Public Participation in Board of Control Meetings

Effective Aug. 4, 2021:
Per the executive order of the governor, face masks covering the nose and mouth are required at all times in our schools, including for everyone present at Board of Education Meetings. Everyone entering the building will be asked to wear a mask if they are not already wearing one. Those refusing to comply will be asked to submit a doctor's note.

A link to the live stream of the meetings may be found in the meeting agendas and on the district website.

Visitors are welcome and encouraged to attend meetings of the Board of Education, and agendas include ample time for public comment per the following guidelines:

Sign In Upon Arrival: Guests who wish to address the board are asked to sign in and will be recognized by the President to speak in the order listed on the sign-in sheet. The option to include an email address or phone number on the sign-in sheet is encouraged in the event follow-up is required after the meeting.
Per Tech Campus Board policy, members of the public addressing the board will identify themselves at the microphone and be limited to three minutes. When a large group is present, the president may limit the amount of time allocated to those who wish to speak in order to conserve time and give the maximum number of people an opportunity to speak.
To ensure the timely completion of the meeting agenda, visitors are respectfully asked not to repeat comments or questions that have already been presented.
Everyone in attendance is expected to conduct themselves with respect and civility towards others as outlined in:
Board Policy 2:230 -- Public Participation at Board of Education meetings
Board Policy 8:30 -- Visitors to and Conduct on School Property

Board policies may be found on the Tech Campus website at this link.
