Students Start Work to Gain Skills, Opportunities

We are back at school and back to work at Cristo Rey Atlanta Jesuit. Our students went to their workplace Orientation Day this week. It is a logistical masterpiece that our [Corporate Work Study Department](#) coordinates as they recruit over 100 chaperones who help students find their way to 130 companies across Metro Atlanta.

Cristo Rey Atlanta Jesuit has partnered with large and small, local and national companies in over 15 different industries for 11 years to provide a unique, immersive corporate experience for our students. Every student at Cristo Rey, from freshmen to seniors, works one day a week at a [Corporate Partner](#) company.

This is something that no other school in Georgia does. The Corporate Work Study experience gives our students access to incredible opportunities - skill building, mentorships, networking, and introductions to industries and jobs that students may never have known before. Each year, a new job with a new company allows our students to build an impressive resume of work experience and expand their business skills.

I am thrilled to see the end result of the Corporate Work Study program as our college-educated alumni become professionally employed by our Corporate Partners here in Atlanta. That is full circle for our mission!

To help our students achieve that goal, we welcome Emily Kotzan as a Career Counselor who will connect our alumni with our Corporate Partners to share information and applications for college internships and post-grad jobs. See our profile on Emily and check out the list of Corporate Partners who have employed our alumni. If you are not on the list and should be, let me know. If you are not on the list and want to be, contact us and we will make it happen!

Viva Cristo Rey!

Career Counselor Connects Alumni with Corporate Partners

Cristo Rey Atlanta Jesuit is the 1st school in the Cristo Rey Network to hire a Career Counselor. Emily Kotzan is excited to join the school to serve in this role. Emily will function as a liaison between our Corporate Partners and our alumni in college, helping alumni to secure college internships and realize full-time employment in the corporate world.

Emily has over a decade of experience in secondary education. She has worked with a variety of students, including in international schools in Ecuador and Singapore. Most recently Emily was a Career Counselor at Midtown High School (formerly Grady High School). Emily is committed to supporting our alumni through every aspect of the job search process.

Contact [Emily Kotzan](#) to get connected to our network of hard-working, skilled alumni.

Corporate Partners Employing Alumni: Leaders in Advancing the Mission

Thank you to these Corporate Partners who have hired our college graduates. They are bringing the mission of Cristo Rey Atlanta Jesuit full circle through their partnership in our Corporate Work Study Program and employing our alumni. Together, we are providing opportunities that give our students the skills and networks that they need to achieve their dreams.

Thank You Angel Sponsors

Angel Sponsors support CWS student teams working at area non-profits. This support not only provides work experiences for students through the CWS program, it also gives non-profits much-needed resources in the talents that our students bring to the job. Double your impact by supporting the CWS program as an Angel Sponsor. Contact [Najgee Gatson](#) for more details.

Alumni Spotlight - Aliyah Crawford, BS, MSN

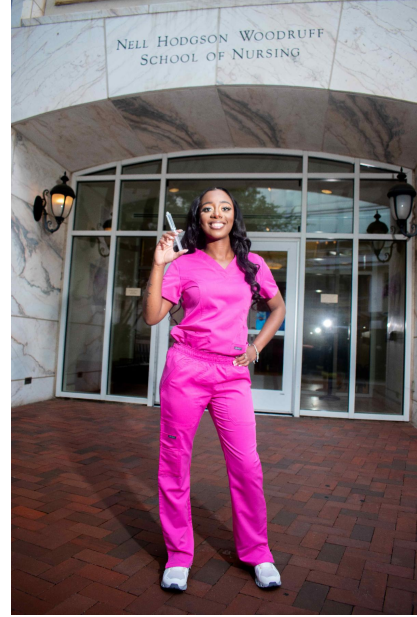

Aliyah Crawford is a member of Cristo Rey Atlanta Jesuit's inaugural class of 2018. She attended the University of South Florida where she earned a BS in Biological Health Sciences in 2022. She went on to earn her Master of Nursing at Emory University in 2024. Aliyah will join Children's Healthcare of Atlanta in November 2024 as a Nurse Resident.

Aliyah remembers her time at Cristo Rey fondly. She made lifelong friendships here and appreciates the bond she created with the faculty. She credits her experience in Corporate Work Study for understanding

early on the importance of professionalism and networking in the workplace. In fact, networking with the nursing community in Atlanta is how she learned about the benefits of Emory's nursing program.

Aliyah advises current Cristo Rey students to learn their study style early. She learns by listening, so she often created playlists of lectures relevant to her coursework. She would listen to them to reinforce her knowledge while commuting back and forth to school.

Aliyah is *To, Through, and Employed*.
Viva Cristo Rey!

Coffee with Cristo Rey 2024-2025

We are thrilled to welcome an impressive list of business leaders to our annual speaker series, *Coffee with Cristo Rey*. Join us to hear from these dynamic industry leaders as they talk about the current business climate, what their companies are doing, and how the speakers landed in their particular careers. We kick off the series on **October 3, 2024**, with **Ángel Cabrera, President of Georgia Tech**.

All Coffees take place in the St. Ignatius Commons from 7:30 a.m. - 8:30 a.m. Free parking is available in the school parking garage at 130 John Portman Blvd. NE, with paid overflow parking in the Courtland Street

parking garage.
