienced trauma, contact the school counselor for more information.

[See **Mental Health Support (Grades EE-5)**, **Child Sexual Abuse, Neglect, Trafficking, and Other Maltreatment of Children (Grades EE-5)**, and **Dating Violence**.]

### **Credit by Examination for Advancement/Acceleration—If a Student Has Not Taken the Course/Subject**

#### **Kindergarten Acceleration**

In accordance with State Board rules, the Board shall approve procedures developed by the Superintendent or designee to allow a child who is five years old at the beginning of the school year to be assigned initially to grade 1 rather than kindergarten. Criteria for acceleration may include:

1. Scores on readiness tests or achievement tests that may be administered by appropriate District personnel.
2. Recommendation of the kindergarten or preschool the student has attended.
3. Chronological age and observed social and emotional development of the student.
4. Other criteria deemed appropriate by the principal and Superintendent.

[See EHDC(LOCAL) for more information]

#### **Students in Grades 1-5**

A student in elementary school is eligible to accelerate to the next grade level if the student meets all of the following requirements:

- The student scores at least an 80 on each examination in the subject areas of language arts, mathematics, science, and social studies
- A district administrator recommends that the student be accelerated
- The student's parent gives written approval of the grade advancement

#### **Dating Violence, Discrimination, Harassment, and Retaliation (Grades EE-5)**

Students learn best, and their welfare is best served, in a school environment that is free from dating violence, discrimination, harassment, and retaliation.

Students are expected to treat peers and district employees with courtesy and respect, avoid offensive behaviors, and stop those behaviors as directed. District employees are likewise expected to treat students with courtesy and respect.

The board has established policies and procedures to prohibit and promptly address inappropriate and offensive behaviors that are based on a person's race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law. A copy of the

district's policy is available in the principal's office and in the superintendent's office or on the district's website at [www.santoisd.net/board](http://www.santoisd.net/board) [See the FFH series of policies for more information.]

### Dating Violence

Dating violence will not be tolerated at school. To report dating violence, see **Reporting Procedures**.

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other person in the relationship or any of the person's past or subsequent partners. This type of conduct is considered harassment if it is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; or substantially interferes with the student's academic performance.

Examples of dating violence against a student may include, but are not limited to:

- Physical or sexual assaults
- Name-calling
- Put-downs
- Threats to hurt the student, the student's family members, or members of the student's household
- Destroying property belonging to the student
- Threats to commit suicide or homicide if the student ends the relationship
- Threats to harm a student's past or current dating partner
- Attempts to isolate the student from friends and family
- Stalking
- Encouraging others to engage in these behaviors

In accordance with law, when the district receives a report of dating violence, a district official will immediately notify the parent of the alleged victim and alleged perpetrator.

The counselor's office has information about the dangers of dating violence and resources for seeking help.

For more information on dating violence, see:

# **Santo Elementary Student Handbook**

## **Discrimination**

Discrimination is defined as any conduct directed at a student on the basis of race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law that negatively affects the student.

## **Harassment**

Harassment, in general terms, is conduct so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; or substantially interferes with the student's academic performance.

Examples of harassment may include, but are not limited to:

- Offensive or derogatory language directed at a person's religious beliefs or practices, accent, skin color, or need for accommodation
- Threatening, intimidating, or humiliating conduct
- Offensive jokes, name-calling, slurs, or rumors
- Physical aggression or assault
- Graffiti or printed material promoting racial, ethnic, or other negative stereotypes
- Other kinds of aggressive conduct such as theft or damage to property

## **Sexual Harassment and Gender-Based Harassment**

Sexual harassment and gender-based harassment of a student by an employee, volunteer, or another student are prohibited.

Examples of sexual harassment may include, but are not limited to:

- Touching private body parts or coercing physical contact that is sexual in nature
- Sexual advances
- Jokes or conversations of a sexual nature
- Other sexually motivated conduct, communications, or contact

Sexual harassment of a student by an employee or volunteer does not include necessary or permissible physical contact that a reasonable person would not construe as sexual in nature, such as comforting a child with a hug or taking the child's hand. However, romantic, sexual, and other inappropriate social relationships between students and district employees are prohibited, even if consensual.

Gender-based harassment includes physical, verbal, or nonverbal conduct based on a student's gender, the student's expression of characteristics perceived as stereotypical for the student's gender, or the student's failure to conform to stereotypical notions of masculinity or femininity.

Gender-based harassment can occur regardless of the student's or the harasser's actual or perceived sexual orientation or gender identity. Examples of gender-based harassment directed against a student may include, but are not limited to:

## **Santo Elementary Student Handbook**

- Offensive jokes, name-calling, slurs, or rumors
- Physical aggression or assault
- Threatening or intimidating conduct
- Other kinds of aggressive conduct such as theft or damage to property

### **Retaliation**

Retaliation against a person who makes a report or participates in an investigation of discrimination, harassment, or dating violence is prohibited.

### **Reporting Procedures**

Any student who believes that they have experienced dating violence, discrimination, harassment, or retaliation should immediately report the problem to a teacher, school counselor, principal, or other district employee. The report may be made by the student's parent. [See the FFH series of policies and FFH(EXHIBIT) for other appropriate district officials to whom to make a report.]

Upon receiving a report, the district will determine whether the allegations, if proven, constitute prohibited conduct as defined by the FFH series of policies. If not, the district will refer to policy FFI to determine whether the allegations, if proven, constitute bullying, as defined by law and policy FFI. If the alleged prohibited conduct also meets the statutory and policy definitions for bullying, an investigation of bullying will also be conducted. [See **Bullying (Grades EE-5)**]

The district will promptly notify the parent of any student alleged to have experienced prohibited conduct involving an adult associated with the district. In the event alleged prohibited conduct involves another student, the district will notify the parent of the student alleged to have experienced the prohibited conduct when the allegations, if proven, would constitute a violation as defined by the FFH series of policies.

### **Investigation of Report**

Allegations of prohibited conduct, which includes dating violence, discrimination, harassment, and retaliation, will be promptly investigated.

To the extent possible, the district will respect the privacy of the student. However, limited disclosures may be necessary to conduct a thorough investigation and comply with law.

If a law enforcement or other regulatory agency notifies the district that it is investigating the matter and requests that the district delay its investigation, the district will resume its investigation at the conclusion of the agency's investigation.

During an investigation and when appropriate, the district will take interim action to address the alleged prohibited conduct.

If the district's investigation indicates that prohibited conduct occurred, appropriate disciplinary action and, in some cases, corrective action will be taken to address the conduct. The district may take disciplinary and corrective action even if the conduct was not unlawful.

## **Santo Elementary Student Handbook**

All involved parties will be notified of the outcome of the district investigation within the parameters and limits allowed under the Family Educational Rights and Privacy Act (FERPA).

A student or parent who is dissatisfied with the outcome of the investigation may appeal in accordance with policy FNG(LOCAL).

### **Discrimination**

All nonschool materials distributed under these circumstances must be removed from district property immediately following the event at which the materials are distributed.

### Electronic Devices and Technology Resources (Grades EE-5)

#### Safe Use of Technology

The district is committed to ensuring that students use technology safely and will follow all federal and state requirements to protect students from excessive data collection or materials that are considered harmful to minors. The district considers parents as partners in cybersecurity and online safety.

In accordance with state and federal law, the district will:

- Install a filter that blocks and prohibits pornographic or obscene materials or applications, including from unsolicited pop-ups, installations, and downloads, before transferring an electronic device to a student to be used for an educational purpose
- Block or filter students' internet access to pictures that are obscene, contain child pornography, or have been determined to be harmful to minors in accordance with the Children's Internet Protection Act (CIPA)

## Santo Elementary Student Handbook

- Require direct and informed parental consent for a student's use of software, other than software excluded from the consent requirement by law [See **Required State Assessments** and Error! Reference source not found..]
- Require direct and informed parental consent for a student's use of software that conducts mental health assessments or other assessments unrelated to education curricula that are intended to collect information about students [See **Consent to Conduct a Psychological Evaluation.**]

If you want to know more about partnering with the district regarding cybersecurity and online safety, or if you have complaints or concern about student use of electronic devices, please contact the campus principal.

