## CRUHSD STUDENT DISCIPLINE HEARINGS AT ALL TIME LOW!

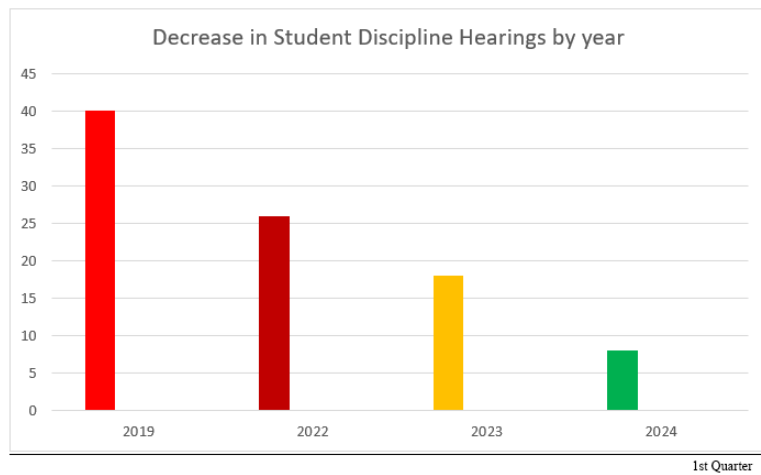

**FOR IMMEDIATE RELEASE**

Thursday, October 10, 2024

Michael Jake Carter  
Director of Community Engagement  
CRUHSD

Bullhead City, AZ – The number of students sent to student discipline hearings for long term suspension or expulsion has fallen to a historic low across the school district. This is more evidence that our district's 4th Collective Commitment that the Governing Board adopted in 2023 is being realized.

**Collective Commitment # 4:** We are collectively committed to a safe school and classroom environment that supports positive relationships that encourages academic risk taking, innovation, and well-being.

**Superintendent's Remarks:**

"Our Governing Board has made student safety a top priority. Drugs, gang activity, bullying, and hate and discontent, are activities that were once tolerated at our schools, but not anymore. Over the past few years, we have given our teachers, staff, and school leaders the training and support that they need. Making improvements to our facilities, adults being visible, building positive relationships with students, setting clear expectations, and finding a balance between accountability and support for our students has been paying off. The data proves it. Our students and our staff across the district are on the rise as school culture continues to improve on our campuses. Achievement for All!" – *Dr. Tim Richard*
