THE ROYAL GRAMMAR SCHOOL VISIONAND ETHOS

Newcastle upon Tyne Royal Grammar School

We believe in inspiring young people and equipping them to make a positive contribution to society.

The RGS as a school should promote excellence and is committed to raising aspiration and attainment across the North East.

By inspiring and nurturing hearts and minds, we can give those around us the freedom to create and shape their own future.

A future that is built on our sense of history and belonging in the city but is fueled by an ambition to succeed and evolve.

A place where freedom of expression, ideas and beliefs can be shared, exchanged and grow openly in our happy environment.

An environment where we look out for each other and treat everyone with care and respect, within and beyond our community.

A spirit to challenge, inspire and stretch the minds of everyone here so we feel free to explore, free to think, free to try, free to dream of possibilities and free to be ourselves.

Sense of belonging

Proud of our heritage, we have a deep sense of belonging. Our school community reaches far and wide.

With an open mind and with care and respect for those around us, we inspire collaboration, forging connections that last a lifetime.

Love for learning

In a happy environment where people can be themselves, we teach and learn in diverse and surprisingly different ways.

By exploring our passions, we have the freedom to bring specialist knowledge to life, supporting creativity, encouraging self-expression and truly nurturing academic promise.

Belief in each other

There are no limits to what we can achieve when we work hard, support and look out for each other.

Through a shared belief, we appreciate and celebrate everyone's achievements. With well-being at the heart of everything we do, our warm and caring culture helps nurture confidence and develop all of the skills needed for a successful and happy life.

Ambition to succeed

Excellence and success are built on our freedom to explore, courage to innovate and spirit to push boundaries both in and outside the classroom.

We don’t stand still, challenging, provoking and stretching minds to help our students evolve new ways of thinking and discover future opportunities.