[See **Textbooks, Electronic Textbooks, Technological Equipment, and Other Instructional Materials (Grades EE-5).**]

### **Possession and Use of Personal Telecommunications Devices, Including Cell Phones, and Other Electronic Devices**

The district permits students to possess personal cell phones/smart watches for safety purposes; however, these devices must remain turned off and in the student's locker during the instructional day, including during all testing, unless they are being used for approved instructional purposes. [See **Textbooks, Electronic Textbooks, Technological Equipment, and Other Instructional Materials (Grades EE-5)** for graphing calculator applications on computing devices.]

A student must have approval to possess other personal telecommunications devices on campus such as laptops, smart watch, tablets, or other portable computers.

Without such permission, teachers will collect the items and turn them in to the principal's office. The principal will determine whether to return items to students at the end of the day or to contact parents to pick up the items.

The use of cell phones or any device capable of capturing images is strictly prohibited in locker rooms or restroom areas while at school or at a school-related or school-sponsored event.

If a student uses a telecommunications device without authorization during the school day (7:30-3:25), the device will be confiscated.

The student/parent may pick up the confiscated telecommunications device from the principal's office for a fee of \$15.

Confiscated telecommunications devices that are not retrieved by the student or the student's parent will be disposed of after the notice required by law. [See policy FNCE for more information.]

In limited circumstances and in accordance with law, a student's personal telecommunications device may be searched by authorized personnel. [See **Searches and Investigations** and policy FNF for more information.]

# **Santo Elementary Student Handbook**

Any disciplinary action will be in accordance with the Student Code of Conduct. The district is not responsible for damaged, lost, or stolen telecommunications devices.

## **Acceptable Use of District Technology Resources**

District-owned technology resources may be issued to individual students for instructional purposes. Use of the district's network systems and equipment is restricted to approved purposes only. Students and parents will be asked to sign a user agreement (separate from this handbook) regarding use of these district resources. Violations of the user agreement may result in withdrawal of privileges and other disciplinary action.

## **Unacceptable and Inappropriate Use of Technology Resources**

Students are prohibited from possessing, sending, forwarding, posting, accessing, or displaying electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal. This prohibition also applies to conduct off school property, whether on district-owned or personally owned equipment, if it results in a substantial disruption to the educational environment.

Any person taking, disseminating, transferring, possessing, or sharing obscene, sexually oriented, lewd, or otherwise illegal images or other content — commonly referred to as “sexting” — will be disciplined in accordance with the Student Code of Conduct, may be required to complete an educational program related to the dangers of this type of behavior, and, in certain circumstances, may be reported to law enforcement.

This type of behavior may constitute bullying or harassment, as well as impede future endeavors of a student. We encourage parents to review with their child the ["Before You Text" Bullying and Sexting Course](https://txssc.txstate.edu/tools/courses/before-you-text/) (<https://txssc.txstate.edu/tools/courses/before-you-text/>), a state-developed program that addresses the consequences of sexting.

In accordance with state law, the district prohibits the installation or use of TikTok (or any successor application or service) on a district device, along with any other social media application or service determined by the governor.

Any student who engages in conduct that results in a breach of the district's computer security will be disciplined in accordance with the Student Code of Conduct. In some cases, the consequence may be expulsion.

## **Emergent Bilingual Students (Grades EE-5)**

A student who is an emergent bilingual student is entitled to receive specialized services from the district. A Language Proficiency Assessment Committee (LPAC), consisting of both district personnel and at least one parent representative, will determine whether the student qualifies for services. The student's parent must consent to any services recommended by the LPAC. However, pending the receipt of parental consent or denial of services, an eligible student will receive the services to which the student is entitled and eligible.

To determine a student's level of proficiency in English, the LPAC will use information from a variety of assessments. If the student qualifies for services, and once a level of proficiency has

## Santo Elementary Student Handbook

been established, the LPAC will designate instructional accommodations or additional special programs that the student will require to eventually become proficient at grade level work in English. Ongoing assessments will be conducted to determine a student's continued eligibility for the program.

The LPAC will also determine whether certain accommodations are necessary for any state-mandated assessments. The STAAR Spanish, as mentioned at Error! Reference source not found., may be administered to an emergent bilingual student up to grade 5. In limited circumstances, a student's LPAC may exempt the student from an otherwise required state-mandated assessment or may waive certain graduation requirements related to the English I end-of-course (EOC) assessment. The Texas English Language Proficiency Assessment System (TELPAS) will also be administered to emergent bilingual students who qualify for services.

If a student is considered an emergent bilingual student and receives special education services because of a qualifying disability, the student's ARD committee will make instructional and assessment decisions in conjunction with the LPAC.

### **Extracurricular Activities, Clubs, and Organizations (Grades EE-5)**

Participation in school-sponsored activities is an excellent way for a student to develop talents, receive individual recognition, and build strong friendships.

Some extracurricular activities may include off-campus events. Students are required to use transportation provided by the district to and from the events. Exceptions may only be made with the approval of the activity's coach or sponsor. [See **Transportation (Grades EE-5)**.]

Eligibility for many of these activities is governed by state law and the rules of the University Interscholastic League (UIL), a statewide association overseeing interdistrict competition. If a student is involved in an academic, athletic, or music activity governed by UIL, the student and parent are expected to know and follow all rules of the UIL organization. Students and parents can access the [UIL Parent Information Manual](https://www.uil texas.org/athletics/manuals) (<https://www.uil texas.org/athletics/manuals>) online. A hard copy can be provided by the coach or sponsor of the activity on request.

To report alleged noncompliance with required safety training or an alleged violation of safety rules required by law and the UIL, please contact the curriculum division of TEA at (512) 463-9581 or [curriculum@tea.texas.gov](mailto:curriculum@tea.texas.gov).

[See [UIL Texas](https://www.uil texas.org/) (<https://www.uil texas.org/>) for additional information on all UIL-governed activities.]

Generally, a student who receives a grade below 70 at the end of a grading period in any academic class may not participate in extracurricular activities for at least three school weeks.

If a student is enrolled in a state-approved course that requires demonstration of the mastery of an essential knowledge and skills in public performance and the student receives a grade below 70 in any course at the end of the grading period, the student may participate in a performance so long as the general public is invited.

# **Santo Elementary Student Handbook**

If a student is enrolled in a state-approved music course that participates in UIL Concert and Sight-reading Evaluation, and the student receives a grade below 70 in any course at the end of a grading period, the student may perform with the ensemble during the UIL evaluation performance but is ineligible for other extracurricular activities for at least three weeks.

In addition, the following applies to all extracurricular activities:

- A student who receives special education services and who fails to meet the standards in the individualized education program (IEP) may not participate for at least three school weeks.
- An ineligible student may practice or rehearse but may not participate in any competitive activity.
- The District shall make no distinction between absences for UIL activities and absences for other extracurricular activities approved by the Board. The District shall not limit an eligible student's absences related to participation in extracurricular activities.
- An absence for participation in an activity that has not been approved will be considered an unexcused absence.

## **Standards of Behavior**

Sponsors of student clubs and performing groups such as the band and UIL academic teams may establish standards of behavior — including consequences for misbehavior — that are stricter than those for students in general. If a violation is also a violation of school rules, the consequences specified by the Student Code of Conduct or by board policy will apply in addition to any consequences specified by the organization's standards of behavior.

## **Fees (Grades EE-5)**

Basic educational program materials are provided at no charge to a student. However, a student is expected to provide their own supplies, such as pencils, paper, erasers, and notebooks. A student may also be required to pay certain other costs, fees, or deposits, including:

- Materials for a class project that the student will keep.
- Membership dues in voluntary clubs or student organizations.
- Admission fees to extracurricular activities.
- Security deposits.
- Personal physical education and athletic equipment and apparel.
- Voluntarily purchased pictures, publications, class rings, yearbooks, graduation announcements, and the like.
- Voluntarily purchased student health and accident insurance.
- Musical instrument rental and uniform maintenance when uniforms are provided by the district.
- Personal apparel used in extracurricular activities that becomes the property of the student.
- Fees for lost, damaged, or overdue library books.

