HAPPY STUDENTS

We cannot underestimate the value of happiness as it relates to success, especially at these critical learning stages of a child's life. Creating a lively community of discovery, joy, spirit, and respect is the underpinning of all CAIS schools, and not surprisingly, the most important factor in their success.

BEST SCHOOLS IN THE WORLD

CAIS Boarding schools are some of the most well-known schools in the world.

UNIVERSITY PLACEMENT

Nearly 100% of CAIS students are accepted at the university or college of their choice.

ACADEMIC QUALITY

CAIS independent schools uphold unparalleled quality, validated by their strict adherence to the rigorous standards required for membership in our organization.

PERSONALIZED APPROACH

Specialized teachers, lower student-teacher ratios, and the involvement of parents as partners in education with our schools, mean close, individualized attention for each student, resulting in better outcomes.

INDEPENDENT SCHOOLS

As non-profit institutions, you can rest assured that every tuition dollar paid to a CAIS school is dedicated to maintaining an exceptional quality of education.

TOP QUALITY TEACHERS

Our teachers have the freedom to pursue innovative approaches to learning and collaborating that simply don't exist outside the independent school community.

STATE OF THE ART FACILITIES

CAIS Boarding Schools are proud to have some of the most state-of-the-art living and learning facilities of any school in the world.

DIVERSE PROGRAMS

With 29 schools to choose from, there is a variety of institutions offering diverse strengths, experiences, and programs tailored to meet the needs of every student.

DIVERSE LOCATIONS

With schools in 7 provinces and a variety of locations, students are bound to find an environment in which they'll thrive.

A good education is the greatest gift you can give your child.

WHY BOARDING?

NETWORK FOR LIFE

Attending a boarding school provides opportunities to build deep and lasting relationships with peers and mentors, creating a valuable network that extends far beyond graduation.

UNIVERSITY PREPARATION

Boarding schools offer rigorous academic programs and personalized support to prepare students effectively for the demands of higher education.

24 HOUR SUPERVISION AND CARE

Students benefit from round-the-clock supervision by qualified staff, ensuring a safe and supportive environment for learning and personal growth.

DEVELOPMENT OF INDEPENDENCE IN A SAFE ENVIRONMENT

Living away from home teaches students self-reliance and decision-making skills within a structured and secure setting, fostering personal independence.

EXPOSURE TO STUDENTS FROM ALL WALKS OF LIFE

Boarding schools attract a diverse student body, exposing students to different cultures, backgrounds, and perspectives, enriching their educational experience.

ACCESS TO FACILITIES

Boarding schools typically offer state-of-the-art facilities, including advanced technology, specialized equipment, and extensive extracurricular resources, enhancing learning opportunities.

UNIQUE EXPERIENCES

Boarding schools provide unique opportunities such as leadership roles and immersive learning experiences that broaden students' horizons and enrich their personal development.

The Rosseau Lake College program highlights the students' need to access the core curriculum as well as to build care and compassion for others, acquire health and wellness strategies, and grow an unending curiosity for the world. At RLC, those values are developed in the classroom and on the playing field; on outtrips, over meals in the dining hall, and during walks along the trails. Being situated away from urban centres, on 56-acres of Muskoka waterfront, grants a unique opportunity for students to live actively and to engage meaningfully with others.

Our greatest distinction within independent schooling—and our greatest advantage—is scale. RLC is the smallest independent school in Canada in terms of student population, and that's intentional.
