

TEXICO FOOTBALL HOME GAMES

Texico would like to welcome our visiting opponents to Wolverine Stadium. Teams will be given a locker room on the West side of the facility. Access to the stadium will be along the back side of the facility, through the big metal gate to the southwest corner of the field. Opponents will use the East sideline and warm up on the North End of the Field. Fans will park on the East side of the facility and enter the stadium through the Sports Arena Lobby and concessions area. Fans will have access to the bathrooms in the Arena lobby.

RADIO: We will provide a small section of bleacher seating directly below the north end press box for visiting radio personnel.

TICKETING: We are introducing online ticketing this year through the GoFan. Fans may also make cash payments at the gate. The QR code below can be used for online ticketing.