## **Santo Elementary Student Handbook**

- Summer school for courses that are offered tuition-free during the regular school year
- A reasonable fee for providing transportation to a student who lives within two miles of the school. [See **Buses and Other School Vehicles.**]
- A maximum fee of \$50 for an educational program outside of regular school hours for a student who has lost credit or has not been awarded a final grade because of absences and whose parent chooses the program for the student to meet the 90 percent attendance requirements. The fee will be charged only if the parent or guardian signs a district-provided request form.
- In some cases, a fee for a course taken through the Texas Virtual School Network (TXVSN).

Any required fee or deposit may be waived if the student and parent are unable to pay. Application for such a waiver may be made to the campus principal. [See policy FP for more information.]

### **Fundraising (Grades EE-5)**

Student groups or classes and/or parent groups may be permitted to conduct fundraising drives for approved school purposes in accordance with administrative regulations. [See policies FJ and GE for more information.]

### **Gang-Free Zones (Grades EE-5)**

Certain criminal offenses, including gang-related crimes, will be enhanced to the next-highest category of offense if they are committed in a gang-free zone. Gang-free zones include a school bus and any location in, on, or within 1,000 feet of any district-owned or leased property or campus playground.

### **Grading Guidelines (Grades EE-5)**

Approved grading guidelines for each grade level or course will be communicated to students and their parents by the classroom teacher. These guidelines establish:

- The minimum number of assignments, projects, and examinations required for each grading period
- How the student's mastery of concepts and achievement will be communicated (for example, letter grades, numerical averages, checklist of required skills, and the like)
- Circumstances under which a student will be allowed to redo an assignment or retake an examination the student originally failed
- Procedures for a student to follow after an absence
- Grading consequences for academic dishonesty, including cheating or copying the work of another student, plagiarism (including the unauthorized use of artificial intelligence (AI) such as ChatGPT), and unauthorized communication between students during an examination

[See **Report Cards/Progress Reports and Conferences (Grades EE-5)** for additional information on grading guidelines.]

# **Santo Elementary Student Handbook**

## **Harassment**

[See **Dating Violence, Discrimination, Harassment, and Retaliation (Grades EE-5)**.]

## **Hazing (Grades EE-5)**

Hazing is defined as an intentional, knowing, or reckless act, on or off campus, by one person alone or acting with others, directed against a student for the purpose of pledging, initiation into, affiliation with, holding office in, or maintaining membership in a student organization if the act meets the elements in Education Code 37.151, including:

- Any type of physical brutality
- An activity that subjects the student to an unreasonable risk of harm or that adversely affects the student's mental or physical health, such as sleep deprivation, exposure to the elements, confinement to small spaces, calisthenics, or consumption of food, liquids, drugs, or other substances
- An activity that induces, causes, or requires the student to perform a duty or task that violates the Penal Code
- Coercing a student to consume a drug or alcoholic beverage in an amount that would lead a reasonable person to believe the student is intoxicated

The district will not tolerate hazing. Disciplinary consequences for hazing will be in accordance with the Student Code of Conduct. It is a criminal offense if a person engages in hazing; solicits, encourages, directs, aids, or attempts to aid another in hazing; or has firsthand knowledge of an incident of hazing being planned or having occurred and fails to report this to the principal, superintendent, or law enforcement official.

[See **Bullying (Grades EE-5)** and policies FFI and FNCC for more information.]

## **Health — Physical and Mental**

### **Illness (Grades EE-5)**

When your child is ill, please contact the school to let us know they will not be attending that day.

State rules require schools to exclude students with certain illnesses from school for certain periods of time. For example, a child with a fever over 100 degrees must stay out of school until fever-free for 24 hours without use of fever-reducing medications. Students with diarrheal illnesses must stay home until they are diarrhea-free without use of diarrhea-suppressing medications for 24 hours.

A full list of conditions for which the school must exclude children can be obtained from the school nurse.

If a student becomes ill during the school day and the school nurse determines that the child should go home, the nurse will contact the parent.

## Santo Elementary Student Handbook

The district is required to report certain contagious (communicable) diseases or illnesses to the Department of State Health Services (DSHS) or our local/regional health authority. The school nurse can provide information from DSHS on these notifiable conditions.

The school nurse is available to answer any questions for parents who are concerned about whether or not their child should stay home.

At no time will a student be permitted to leave campus without the proper documentation and signing out at the front office. A student who leaves campus, and does not sign out with the office is subject to disciplinary action which may include: After-school detention, Saturday School, Suspension (In school/out of school), or Placement in DAEP.

*See Leaving Campus: Procedures for Student Illness on page 84 for additional information*

### **Immunization (Grades EE-5)**

A student must be fully immunized against certain diseases or must present a certificate or statement that, for medical reasons or reasons of conscience, including a religious belief, the student will not be immunized.

For exemptions based on reasons of conscience, only official forms issued by the Texas Department of State Health Services (DSHS), Immunization Branch, can be honored by the district. You may access the [DSHS exemption form \(https://www.dshs.texas.gov/immunization-unit/texas-school-child-care-facility-immunization/texas-immunization-exemptions\)](https://www.dshs.texas.gov/immunization-unit/texas-school-child-care-facility-immunization/texas-immunization-exemptions) online or by writing to this address:

Texas Department of State Health Services  
Immunization Section, Mail Code 1946  
P.O. Box 149347  
Austin, Texas 78714-9347

The form must be notarized and submitted to the principal or school nurse within 90 days of notarization. If the parent is seeking an exemption for more than one student in the family, a separate form must be provided for each student.

The immunizations required are:

- Diphtheria, tetanus, and pertussis
- Polio
- Measles, mumps, and rubella
- Hepatitis B
- Varicella (chicken pox)
- Meningococcal
- Hepatitis A

The school nurse can provide information on immunization requirements. Proof of immunization may be established by personal records from a licensed physician or public health clinic with a signature or rubber-stamp validation.

## Santo Elementary Student Handbook

If a student should not be immunized for medical reasons, the student or parent must present a certificate signed by a U.S. registered and licensed physician stating that, in the doctor's opinion, the immunization required is medically contraindicated or poses a significant risk to the health and well-being of the student or a member of the student's family or household. This certificate must be renewed yearly unless the physician specifies a lifelong condition.

For information on immunization against bacterial meningitis and college enrollment and attendance, see **Bacterial Meningitis (Grades EE-5)**.

[See the DSHS's [School and Childcare Vaccine Requirements \(https://www.dshs.texas.gov/immunizations/school\)](https://www.dshs.texas.gov/immunizations/school) and policy FFAB(LEGAL) for more information.]

### **Lice (Grades EE-5)**

Head lice is very common among children. Although not an illness or a disease, head lice spread through head-to-head contact during play, sports, nap time, and when children share things like brushes, combs, hats, and headphones.

The district does not require or recommend that students be removed from school because of lice or nits.

If careful observation indicates that a student has head lice or nits, the school nurse will contact the student's parent to pick the student up from school. The student must remain at home until the first treatment using an FDA-approved medicated shampoo or cream rinse has been applied. The nurse can also offer additional recommendations, including subsequent treatments, how best to get rid of lice, and how to prevent lice from returning.

More information on head lice is available on the DSHS website [Managing Head Lice in School Settings and at Home \(https://www.dshs.texas.gov/texas-school-health/skilled-procedures-texas-school-health/managing-head-lice-school\)](https://www.dshs.texas.gov/texas-school-health/skilled-procedures-texas-school-health/managing-head-lice-school) and the Centers for Disease Control and Prevention's website [About Head Lice \(https://www.cdc.gov/lice/about/head-lice.html\)](https://www.cdc.gov/lice/about/head-lice.html).

[See policy FFAA for more information.]

### **Medicine at School (Grades EE-5)**

If a student must take medication during school hours, the student's parent must provide the medication. All medication, whether prescription or nonprescription, must be kept in the nurse's office and be administered by the nurse or another authorized district employee. A student may be authorized to possess their own medication because of asthma or a severe allergy as described below or as otherwise allowed by law.

The district will not purchase nonprescription medication to give to a student.

In accordance with policy FFAC, authorized employees may administer:

- Prescription medication in the original, properly labeled container, provided by the parent along with a written request.

