

Digital Balance:

Navigating Technology with Your Kid

The Wyoming City Schools and the Parent Connexx Academy are joining forces for the first WCS Parent Partnership Series of the 2024-2025 school year! This workshop will focus on helping families find a healthy balance with technology.

Tuesday, October 15

7:00 PM

Wyoming High School
106 Pendery Ave,
Cincinnati, OH 45215

Featuring Kerry Brown, Senior Parenting Specialist with Beech Acres Parenting Center & the Parent Connexx® Program. Kerry has worked with children & families for over 25 years.

She has three children of her own, worked in the hospital setting as a Child Life Specialist & is very familiar with the real-life challenges parents face.

Kerry believes in helping parents create a better relationship with their children to unlock each family's full potential.
