Health

We are committed to providing a range of employee benefit plans that are cost-effective, affordable and high quality. Our program invests in school-based and post-employment wellness programs that give you and your families the confidence, support and resources they need to lead healthy, productive lives. We are also intent on keeping school districts, local unions and VSTRS informed about the health care market, health care reform initiatives and regulatory compliance under federal and state law.

We urge you to consider yourself a purchaser of health care rather than a beneficiary of insurance. We believe involving you directly in the purchasing of health care services provides the necessary link between providers and consumers that can ensure high-quality products and services at affordable and sustainable prices. Vermont schools, taxpayers, VSTRS and school employees, active and retired, all benefit from the smart use of health care dollars.

Please don't hesitate to contact us with any questions or concerns.

Non-licensed Employee

This page is for public school employees who are **Non-Licensed Support Staff**. The HRA/HSA* funding and premiums are specific to that employee segment as defined in the terms of the Statewide Bargaining Agreement for public schools.

Plan Comparison for Non-Licensed Employees CY25

The plan comparison document shows a side-by-side comparison of the plans and the out-ofpocket exposure for Non-Licensed Support Staff taking into account the funding available with the HRA/HSA*.

Cost Comparison for Non-Licensed Employees FY25, rates effective 7/1/2024

The cost comparison document looks at the out-of-pocket exposure including the out-of-pocket maximums, the HRA/HSA* funding and the premium contributions. You will need to enter your current contracted percentage of premium contributions as it can vary by district. By entering the percentage the spreadsheet will update with new amounts.

IMPORTANT HIGHLIGHTS WE DON'T WANT YOU TO MISS:

- Domestic Partners/Child(ren) of Domestic Partners: Rates that are shown are not for domestic partners. Rates will be calculated on as needed basis for domestic partnerships.
- Licensed Teachers and Administrators HRA/H.S.A. funding change for calendar year 2025.

NEXT SECTION OF PRESENTATION DISCUSS THE PLANS DEDUCTIBLE

- Choosing a Health Plan can be confusing. Please see our next slide for a summary on the four options available to you.
- It is important to note the difference between stacked and aggregate plans.

Stacked Vs. Aggregate Plans

Stacked deductible: Plan pays for an individual once the individual deductible is met, even on a twoperson or family plan.

Aggregate deductible: Full single or entire family deductible must be satisfied before benefits are paid. The only plan that is an aggregate deductible plan is the Gold CDHP plan.

STACKED VS. AGGREGATE DEDUCTIBLES

What is a deductible?

Deductible – The amount you must pay toward the cost of specific services each calendar year before BCBSVT-VEHI make payment.

There are two kinds of deductibles: stacked and aggregate. Benefits are paid differently for **members** on two-person or family plans with **stacked** or **aggregate** deductibles:

- **Stacked** deductible Plan pays for an individual once the individual deductible is met, even on a two-person or family plan.
- Aggregate deductible Full single or entire family deductible must be satisfied before benefits are paid.

VEHI Platinum Plan Example (Stacked Deductible)

Two-Person, Parent & Child(ren) or Family members can be in any combination amount up to \$1,000, with a cap of \$500 per member

VEHI Gold Plan Example (Stacked Deductible)

Two-Person, Parent & Child(ren) or Family members can be in any combination amount up to \$2,400, with a cap of \$1,200 per member

No coverage until bucket is full, regardless of who uses services

- Coverage begins when one person fills their small bucket.
- Everyone combines to larger bucket.
- Coverage for all once family bucket is full.

VEHI Gold CDHP Plan Example (Aggregate Deductible)

Two-Person, Parent & Child(ren) or Family members can be in any combination amount up to \$3,600, with NO cap per member

VEHI Silver CDHP Example (Stacked Deductible)

Two-Person, Parent & Child(ren) or Family members can be in any combination amount up to \$6,000, with a cap of \$3,000 per member

HOW DOES AN HRA WORK?

The next slide will give you an idea of how an HRA can work for you.

We also want to remind you that if you switch to a plan with an HRA, you keep all monies that you currently have in your HSA and you can still use that money towards qualified payments.

		To see your Reimbursement Account in detail click on "Reimbursement Account the left hand side of your screen as shown above.	s" on

Once you have clicked through on Reimbursement Accounts, you will be brought to this Benefit History page. This page details the Annual Benefit Amount of the HRA (what RCPS offers to pay based on your chosen plan), your YTD claims, YTD paid, Balance, Total, if any claims are considered ineligible or have discounts, what has been approved so far, deductible, what you as an employee are responsible for at this point, carrier, and what RCPS has paid out YTD.

The HRA Purse Value at the bottom will give you the balance of what is left in your "benefit amount" to use towards claims in the calendar year.

From this screen, you can also click on the detail prompt under your Benefit History. This will bring you to a page that details each claim so you can be aware if the payment status.

On this page, you will be able to see a summary at the top by "Claimant" – each person covered under your chosen plan will be listed here whether they have had any claims or not.