## Santo Elementary Student Handbook

- Prescription medication from a properly labeled unit dosage container filled by a registered nurse or another qualified district employee from the original, properly labeled container provided by the parent along with a written request.
- Nonprescription medication in the original, properly labeled container, provided by the parent along with a written request. **Note:** Insect repellent is considered nonprescription medication.
- Herbal or dietary supplements provided by the parent only if required by the student's individualized education program (IEP) or Section 504 plan for a student with disabilities.

An elementary student may possess and self-apply sunscreen to avoid overexposure to the sun. An elementary student's teacher or other district personnel will apply sunscreen to the student's exposed skin if the student brings the sunscreen to school and asks for help applying it.

If sunscreen needs to be administered to treat any type of medical condition, this should be handled through communication with the school nurse so that the district is made aware of any safety and medical issues.

### **Asthma and Severe Allergic Reactions**

A student with asthma or severe allergic reaction (anaphylaxis) may possess and use prescribed asthma or anaphylaxis medication at school or school-related events only if they have written authorization from a parent and a physician or other licensed health-care provider. The student must also demonstrate to their health-care provider and the school nurse the ability to use the prescribed medication, including any device required to administer the medication.

If the student has been prescribed asthma or anaphylaxis medication for use during the school day, the student and parents should discuss this with the school nurse or principal.

[See also **Food Allergies (Grades EE-5).**]

### **Mental Health Support (Grades EE-5)**

The district has implemented programs to address the following mental health, behavioral health, and substance abuse concerns:

- Mental health promotion and early intervention
- Building skills to manage emotions, establish and maintain positive relationships, and engage in responsible decision-making
- Substance abuse prevention and intervention
- Suicide prevention, intervention, and postvention (interventions after a suicide in a community)
- Grief, trauma, and trauma-informed care
- Positive behavior interventions and supports
- Positive youth development
- Safe, supportive, and positive school climates

## Santo Elementary Student Handbook

If a student has been hospitalized or placed in residential treatment for a mental health condition or substance abuse, the district has procedures to support the student's return to school. Please contact the district's mental health liaison for further information.

Teachers and other district employees may discuss a student's academic progress or behavior with the student's parents or another employee as appropriate; however, they are not permitted to recommend use of psychotropic drugs. A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication that is intended to alter perception, emotion, mood, or behavior.

A district employee who is a registered nurse, an advanced nurse practitioner, a physician, or a certified or credentialed mental health professional can recommend that a student be evaluated by an appropriate medical practitioner, if appropriate. [See policy FFEB for more information.]

### Physical Activity Requirements

#### *Elementary School*

The district will ensure that students in full-day PK-grade 5 engage in moderate or vigorous physical activity for at least 30 minutes per day or 135 minutes per week, in accordance with policies at EHAB, EHAC, EHBG, and FFA.

Students in grades K-5 will participate in Physical Education. Gym Shoes must be worn to PE daily along with clothing that allows full participation in PE program.

Physical education students will be graded on participation, cooperation, and suiting out **(wearing proper athletic shoes)**.

Disciplinary actions may also be taken for students not dressing appropriately.

For additional information on the district's elementary school student physical activity programs and requirements, please see the principal.

#### *Temporary Restriction from Participation in Physical Education*

## **Santo Elementary Student Handbook**

Students who are temporarily restricted from participation in physical education will not actively participate in skill demonstration but will remain in class to learn the concepts of the lessons. Documentation from a medical professional will be required if a restriction is not temporary.

### **Physical Fitness Assessment (Grades 3-5)**

Annually, the district will conduct a physical fitness assessment of students in grades 3-12 who are enrolled in a physical education course or a course for which physical education credit is awarded. At the end of the school year, a parent may submit a written request to obtain the results of their child's physical fitness assessment conducted during the school year by contacting:

### **Physical Health Screenings/Examinations**

#### ***Spinal Screening Program***

School-based spinal screening helps identify adolescents with abnormal spinal curvature at an early stage when the curve is mild and may go unnoticed. Early detection is key to controlling spinal deformities. Spinal screening is non-invasive and conducted in accordance with the most recent nationally accepted and peer-reviewed standards.

All students who meet the Texas Department of State Health Services criteria will be screened for abnormal spinal curvature before the end of the school year. As appropriate, students will be referred for follow-up with their physician.

For information on spinal screening by an outside professional or exemption from spinal screening based on religious beliefs, contact the superintendent or see policy FFAA(LEGAL).

### **Special Health Concerns (Grades EE-5)**

#### ***Bacterial Meningitis (Grades EE-5)***

Please see the district's website at [www.santoisd.net/nurse](http://www.santoisd.net/nurse) for information regarding meningitis.

**Note:** Entering college students must show, with limited exception, evidence of receiving a bacterial meningitis vaccination within the five-year period prior to enrolling in and taking courses at an institution of higher education. Please see the school nurse for more information, as this may affect a student who wishes to enroll in a dual credit course taken off campus.

### ***Diabetes***

In accordance with a student's individual health plan for management of diabetes, a student with diabetes will be permitted to possess and use monitoring and treatment supplies and equipment while at school or at a school-related activity. See the school nurse or principal for information. [See policy FFAF(LEGAL) for more information.]

### ***Food Allergies (Grades EE-5)***

Parents should notify the district when a student has been diagnosed with a food allergy, especially an allergy that could result in dangerous or life-threatening reactions either by breathing, eating, or touching the particular food. It is important to disclose the food to which the student is allergic as well as the nature of the allergic reaction. Please contact the school nurse or campus principal if your child has a known food allergy or as soon as possible after any diagnosis of a food allergy.

The district has developed and annually reviews a food allergy management plan, based on the Texas Department of State Health Services' (DSHS) Guidelines for the Care of Students with

## Santo Elementary Student Handbook

Food Allergies at Risk for Anaphylaxis found on the DSHS [Allergies and Anaphylaxis](https://www.dshs.texas.gov/texas-school-health/allergies-anaphylaxis) website (<https://www.dshs.texas.gov/texas-school-health/allergies-anaphylaxis>).

When the district receives information that a student has a food allergy that puts the student at risk for anaphylaxis, an individual care plan will be developed to assist the student in safely accessing the school environment. The district's food allergy management plan can be accessed at [www.santoisd.net/nurse](http://www.santoisd.net/nurse).

[See **Celebrations (Grades EE-5)** and policy FFAF for more information.]

### ***Seizures (Grades EE-5)***

To address the care of a student with a seizure disorder while at school or participating in a school activity, a parent may submit a seizure management and treatment plan to the district before the beginning of the school year, upon enrollment of the student, or as soon as practicable following diagnosis of a seizure disorder. A parent who submits a plan must use the [Seizure Management and Treatment Plan Form](https://tea.texas.gov/academics/tea-seizure-management-form.pdf) (<https://tea.texas.gov/academics/tea-seizure-management-form.pdf>) developed by the Texas Education Agency.

### **Tobacco, E-Cigarettes, and Nicotine Products Prohibited (Grades EE-5)**

Students are prohibited from possessing or using any type of tobacco product, electronic cigarette (e-cigarette), or any other electronic vaporizing device while on school property or while attending an off-campus school-related activity. With limited exceptions for medication, [see **Medicine at School (Grades EE-5)**] students are also prohibited from possessing or using any type of nicotine product, including nicotine pouches, regardless of whether the product contains tobacco, while on school property or while attending an off-campus school-related activity.

The district and its staff strictly enforce prohibitions against the use of all tobacco products, e-cigarettes, or any other electronic vaporizing device by students and all others on school property and at school-sponsored and school-related activities. [See the Student Code of Conduct and policies FNCD and GKA for more information.]

