## 2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

<b>Internet Access</b>	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
<b>Admission Requirements for the University of California (UC)</b>	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <a href="https://admission.universityofcalifornia.edu/">https://admission.universityofcalifornia.edu/</a> .
<b>Admission Requirements for the California State University (CSU)</b>	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <a href="https://www2.calstate.edu/">https://www2.calstate.edu/</a> .

## 2024-25 School Description and Mission Statement

### NATOMA STATION ELEMENTARY SCHOOL'S SHARED VISION STATEMENT

Natoma Station Elementary School is committed to creating an inclusive, student-centered community where students are empowered to perform at their personal best.

### NATOMA STATION ELEMENTARY SCHOOL MISSION STATEMENT

Our shared mission is to, "Educate and empower all students in a productive, respectful, and inclusive manner to instill a sense of empathy, perseverance, and purpose in contributing to our community." As a collective staff, we commit to setting high expectations for all students and to working collaboratively to support their growth in academic and social emotional competencies. A focus on building relationships amongst staff, students, and families to promote lifelong self-efficacy through an emphasis on culturally responsive practices, restorative practices, and maximizing student engagement will help build a school where students and staff grow and learn together.

Natoma Station Elementary School embraces the Folsom Cordova Unified District (FCUSD) vision statement which states:

#### VISION STATEMENT

Empowering all students to thrive through educational excellence.

#### MISSION STATEMENT

FCUSD is committed to providing excellence in educational programs that carry high expectations for each student's success. In collaboration with our community, the mission of FCUSD is to ensure all students demonstrate high levels of learning through our commitment to continuous cycles of improvement, transformative social emotional learning, and engaging, culturally responsive instruction.

#### SCHOOL AND COMMUNITY PROFILE:

Folsom Cordova Unified School District is comprised of two communities located in Sacramento County along HWY 50. With a population of approximately 20,553 students, schools are an average of twenty miles from downtown Sacramento and just over 100 miles from San Francisco. Folsom Cordova Unified School District enrolls Preschool through Adults. There are twenty-one elementary schools, one charter school, one virtual school, four middle schools, three comprehensive senior high schools, three alternative high schools, and an Adult Education school.

Nestled in the Natoma Station neighborhood in Folsom, the residences of the Natoma Station community surround the campus. Natoma Station has been recognized by the California State Department of Education as a California Distinguished School. In May 2001, the U.S. Department of Education named Natoma Station Elementary School a 2000-2001 National Blue Ribbon School. While it has been many years since Natoma Station Elementary School was awarded these titles, our staff has not deviated from a vision that continues to strive for excellence in school leadership, teaching practices, student learning outcomes, and parental and community involvement. In early October 2023, 525 students were enrolled in grades preschool through fifth with an Unduplicated Pupil count of 158 students of 30.% of the student population. Natoma Station has 81 English Learners making up 15.4% of the student population and 19.8% of the student population meets criteria for Socio-Economic Disadvantaged subgroup. Natoma Station Elementary School has approximately 28 students enrolled in our special education self-contained programs which provide additional support for our students with disabilities. The school reflects a culture of learning and a strong home-school partnership. Natoma Station Elementary School operates on a traditional schedule that begins in August and provides three trimesters of instruction for our students. The staff is made up of educators who hold California Teaching Credentials and paraprofessionals who support our students and staff.

Natoma Station Elementary School has a spacious and beautifully manicured campus with a highlight being an inviting and magnificent school garden. It is a true neighborhood school, with a majority of students living within walking distance. The primary goal of Natoma Station Elementary School is to provide high-quality, standards-based education and to support the social-emotional development of all students. Natoma Station Elementary School is committed to inspiring students to achieve the highest standards of intellectual and personal development through an engaging and comprehensive program. Within a caring, respectful, and culturally responsive environment, the school is committed to instilling in each student a desire to learn, take appropriate risks, and accept challenges. The school community is committed to developing students who are resilient and adaptable, equipped with the knowledge, skills, and disposition to continue their education and become responsible, successful adults. The staff at Natoma Station Elementary School successfully provides a caring atmosphere where students can learn from outstanding professionals who are well-trained and highly qualified educators. We use a Professional Learning Communities (PLC) model to continually build teacher efficacy and improve learner outcomes. We are continually building teacher leadership and capacity by creating teacher-led guiding coalitions that support our efforts to reflect upon and improve

## 2024-25 School Description and Mission Statement

our practice.

