The image features a central rectangular box with a thin black border. Inside the box, the words "THANK YOU" are written in a black, serif, all-caps font. The box is surrounded by decorative line art illustrations of plants and flowers. At the top, there are three small sprigs: one with buds, one with leaves and buds, and one with leaves and buds. On the left side, there are two small sprigs of buds. At the bottom, there is a larger, more detailed illustration of a plant with several large, bell-shaped flowers and smaller buds on a stem. The entire design is rendered in black lines on a white background.

THANK YOU