## **Law Enforcement Agencies (Grades EE-5)**

### **Questioning of Students**

When law enforcement officers or other lawful authorities wish to question or interview a student at school, the principal will cooperate fully regarding the conditions of the interview, including without parental consent, if necessary, if it is part of a child abuse investigation. In other circumstances, the principal will:

- Verify and record the identity of the officer or other authority and ask for an explanation of the need to question the student at school
- Ordinarily make reasonable efforts to notify the parents, unless the interviewer raises what the principal considers to be a valid objection
- Ordinarily be present for the questioning or interview, unless the interviewer raises what the principal considers to be a valid objection

### **Students Taken into Custody**

State law requires the district to permit a student to be taken into legal custody:

- To comply with an order of the juvenile court
- To comply with the laws of arrest
- By a law enforcement officer if there is probable cause to believe the student has engaged in delinquent conduct or conduct in need of supervision
- By a law enforcement officer to obtain fingerprints or photographs for comparison in an investigation
- By a law enforcement officer to obtain fingerprints or photographs to establish a student's identity where the child may have engaged in conduct indicating a need for supervision, such as running away
- By a probation officer if there is probable cause to believe the student has violated a condition of probation imposed by the juvenile court
- By an authorized representative of Child Protective Services (CPS), Texas Department of Family and Protective Services (DFPS), a law enforcement officer, or a juvenile probation officer, without a court order, under the conditions set out in the Family Code relating to the student's physical health or safety

## **Santo Elementary Student Handbook**

- To comply with a properly issued directive from a juvenile court to take a student into custody

Before a student is released to a legally authorized person, the principal will verify the person's identity and, to the best of their ability, will verify the person's authority to take custody of the student.

The principal will immediately notify the superintendent and will attempt to notify the parent, unless the legally authorized person raises what the principal considers to be a valid objection to notifying the parents. Because the principal does not have the authority to prevent or delay a student's release to a legally authorized person, any notification will most likely be after the fact.

### **Notification of Law Violations**

The district is required by state law to notify:

- All instructional and support personnel who have responsibility for supervising a student who has been taken into custody, arrested, or referred to the juvenile court for any felony offense or for certain misdemeanors.
- All instructional and support personnel who have regular contact with a student who has been convicted, received deferred prosecution, received deferred adjudication, or was adjudicated for delinquent conduct for any felony offense or certain misdemeanors that occur in school, on school property, or at a school-sponsored or school-related activity on or off school property. These personnel will also be notified if the principal has reasonable grounds to believe the student has engaged in certain conduct.
- All appropriate district personnel regarding a student who is required to register as a sex offender.

[See policy GRAA(LEGAL) for more information.]

### **Leaving Campus (Grades EE-5)**

Student attendance is crucial. Appointments should be scheduled outside of school hours if possible. Except for extenuating circumstances, students will not regularly be released before the end of the school day.

Students may not leave campus for any reason without permission from a campus administrator and must follow the procedure outlined below.

Students who leave campus in violation of these rules and procedures will be subject to disciplinary action in accordance with the Student Code of Conduct.

Santo ISD requires parental consent before any student is allowed to leave campus for any part of the school day. The district has put the following procedures in order to document parental consent and for the safety of students:

- A parent or otherwise authorized adult must come to the office and sign the student out. Please be prepared to show identification.

## **Santo Elementary Student Handbook**

- Once an identity is verified, a campus representative will then call for the student or collect the student and bring him or her to the office.
  - For safety purposes and stability of the learning environment, visitors are not allowed to go to the classroom or other area unescorted to pick up the student.
- If the student returns to campus the same day, the parent or authorized adult must sign the student back in through the main office upon the student's return. Documentation regarding the reason for the absence will also be required upon return or within two days.

### **Procedures for Student Illness**

- If a student becomes ill during the school day and the school nurse or other district personnel determines that the student should go home, the nurse will contact the student's parent and document the parent's wishes regarding release from school.
- Unless directed by the parent to release the student unaccompanied, the parent or other authorized adult must follow the sign-out procedures as listed above.
- If a student is allowed to leave campus by himself or herself, as permitted by the student's parent, or if the student is age 18 and no longer resides with a parent or guardian, or is an emancipated minor, the nurse will document the time of day the student was released.
- Under no circumstances will a student in junior high school be released unaccompanied by a parent or adult authorized by the parent.

Please remember that student attendance is crucial to learning. We ask that appointments be scheduled outside of school hours as much as reasonably possible.

### **Picking Students Up Early**

Also note that picking up a student early on a regular basis results in missed opportunities for learning. Unless the principal has granted approval because of extenuating circumstances, a student will not regularly be released before the end of the school day. A student that is picked up early on a continual basis may be required to make up the time missed.

### **Lost and Found (Grades EE-5)**

A lost and found collection box is located in the campus office. A student who loses an item should check the lost and found box. The district discourages bringing personal items of high monetary value to school, as the district is not responsible for lost or stolen items. The campus will dispose of lost and found items at the end of each semester.

### **Makeup Work**

#### **Makeup Work Because of Absence (Grades EE-5)**

A teacher may assign makeup work to a student who misses class based on instructional objectives and the needs of the student in mastering the essential knowledge and skills or meeting subject or course requirements.

## **Santo Elementary Student Handbook**

The student will be responsible for obtaining and completing the makeup work within the time specified by the teacher. A student who does not make up assigned work within the time allotted by the teacher will receive a grade of zero for the assignment.

The student is encouraged to speak with the teacher if the student knows of an absence ahead of time so that the teacher and student may plan any makeup work. Please remember the importance of student attendance at school. With limited exceptions, all absences count for the 90 percent threshold set in state law regarding attendance for credit. [See **Attendance for Credit or Final Grade (Grades EE-5).**]

A student Involved In an extracurricular activity must notify teachers ahead of time about any absences.

A student will be permitted to make up tests and turn in projects due in any class missed because of absence. Teachers may assign a late penalty to any long-term project in accordance with timelines approved by the principal and previously communicated to students.

### **In-School Suspension (ISS) and Out-of-School Suspension (OSS) Makeup Work (Grades EE-5)**

#### ***Alternative Means to Receive Coursework***

While a student is in ISS or OSS, the district will provide the student with all course work for the student's foundation curriculum classes that the student misses as a result of the suspension.

#### ***Opportunity to Complete Courses***

A student removed from the regular classroom to ISS or another setting, other than a DAEP, will have an opportunity to complete before the beginning of the next school year each course the student was enrolled in at the time of removal from the regular classroom. The district may provide the opportunity by any method available, including a correspondence course, another distance learning option, or summer school. The district will not charge the student for any method of completion provided by the district. [See policy FO(LEGAL) for more information.]

### **Nondiscrimination Statement (Grades EE-5)**

In its efforts to promote nondiscrimination and as required by law, the district does not discriminate on the basis of race, religion, color, national origin, gender, sex, age, disability, or any other basis prohibited by law in providing education services, activities, and programs, including Career and Technical Education (CTE) programs. The district provides equal access to the Boy Scouts and other designated youth groups.

In accordance with Title IX, the district does not and is required not to discriminate on the basis of sex and prohibits sex discrimination in its educational programs or activities. The requirement not to discriminate extends to employment. Inquiries about the application of Title IX may be referred to the district's Title IX Coordinator (see below), to the U.S. Department of Education's Office for Civil Rights, or both.

## Santo Elementary Student Handbook

Other federal laws that prohibit discrimination include Title VI, Section 504, the Age Discrimination Act, the Boy Scouts Act, and Title II.

The district's nondiscrimination policy and grievance procedures are in the FFH series of policies in the district's policy manual, available at [www.santoisd.net/board](http://www.santoisd.net/board).

The district has designated and authorized the following employee as the Title IX Coordinator to address concerns or inquiries regarding discrimination on the basis of sex, including sexual harassment, sexual assault, dating violence, domestic violence, stalking, or gender-based harassment:

Jackie Stephens  
Student Services Coordinator  
PO Box 67  
Santo, TX 76472  
[jstephens@santoisd.net](mailto:jstephens@santoisd.net)  
940-769-3215

Reports can be made at any time and by any person, including during non-business hours, by mail, phone, or email. During district business hours, reports may also be made in person. Upon the district receiving notice or an allegation of sex-based harassment, the Title IX Coordinator will promptly respond in accordance with the process described in the FFH series of policies.

The following district representatives have been designated to address concerns or inquiries about other kinds of discrimination:

### Parent and Family Engagement (Grades EE-5)

#### Working Together

Experience and research tell us that a child succeeds in education with good communication and a strong partnership between home and school. A parent's involvement and engagement in this partnership may include:

- Encouraging your child to put a high priority on education and working with your child every day to make the most of the educational opportunities the school provides.
- Ensuring that your child completes all homework assignments and special projects and comes to school each day prepared, rested, and ready to learn.

