

# High School Art Teacher

---

A KIS education centers on inquiry and applied learning principles. We seek excited teachers to join a faculty that collaborates to create relevant and rigorous learning opportunities. As an international school, cultural competency is essential to our community. And just as our teachers support student growth, KIS encourages faculty members to engage in professional development that grows their vocation. KIS works to improve the educational experience continually and benefits from the knowledge and ideas all faculty members contribute.

## Qualifications

- Develop positive relationships with students and families that communicated learning goals and expectations as well as instruct on areas of strength and need
- Commitment to diversity and inclusion

Dedicated teachers play a pivotal role in nurturing the comprehensive development of our students by delivering high-quality instruction, constructive feedback, and assessments. Teachers actively participate in student life, including club sponsorship, advisory roles, and co-curricular activities. Collaboration within department and grade-level teams and maintaining strong connections with parents and school counselors ensures that every student receives the necessary academic and social-emotional support. Joining our community is a fulfilling experience for those eager to contribute to its growth.

## How to Apply:

*Only applications from Schrole and APLi (Search) will be accepted and considered. If you have both platforms, we ask applicants to apply through Schrole.*
