

Rye City School District Board of Education Goals 2024-2025

INSTRUCTION & PROFESSIONAL LEARNING

Support our faculty, staff, and administration in delivering rigorous instructional programming grounded in the tenets of The Rye Commitment, that is student-centered, equitable, inclusive, and adaptive.

Fund and support professional learning, instructional programming, and curriculum in the following areas:

- International Baccalaureate
- AP Capstone
- Assessment & Data Based Instruction
- Instructional Space Design
- Integrated Co-Teaching (ICT)
- Next Generation Learning Standards
- Early Literacy Instruction
- Mathematics Instruction
- Designing Authentic Projects

Support the development of a K-12 comprehensive Social-Emotional Learning program that is grounded in the tenets of The Rye Commitment.

COMMUNICATION & ENGAGEMENT

Improve District communication about programs being implemented that align with The Rye Commitment.

Effectively communicate with the community using a variety of platforms including:

- Social Media
- Video
- Email
- Newsletters

Increase community awareness and engagement at Board of Education meetings by promoting these meetings through district social media platforms.

OPERATIONS & FISCAL MANAGEMENT

Review recommended facilities improvements and prioritize work based on the availability of funding within the operating budget.

Develop and present a fiscally-responsible budget that:

- Ensures financial stability
- Implements sustainable financial practices
- Promotes educational innovation
- Supports short-and long-term facilities needs
- Utilizes a comprehensive, transparent process
- Upholds The Rye Commitment

Maintain fiscal responsibility while providing oversight over the current budget and Phase IIIA of the Capital Project.