## Santo Elementary Student Handbook

- Becoming familiar with all your child's school activities and with the academic programs, including special programs, offered in the district.
- Discussing with the school counselor or principal any questions you may have about the options and opportunities available to your child.
- Reviewing the requirements and options for graduation with your child in middle school and again while your child is enrolled in high school.
- Monitoring your child's academic progress and contacting teachers as needed. [See **Academic Counseling.**]
- Attending scheduled conferences and requesting additional conferences as needed. To schedule a telephone or in-person conference with a teacher, school counselor, or principal, please call the school office at 940-769-3215 for an appointment. [See policies BE and BED for more information.]

# **Santo Elementary Student Handbook**

Students may be subject to disciplinary action for violation of these rules. The district may tow cars that are parked in violation of these rules.

## **Pledges of Allegiance and a Minute of Silence (Grades EE-5)**

Each school day, students will recite the Pledge of Allegiance to the U.S. flag and the Pledge of Allegiance to the Texas flag. Parents may submit a written request to the principal to excuse their child from reciting a pledge. [See **Reciting the Pledges to the U.S. and Texas Flags.**]

State law requires that one minute of silence follow recitation of the pledges. Each student may choose to reflect, pray, meditate, or engage in any other silent activity during that minute so long as the silent activity does not interfere with or distract others.

In addition, state law requires that each campus provide for the observance of one minute of silence in remembrance of those who lost their lives on September 11, 2001, at the beginning of the first class period when September 11 falls on a regular school day.

[See policy EC for more information.]

## **Prayer (Grades EE-5)**

Each student has a right to pray individually, voluntarily, and silently or to meditate in school in a manner that does not disrupt school activities. The school will not encourage, require, or coerce a student to engage in or refrain from such prayer or meditation during any school activity.

## **Promotion and Retention**

A student will be promoted only on the basis of academic achievement or proficiency. In making promotion decisions, the district will consider the following:

- Teacher recommendation
- Grades
- Scores on criterion-referenced or state-mandated assessments
- Any other necessary academic information as determined by the district

## **Elementary and Middle/Junior High Grade Levels**

In grades 1-2, promotion is based on an overall average of 70 on a scale of 100 based on course-level, grade-level standards (essential knowledge and skills) for all subject areas and a grade of 70 or above in reading and mathematics. Additionally, students in grades 1–2 shall score no lower than one grade below grade-level placement on a state-approved achievement test and shall obtain 80 percent mastery on the end-of-year reading assessment.

In grades 3–5, promotion to the next grade level shall be based on an overall average of 70 on a scale of 100 based on course-level, grade-level standards (essential knowledge and skills) for all subject areas and a grade of 70 or above in reading and mathematics.

[See EIE(LOCAL) for more information].

# **Santo Elementary Student Handbook**

## **Repeating Prekindergarten-Grade 8 at Parent Request**

A parent may request in writing that a student repeat any grade in grade PK-5 provided the request is made in writing to the campus principal at least 20 calendar days before the first day of school (prior to or on 7/18/2024) per the district's DOI plan. Before granting the request, the district may convene a retention committee to meet and discuss the request and will invite the parent to participate.

## **Release of Students from School**

[See **Leaving Campus (Grades EE-5)**.]

## **Remote Instruction**

The district may offer remote instruction in accordance with TEA guidelines.

All district policies, procedures, guidelines, rules, and other expectations of student behavior will be enforced as applicable in a remote or virtual learning environment.

## **Report Cards/Progress Reports and Conferences (Grades EE-5)**

Report cards with each student's performance and absences in each class or subject are issued at least once every six weeks.

At the end of the first three weeks grading period, parents will receive a progress report if their child's performance in any course/subject area is near or below 75 or is below the expected level of performance. If a student receives a grade lower than 70 in any class or subject at the end of a grading period, the parent will be asked to schedule a conference with the teacher.

[See **Working Together** for how to schedule a conference.]

Teachers follow grading guidelines that have been approved by the principal pursuant to the board-adopted policy. Grading guidelines are designed to reflect each student's relative mastery of each assignment. State law provides that a test or course grade issued by a teacher cannot be changed unless the board determines that the grade was arbitrary or contains an error, or that the teacher did not follow the district's grading policy. [See **Grading Guidelines (Grades EE-5)** and policy EIA(LOCAL) for more information.]

Questions about grade calculation should first be discussed with the teacher. If the question is not resolved, the student or parent may request a conference with the principal in accordance with FNG(LOCAL).

The report card or unsatisfactory progress report will state whether tutorials are required for a student who receives a grade lower than 70.

Report cards and unsatisfactory progress reports must be signed by the parent and returned to the school within 3 days. The district may communicate academic information about a student electronically, including for progress reporting purposes. An electronic signature will be accepted by the district, but parents are entitled to request a handwritten signature of acknowledgment instead.

# **Santo Elementary Student Handbook**

## **Retaliation**

[See **Dating Violence, Discrimination, Harassment, and Retaliation (Grades EE-5)**.]

## **Required State Assessments**

### **STAAR (State of Texas Assessments of Academic Readiness) for Grades 3-8**

In addition to routine tests and other measures of achievement, students at certain grade levels are required to take the state assessment, called STAAR, in the following subjects:

- Mathematics, annually in grades 3-5
- Reading, annually in grades 3-5
- Science in grade 5

### **Standardized Testing for a Student Enrolled Above Grade Level**

If a student in grades 3-5 is enrolled in a class or course intended for students above the current grade level in which the student will be administered a state-mandated assessment, the student will be required to take an applicable state-mandated assessment only for the course in which they are enrolled, unless otherwise required to do so by federal law.

### **Requesting Administration of STAAR/EOC in Paper Format (Grades EE-5)**

STAAR and EOC assessments are administered electronically.

A parent or teacher may request that a STAAR or EOC be administered to a student in paper format. The district may grant this request for any single administration for up to three percent of the number of students enrolled in the district. Requests will be granted in the order in which they are received.

Requests for paper format for a fall administration of a STAAR or EOC must be submitted no later than September 15 each school year.

Requests for paper format for a spring administration of a STAAR or EOC must be submitted no later than December 1 each school year.

### **Standardized Testing for a Student in Special Programs**

Certain students — some with disabilities and some classified as emergent bilingual students — may be eligible for exemptions, accommodations, or deferred testing.

STAAR Alternate 2 is available for eligible students receiving special education services who meet certain state-established criteria as determined by the student's ARD committee.

An admission, review, and dismissal (ARD) committee for a student in grades 9-12 receiving special education services will determine whether successful performance on the EOC assessments will be required for graduation within the parameters identified in state rules and the student's personal graduation plan (PGP). [See Error! Reference source not found..] STAAR Spanish is available for eligible students for whom a Spanish version of STAAR is the most appropriate measure of their academic progress.

# **Santo Elementary Student Handbook**

For more information, see the principal, school counselor, or special education director.

## **Failure to Perform Satisfactorily on a STAAR or EOC Assessment**

If a student does not perform satisfactorily on a required state assessment in any subject, the district will provide accelerated instruction for the student in the next school year through one of the following:

- Assigning the student to a teacher who is certified as a master, exemplary, or recognized teacher if one is available in the grade and subject matter of the state assessment on which the student did not perform satisfactorily
- Providing supplemental instruction

A student may be required to attend any assigned supplemental instruction program before or after school or during the summer.

The district will provide transportation for supplemental instruction on during the summer.

When a student fails to perform satisfactorily on a required state assessment in the same subject area for two or more years, the district shall develop an accelerated education plan. Parents are encouraged to participate in developing this plan.

