

**Memorandum of Understanding
Providing Social Emotional Learning**

The Pasco School District and the Pasco Association of Educators agree to the following Memorandum of Understanding concerning the method for providing Social Emotional Learning.

To provide evidence-based Social Emotional Learning (SEL) (currently identified as Second Step) in alignment with the Office of Superintendent of Public Instruction's (OSPI) recommendations, middle schools have collectively agreed on SEL curriculum, which is aligned with OSPI's SEL benchmarks and indicators. If a teacher determines that a weekly Second Step lesson constitutes as intervention, teachers will deliver the Second Step lesson once per week, during the scheduled intervention time, ensuring fidelity to the curriculum. Any teacher that chooses not to deliver Second Step will not be directed to do so but will be expected to continue with Intervention. Each school will determine which day of the week the lesson will consistently take place.

This Memorandum is valid for the 2024-2025 school year.
