2024-2025 Instructional Technology Curriculum Information for Families

Username and Password	Most resources will require your student's BSD credentials. All students in grades K-12 have a student email which is also their username. Students in grades K-8 can only send and receive email from within Bellevue School District. **Email/Username:** this *usually* follows the pattern "s-lastnamefirstinitial@bsd405.org" (example: Jane Doe; s-doej@bsd405.org) **Password:** s#studentidnumber (example: student ID # is 123456; password is s#123456) You can check your child's username and student id number by logging in to Synergy ParentVue, or by contacting **parenthelp@bsd405.org**.
Synergy ParentVUE Check username/password, progress reports, and attendance.	ParentVue is the parent access portal for the BSD information system, Synergy. Parents can use this to check attendance, progress reports, and your student's username/ID number. An email was sent this fall with an activation code for Synergy ParentVue. Please check your junk mail or contact **parenthelp@bsd405.org** if you did not get that email. You can also call (425) 456-4222. **Instructions for setting up ParentVue can be found here:** https://www.bsd405.org/programs-and-services/technology-services/grades-and-attendance
Teams	**Teams** is the Bellevue School District Learning Management System. This is where students can access their online meetings and assignments. Students can log in directly to the Teams app on their district laptop or iPad using their BSD username and password. In addition to Teams, the student laptops will have Outlook, OneNote, and Word already loaded and ready to use.
Student Portal The Student Portal gives students access to student email, school library resources,	**Access your student's account from a personal device using Student Portal or www.office.com.** www.bsd405.org -> Students -> Student Portal Sign in with your student's BSD username and password when prompted.

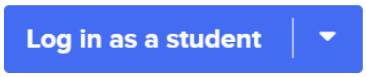

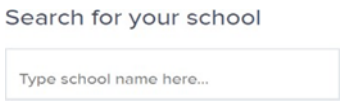

<table>
<tr>
<td>Clever, Office 365, and many more online curriculum resources.</td>
<td>
</td>
</tr>
<tr>
<td>Office 365

Online access to Outlook, Teams, OneNote, Word, Excel and the suite of Office products.</td>
<td>The district student laptop and iPad will come with the suite of office apps already loaded.

If you would like to access your student’s BSD Office 365 account on a personal device: Access through the Student Portal or directly by logging into www.office.com with your student's BSD Username and Password.

If you would like to install Office 365, Microsoft has made Office 365 free of charge for Bellevue School District students and staff. You will be able to install Office on up to five personal devices. With Office 365 you will have access to the latest version of Word, Excel, PowerPoint, OneNote, and much more. Please visit here for instructions: https://www.bsd405.org/programs-and-services/technology-services/microsoft-office-365</td>

			Password: BSD Password s#studentidnumber **Parent Login:** **Username:** pslastnamefirstinitial @bsd405.org (example: Jane Doe; psdoej) **Password:** 12345678
King County Library System Student Accounts Access to databases, ebooks, audiobooks, magazines and free homework help from live tutors.			Due to a unique partnership between the Bellevue School District (BSD) and the King County Library System (KCLS), all BSD students have a special library account that allows instant access to online materials directly from KCLS. Since it's all digital, there are never any fines or due dates to keep track of! *(Note: If your student already has a traditional KCLS library card, they can use either account number to access online materials.)* In addition to databases, ebooks, audiobooks, magazines and more, this account also gives users access to free homework help from live tutors. 1. Always start your search at: www.kcls.org/students. **Since Student Accounts provide access to electronic materials only, you'll need to start at the Students Page instead of the main KCLS catalog. If you attempt to log in using the main KCLS login button, you will receive an error message**.  2. Click on "Student Accounts".  Student Accounts 3. Click on "Elementary School Students". Click on the Database, ebook or audiobook you would like to use or download. When prompted for an account and pin, use the following information: 4. Your student account number ("Library Card Number") is Bellevue School District's three digit number, **405,** followed by your 6 or 7 digit student ID, with no dashes or spaces. **4 0 5** ___ _____ ___ ___ ___ ___ (Don't forget to type 405 first!) PIN = **last 4 digits** of your student ID.