Natoma Station Elementary School boasts a robust Positive Behavioral Intervention and Supports (PBIS) system that contributes to our positive school culture and climate. In the fall of 2022, Natoma Station was awarded the Silver Recognition Award for our implementation of school wide PBIS for the 2021-2022 school year. We teach the Second Step curriculum to all students in grades K-5 to develop their social-emotional skills and our teachers and staff use mindfulness activities to support students with self-regulation. Building and maintaining strong relationships with our students is at the forefront of all that we do. Creating classroom and schoolwide expectations that incorporate our three school-wide behavior standards (Solve Problems, Make Good Decisions, and Show Respect) creates a positive and safe learning environment for all of our students. Our Cheetah Champ daily incentive program and our Character Counts Recognition Awards at the end of each month recognize students who make positive choices. Student leadership is developed and supported through our Student Council and allows us to include student voices and input in school decisions. Our implementation of Responsive Classroom strategies strengthens students' sense of belonging and student engagement. Our "Exploratory Space" offers an alternative recess space and classroom rest and reset areas are accessible to all students. We take a restorative approach to discipline and provide additional tier two and tier three social-emotional and behavioral supports and interventions, such as access to our mental health specialist, Check-In Check-Out, and other interventions.

Natoma Station students have opportunities to be involved in Student Leadership, Physical Education, Gifted and Talented Education (GATE), Music, and Special Education. Students have access to before and after school activities such as Running Club, Green Team, art classes, musical theater, Math Club, and Chess Club.

Natoma Station Elementary families consistently and repeatedly express the desire to be partners in their children's education. Natoma Station Elementary School encourages a productive and responsive partnership between home and school. Our community partnerships encompass connections with local businesses, city government, and law enforcement agencies that add dimension, mentorship, and direction to our school. Our Parent Teacher Organization (PTO) is very active, providing many activities and events for the students and families of Natoma Station Elementary School. Our school invests time and resources to build and maintain strong connections with our families and community through School Site Council, (SSC), English Learner Advisory Committee (ELAC), parent engagement activities, Coffee and Conversation with the Principal, as well as multiple volunteer opportunities. Our Blackboard Connect messages (voice, email, and text), Cheetah Bytes weekly digital newsletter, digital school marquee, informational flyers, and Schoolwires web page keep families informed about schedules, events, activities, and highlight student learning happening at school. Teachers use email, class newsletters, Google Classroom and Class Dojo for communication and ensure that there are opportunities for two-way communication between teachers and families. Frequent communication, regular conferences, parent workshops, and parent involvement in the classroom all help to build a positive learning environment. We value and intentionally access the technology capital in our community. Intel Corporation helps to enhance our collective vision through volunteer incentives and technology direction. Each year, students are matched with Intel PC "pen" pals to develop student interaction with the business community.

## 2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on August 24, 2023, and determine that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

## School Facility Conditions and Planned Improvements

Natoma Station Elementary was originally constructed in 1994 and is comprised of 28 classrooms, a multipurpose room/cafeateria, a library, an office, a staff lounge, an exploratory space, and 3 playgrounds. Playgrounds contain multiple play areas that are located inside a secure, fenced location. Classrooms, work areas, and play areas provide adequate space for teaching and learning. Portables were added in 1996, 1998, 2000 and 2008. The school was modernized in 2022. All facility areas are in excellent operating condition, and yards and playgrounds are well maintained. The facility provides appropriate classroom space for our students in well-heated and air-conditioned environments. Natoma Station has wireless connectivity throughout the campus. Natoma Station is a safe, well-managed site with few safety or facility malfunction reports. Our head custodian performs a daily walk-through of the school campus to ensure the school is free from litter, graffiti, and safety hazards. Our campus is easily accessible by students with wheelchairs, crutches, or any other physical challenge. A communication log for facility concerns is provided for staff input and addresses areas of safety, supplies, and maintenance issues. This log is checked daily by both morning and evening custodians. Custodial staff provides consistent efforts to ensure a clean and productive learning environment. The principal works daily with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school.

Daily cleaning schedules and routine checks on all facility equipment are performed. Because of preventative maintenance, reports of incidents related to safety, malfunctions, or facility concerns are very few. District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. The online work order process is used to ensure efficient service and the highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

The LEA governing board has adopted cleaning standards for all schools in the LEA. A summary of these standards is available at the school office, at the LEA office, or on the Internet at <https://www.fcusd.org/Page/41590>. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems. For the 2023/2024 school year, the LEA has budgeted 3% percent of the LEA's general fund budget for the deferred maintenance program.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## 2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2024-25 Opportunities for Parental Involvement

Natoma Station Elementary School continues to work toward strengthening the engagement of our parents and community. This year, we will continue to communicate regularly with parents and provide parent workshops that will connect the learning that happens at school with the learning that happens at home. Parents are encouraged to attend our Back to School Night to understand the curricular and behavioral expectations for the year. Quarterly Coffee and Conversation with the Principal meetings are held to allow for sharing of schoolwide information and to allow another opportunity to parent input. Open House allows our students to showcase their schoolwork for parents and attendance is above 90%. Our school website is updated regularly and our home-school communication system (Blackboard Connect) keeps parents informed about important information and upcoming events. All Natoma Station Elementary School families are encouraged to participate in the planning, implementation, and evaluation of the School Plan for Student Achievement (SPSA). We provide online access codes to families for our curriculum such as enVision (Math) and Benchmark Advance (ELA/ELD) in addition to supplemental programs such as Lexia Core 5, Zearn, and Freckle. Teachers and the Principal provide ongoing communication with parents through our weekly digital newsletter (Cheetah Bytes), emails, our school website, and parent-teacher conferences. Our parent coordinator works closely with our Parent Teacher Organization (PTO) leadership to provide many opportunities for our parent community to strengthen partnerships with our school. Our (PTO) is outstanding in supporting staff and students both academically and through extracurricular and school and community-building events. This year, we will be more intentional about ensuring that we are engaging our parents who speak a language other than English by providing language support.