## **Safety (Grades EE-5)**

Student safety on campus, at school-related events, and in district vehicles is a high priority of the district. The cooperation of students is essential to ensuring school safety. A student is expected to:

- Avoid conduct that is likely to put the student or others at risk.
- Follow all behavioral standards in this handbook and the Student Code of Conduct or set by district employees.
- Help secure the campus by keeping all exterior doors closed, latched, and locked unless the door is actively monitored by a district employee.
- Follow instructions from teachers and other district employees regarding classroom doors.
- Remain alert to any safety hazards, such as intruders on campus or threats made by any person toward a student or staff member, and promptly report any incidents to a district employee. A student may make anonymous reports about safety concerns by going to the district' homepage ([www.santoisd.net](http://www.santoisd.net)) and clicking on the JH/HS STOP!T icon.
- Know emergency evacuation routes and signals.
- Follow immediately the instructions of teachers, bus drivers, and other district employees who are overseeing the welfare of students.

## **Accident Insurance**

Soon after the school year begins, parents will have the opportunity to purchase low-cost accident insurance that would help meet medical expenses in the event of injury to their child.

# Santo Elementary Student Handbook

## Preparedness Drills: Evacuation, Severe Weather, and Other Emergencies

Periodically, the school will conduct preparedness drills of emergency procedures. When the command is given or alarm is sounded, students need to follow the direction of teachers or others in charge quickly, quietly, and in an orderly manner.

## Emergency Medical Treatment and Information

All parents are asked each year to complete a medical care authorization form, providing written parental consent to obtain emergency treatment and information about allergies to medications or drugs. Parents should contact the school nurse to update emergency care information (name of doctor, emergency phone numbers, allergies, and the like).

The district may consent to medical treatment, including dental treatment, if necessary, for a student if all of the following requirements are met:

- The district has received written authorization from a person having the right to consent
- That person cannot be contacted
- That person has not given the district actual notice to the contrary

The emergency care authorization form will be used by the district when a student's parent or authorized designee cannot be contacted. A student may provide consent if authorized by law or court order.

Regardless of parental authorization for the district to consent to medical treatment, district employees will contact emergency medical services to provide emergency care when required by law or when deemed necessary, such as to avoid a life-threatening situation.

## Emergency School Closing Information

Each year, parents are asked to complete an emergency release form to provide contact information if the district needs to notify parents of early dismissal, delayed opening, or restricted access to a campus because of severe weather, a security threat, or another emergency cause.

The district will rely on contact information on file with the district to communicate with parents in an emergency situation, which may include real-time or automated messages. It is crucial to notify your child's school when a phone number changes. State law requires parents to update contact information within two weeks after the date the information changes.

A parent may update contact information by filling out the contact form provided upon enrollment or by emailing the Elementary Secretary Lacy Hall at [lhall@santoisd.net](mailto:lhall@santoisd.net) or PEIMS Coordinator Christy Taliaferro at [ctalia@santoisd.net](mailto:ctalia@santoisd.net) or by calling 940-769-3215.

If the campus must close, delay opening, or restrict access to the building because of an emergency, the district will also alert the community in the following ways:

- The district's website at [www.santoisd.net](http://www.santoisd.net)
- Phone call, email, SMS text via the district's mass communication system

#### Asbestos Management Plan (Grades EE-5)

The district works diligently to maintain compliance with federal and state law governing asbestos in school buildings. A copy of the district's asbestos management plan is available in the central administrative office. If you have any questions or would like to examine the district's plan in more detail, please contact the district's designated asbestos coordinator:

#### Food and Nutrition Services (Grades EE-5)

The district participates in the School Breakfast Program and National School Lunch Program and offers students nutritionally balanced meals daily in accordance with standards set forth in state and federal law.

Some students are eligible for free and reduced-price meals based on financial need. Information about a student's participation is confidential. The district may share information such as a student's name and eligibility status to help enroll eligible children in Medicaid or the state children's health insurance program (CHIP) unless the student's parent requests the student's information not be disclosed.

Participating students will be offered the same meal options as their peers and will not be treated differently from their peers.

To apply for free or reduced-price meal services, contact:

Parents should continually monitor their child's meal account balance. When a student's meal account is depleted, the district will notify the parent. The student may continue to purchase meals according to the grace period set by the school board. The district will present the parent with a schedule of repayment for any outstanding account balance and an application for free or reduced meals.

If the district is unable to work out an agreement with the student's parent on replenishment of the meal account and payment of any outstanding balance, the student will receive a meal. The district will make every effort to avoid bringing attention to the student.

## **Santo ISD's Meal Charge Policy (Cafeteria or Snack Bar)**

A student will be allowed to charge a maximum of \$30 or 10 school days, whichever comes first, before an alternate meal is served. The grace period is greater than the previous policy and is intended to allow a parent time to address unpaid meal costs. Once the \$30 or 10-day grace period is exhausted, a student will be served an alternate meal—every effort will be made to notify the parent about outstanding charges during the grace period.

## **Santo ISD's Snack Charge Policy (Cafeteria or Snack Bar)**

Snacks, seconds, a la carte items, etc. must be pre-paid or paid at time of purchase—no charging. Snacks, seconds, a la carte items, or other additional purchases will cost extra. Parents may pay into a MySchoolBucks account or bring cash/check to the cafeteria or snack bar for their students lunch account.

### ***Vending Machines (Grades EE-5)***

The district has adopted and implemented the state and federal policies for food service, including guidelines to restrict student access to vending machines. For more information about these policies and guidelines, see the superintendent. [See policy FFA for more information.]

### **Pest Management Plan (Grades EE-5)**

The district is required to follow integrated pest management (IPM) procedures to control pests on school grounds. Although the district strives to use the safest and most effective methods to manage pests, including a variety of non-chemical control measures, periodic indoor and outdoor pesticide use is sometimes necessary to ensure a safe, pest-free school environment.

All pesticides used are registered for their intended use by the U.S. Environmental Protection Agency and are applied only by certified pesticide applicators. Except in an emergency, signs will be posted 48 hours before indoor application. All outdoor applications will be posted at the time of treatment, and signs will remain until it is safe to enter the area.

Parents who have questions or who want to be notified of the times and types of applications prior to pesticide application inside their child's school assignment area may contact the district's IPM coordinator:

### Conduct Before and After School (Grades EE-5)

Teachers and administrators have full authority over student conduct at before- or after-school activities. Whether a school activity is on or off district premises, students must follow the same rules of conduct that apply during the instructional day. Misbehavior will be subject to consequences established by the Student Code of Conduct or any stricter standards of behavior established by the sponsor for extracurricular participants.

### Library (Grades EE-5)

The district provides a wide range of library materials for students and faculty that support student achievement and present varying levels of difficulty, diversity of appeal, and a variety of points of view. The district follows the Texas State Library and Archive Commission's standards for school library collection development.

Parents are the primary decision makers regarding their student's access to library material. The district encourages parental involvement in library acquisition, maintenance, and campus activities. Parents are encouraged to communicate with **Librarian, Katie Drake**, and their child's teacher about special considerations regarding library materials self-selected by their student.

A parent who wants to access to the school's library or any available online catalog should submit a request to the principal.

The district welcomes student and parent feedback on library materials and services. Parents may contact **Haley Price, Elementary Principal**. A district employee or parent may request the reconsideration of a library material by contacting **Haley Price, Elementary Principal**.

For more information, see EFB(LOCAL).

### Use of Hallways during Class Time (Grades EE-5)

During class times, loitering or standing in the halls is not permitted, and a student must have a hall pass to be outside the classroom for any purpose. Failure to obtain a pass will result in disciplinary action in accordance with the Student Code of Conduct.

### Use by Students Before and After School (Grades EE-5)

Certain areas of the school will be accessible to students before and after school for specific purposes. Students are required to remain in the area where their activity is scheduled to take place.

# Santo Elementary Student Handbook

The following areas are open to students before school, beginning at **7:30** a.m.

- Cafeteria

Unless the teacher or sponsor overseeing an activity gives permission, a student will not be permitted to go to another area of the building or campus.

Students must leave campus immediately after dismissal of school in the afternoon, unless the student is involved in an activity under the supervision of a teacher or other authorized employee or adult.

## School-Sponsored Field Trips (Grades EE-5)

The district periodically takes students on field trips for educational purposes.

A parent must provide permission for a student to participate in a field trip.

The district may ask the parent to provide information about a student's medical provider and insurance coverage and may also ask the parent to sign a waiver allowing for emergency medical treatment in the case of a student accident or illness during the field trip.

