# Opinion Writing with 25 3<sup>rd</sup>-5<sup>th</sup> Grade Classes on October 7, 2024

What should my teacher be for Halloween?

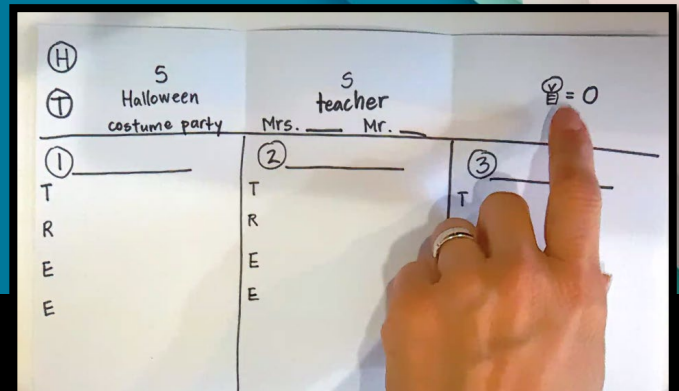

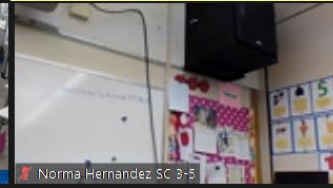

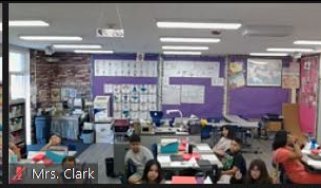

Explicitly teaching writing

### Good Writers...

- ... never start the same way as the sentence before.
- ... always go back and read what they wrote during their writing.
- ... avoid beginning sentences with And, So, Then, and Because
- ... spell high frequency and difficult words as Fast as a Snap!
- ... never stop writing because they don't know how to spell a word.

"Say the word slowly and write down what you feel and hear. Then circle the word and keep writing!"

Oral language practice throughout the writing lesson is crucial.  
"If you can say it, you can write it!"
