

## Student Account Access

*\*Google Chrome is the recommended browser.*

**During the week of August 17th, students will receive instructions from their program teacher sent to their Tech Campus e-mail (###@student.techcampus.org) for logging into their first day of class on August 24th.**

### Access to Your Student Account Information

**Your parent/guardian must have completed the Create Parent PowerSchool Account steps for you to gain access to your student account information.**

1. Open the Internet browser on your device and navigate to [www.techcampus.org](http://www.techcampus.org).
2. Navigate to the *Students/Parents* tab at the top of the page and click *Parent Portal*.
3. Sign in to the Student and Parent Sign In using your parent/guardian account.
4. Navigate to the button labeled *Student Account* to view your student's username, password, and e-mail account information.

Please visit [www.techcampus.org/remotelearn](http://www.techcampus.org/remotelearn) for student tutorials on how to access Tech Campus e-mail, Schoology, PowerSchool, and Google accounts.

If you have any questions regarding parent PowerSchool accounts or student account access please visit [www.techcampus.org/remotelearn](http://www.techcampus.org/remotelearn) to view tutorials and submit a help request or contact the helpline at 847-543-6160.