The district may require a fee for student participation in a field trip that is not required as part of a basic educational program or course to cover expenses such as transportation, admission, and meals; however, a student will not be denied participation because of financial need. [See **Fees (Grades EE-5)** for more information.]

The district is not responsible for refunding fees paid directly to a third-party vendor.

## Searches and Investigations

### Searches in General (Grades EE-5)

In the interest of promoting student safety and drug-free schools, district officials may occasionally conduct searches and investigations.

District officials may conduct investigations in accordance with law and district policy and may question students regarding a student's own conduct or the conduct of others. [For questioning of students by law enforcement officials, see **Law Enforcement Agencies (Grades EE-5)**.]

District officials may search students, their belongings, and their vehicles in accordance with law and district policy. Searches of students will be conducted without discrimination, based on, for example, reasonable suspicion or voluntary consent or pursuant to district policy providing for suspicionless security procedures, including the use of metal detectors.

In accordance with the Student Code of Conduct, students are responsible for prohibited items found in their possession, including items in their personal belongings or in vehicles parked on district property.

## **Santo Elementary Student Handbook**

If there is reasonable suspicion to believe that searching a student's person, belongings, or vehicle will reveal evidence of a violation of the Student Code of Conduct, a district official may conduct a search in accordance with law and district regulations.

### **District Property (Grades EE-5)**

Desks, lockers, district-provided technology, and similar items are the property of the district and are provided for student use as a matter of convenience. District property is subject to search or inspection at any time without notice. Students have no expectation of privacy in district property.

Students are responsible for any item found in district property provided to the student that is prohibited by law, district policy, or the Student Code of Conduct.

### **Metal Detectors (Grades EE-5)**

To maintain a safe and disciplined learning environment, the district reserves the right to subject students to metal detector searches when entering a district campus and at off-campus, school-sponsored activities.

### **Telecommunications and Other Electronic Devices (Grades EE-5)**

Displaying, turning on, or using a cellular telephone, paging device or other telecommunications device on school property during the school day or arrival into the school building (7:30-3:35) is prohibited at Santo Elementary. If a student is found to be displaying, turning on, or using one of these devices during a prohibited time or place, the device will be taken to the office and returned only to the student's parent or legal guardian. (Exceptions will be made for planned activities by teacher).

Use of district-owned equipment and its network systems is not private and will be monitored by the district. [See policy CQ for more information.]

Any searches of personal electronic devices will be conducted in accordance with law, and the device may be confiscated to perform a lawful search. A confiscated device may be turned over to law enforcement to determine whether a crime has been committed.

[See **Electronic Devices and Technology Resources (Grades EE-5)** and policy FNF(LEGAL) for more information.]

### **Trained Dogs (Grades EE-5)**

The district may use trained dogs to screen for concealed, prohibited items, including drugs and alcohol. Screenings conducted by trained dogs will not be announced in advance. The dogs will not be used with students, but students may be asked to leave personal belongings in an area that is going to be screened, such as a classroom, a locker, or a vehicle. If a dog alerts to an item or an area, it may be searched by district officials.

## Appendix A: Freedom from Bullying Policy

**Note:** This policy addresses bullying of District students. For purposes of this policy, the term bullying includes cyberbullying.

For provisions regarding discrimination and harassment involving District students, see FFH. Note that FFI shall be used in conjunction with FFH for certain prohibited conduct. For reporting requirements related to child abuse and neglect, see FFG.

**Note:** School board policies may be revised at any time. For legal context and the most current copy of the local policy, visit [Santo ISD's TASB Policy Online for FFI](#). Below is the text of Santo ISD's policy FFI(LOCAL) as of the date this handbook was finalized for this school year.

### Student Welfare: Freedom from Bullying

Policy FFI(LOCAL) adopted on July 20, 2023.

#### Bullying Prohibited

The District prohibits bullying, including cyberbullying, as defined by state law. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

##### *Examples*

Bullying of a student could occur by physical contact or through electronic means and may include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name calling, rumor spreading, or ostracism.

#### Minimum Standards

In accordance with law, the Superintendent shall develop administrative procedures to ensure that minimum standards for bullying prevention are implemented.

#### Retaliation

The District prohibits retaliation by a student or District employee against any person who in good faith makes a report of bullying, serves as a witness, or participates in an investigation.

##### *Examples*

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

# **Santo Elementary Student Handbook**

## **False Claim**

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding bullying shall be subject to appropriate disciplinary action.

## **Timely Reporting**

Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct.

## **Reporting Procedures**

### *Student Report*

To obtain assistance and intervention, any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, school counselor, principal, or other District employee. The Superintendent shall develop procedures allowing a student to anonymously report an alleged incident of bullying.

### *Employee Report*

Any District employee who suspects or receives notice that a student or group of students has or may have experienced bullying shall immediately notify the principal or designee.

### *Report Format*

A report may be made orally or in writing. The principal or designee shall reduce any oral reports to written form.

### *Periodic Monitoring*

The Superintendent shall periodically monitor the reported counts of bullying incidents, and that declines in the count may represent not only improvements in the campus culture because bullying declines but also declines in the campus culture because of a decline in openness to report incidents.

## **Notice of Report**

When an allegation of bullying is reported, the principal or designee shall notify a parent of the alleged victim on or before the third business day after the incident is reported. The principal or designee shall also notify a parent of the student alleged to have engaged in the conduct within a reasonable amount of time after the incident is reported.

## **Prohibited Conduct**

The principal or designee shall determine whether the allegations in the report, if proven, would constitute prohibited conduct as defined by policy FFH, including dating violence and harassment or dis-crimination on the basis of race, color, religion, sex, gender, national origin,

## **Santo Elementary Student Handbook**

or disability. If so, the District shall proceed under policy FFH. If the allegations could constitute both prohibited conduct and bullying, the investigation under FFH shall include a determination on each type of conduct.

### **Investigation of Report**

The principal or designee shall conduct an appropriate investigation based on the allegations in the report. The principal or designee shall promptly take interim action calculated to prevent bullying during the course of an investigation, if appropriate.

### **Concluding the Investigation**

Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the initial report alleging bullying; however, the principal or designee shall take additional time if necessary to complete a thorough investigation.

The principal or designee shall prepare a final, written report of the investigation. The report shall include a determination of whether bullying occurred, and if so, whether the victim used reasonable self-defense. A copy of the report shall be sent to the Superintendent or designee.

### **Notice to Parents**

If an incident of bullying is confirmed, the principal or designee shall promptly notify the parents of the victim and of the student who engaged in bullying.

### **District Action**

#### *Bullying*

If the results of an investigation indicate that bullying occurred, the District shall promptly respond by taking appropriate disciplinary action in accordance with the District's Student Code of Conduct and may take corrective action reasonably calculated to address the conduct. The District may notify law enforcement in certain circumstances.

#### Discipline

A student who is a victim of bullying and who used reasonable self-defense in response to the bullying shall not be subject to disciplinary action.

The discipline of a student with a disability is subject to applicable state and federal law in addition to the Student Code of Conduct.

#### **Corrective Action**

Examples of corrective action may include a training program for the individuals involved in the complaint, a comprehensive education program for the school community, follow-up inquiries to determine whether any new incidents or any instances of retaliation have occurred, involving parents and students in efforts to identify problems and improve the school climate, increasing staff monitoring of areas where bullying has occurred, and reaffirming the District's policy against bullying.

# **Santo Elementary Student Handbook**

## Transfers

The principal or designee shall refer to FDB for transfer provisions.

## Counseling

The principal or designee shall notify the victim, the student who engaged in bullying, and any students who witnessed the bullying of available counseling options.

## *Improper Conduct*

If the investigation reveals improper conduct that did not rise to the level of prohibited conduct or bullying, the District may take action in accordance with the Student Code of Conduct or any other appropriate corrective action.

## **Confidentiality**

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.

## **Appeal**

A student who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level.

## **Records Retention**

Retention of records shall be in accordance with CPC(LOCAL).

## **Access to Policy and Procedures**

This policy and any accompanying procedures shall be distributed annually in the employee and student handbooks. Copies of the policy and procedures shall be posted on the District's website, to the extent practicable, and shall be readily available at each campus and the District's administrative offices.