A large percentage of our parents actively participate in school activities and volunteer in our classrooms. Parents who meet

safety clearance are invited to work in classrooms, in our school garden, lead after-school clubs, and chaperone educational field trips. Parents and staff, along with our PTO, help to fund, organize, and plan events that benefit children throughout the year. Our School Site Council consists of five parents and five staff members who meet regularly to review our site plan and monitor progress on our site goals. Our English Language Advisory Committee meets as part of the Site Council to focus on the specific needs of our English Learners.

Natoma Station Elementary utilized a variety of outreach efforts for input and feedback on the development of the SPSA. Natoma Station Elementary School involves certificated and classified staff, parents, community members, and students in these committees and conversations. Specific School Site Council (SSC) meeting discussions will be held in August 2023, September 2023, January 2024, and spring 2024. ## 2024-25 School Safety Plan

Our school is safe and clean. There were seventeen (17) student accidents reported at our school in the 2022-2023 school year. Restrooms, special education classrooms, kindergarten classrooms, and eating facilities are sanitized and cleaned daily. All other classrooms are cleaned every other day. Any safety hazard that is reported is reviewed immediately and resolved. Safety plans are reviewed each fall and spring. Emergency plans have been developed in case a threatening situation should arise.

Natoma Station Elementary School's approach to maintaining a safe, well ordered, drug free school is to be proactive. A partnership between teachers, the school district, parents, and the community supports this approach. The school rules are published in the School Handbook, shared with parents at the start of school in the fall, and published on our school website. Our physical education teacher and our site PBIS team present and periodically review guidelines for safely using playground equipment and rules for games. Natoma Station has implemented a Comprehensive School Safety Plan. Each classroom has a safety folder with evacuation procedures, evacuation maps, and safety protocols. All staff and students review safety protocols and have scheduled safety drills throughout the year. Safety accommodations for physically challenged students are implemented. Campus supervisors are provided with a manual containing information on campus rules and students receive grade level instruction on drug and alcohol awareness. Additionally, Natoma Station implements Positive Behavior Interventions and Supports (PBIS) to set clear expectations and uses data to respond to student needs with multi-tiered, targeted interventions and supports. Our PBIS committee, which is comprised of a variety of stakeholders including teachers, the principal, instructional assistants, yard supervisors, and parents, continually collaborates on building a positive school culture. Our Second Step curriculum supports the social and emotional health of all students and Responsive Classroom strategies ensure that strong relationships, high student engagement, and culturally responsive practices are embedded in all daily learning activities. In addition, our behavior support provider and our school mental health specialist provide additional targeted support to meet student needs.

## Professional Development

Folsom Cordova Unified School District provided staff with two optional professional development days this school year. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; reading professional literature, and networking. District-sponsored in-service training is provided through Professional Learning Communities (PLC) training, lead teachers, Teachers on Special Assignment (TOSA), and site-level academic, reading, math, science, and technology coaches. Professional development was also offered on the Science of Reading (SOR), English language development, Positive Behavior and Intervention Supports (PBIS), and on

## Professional Development

other instructional practices. FCUSD district staff works collaboratively to provide an induction program for qualified new teachers and ongoing professional development workshop options.

It is the goal of Natoma Station Elementary to embed evidence-based social-emotional and academic learning strategies as a bridge to continually build educational equity. This year, our site has partnered with Sam Drazin from Changing Perspectives to provide professional development and guidance in growing our understanding and implementation of evidence-based inclusive practices. In addition, our curriculum and instruction PD focus is centered on building teachers' understanding of evidence-based foundational reading instructional practices by offering LETRS training, in addition to providing ongoing professional development in effective non-fiction writing practices within the Professional Learning Community structured collaboration model. A focus on essential standards, learning targets, and common formative assessments in English Language Arts (ELA) and Math builds teachers' capacity in monitoring and responding to student learning in a timely and targeted manner. Our social and emotional PD focus is centered on implementing restorative and culturally responsive practices that focus on building positive relationships to produce high levels of student engagement. Activities such as classroom morning meetings, social-emotional learning lessons, and shared parent and teacher digital resources aligned with our monthly character trait focus, enable us to partner with all community partners to provide a holistic learning environment where all students can thrive.
