

PARKLAND HIGH SCHOOL

Post Prom Party

May 3, 2025 | 11:30 PM – 5 AM

THE POST PROM PARTY has been a tradition at Parkland High School since 2002 and has been successful in providing an all-night event that includes athletic events, dancing, music, games, food, a stage show and prizes in a safe environment for all students who attend the Senior Prom. There is evidence that Prom Night safety issues (drunk driving incidents, drug use, etc.) are dramatically reduced in communities that sponsor AFTER PROM programs. Your support helps Parkland High School present a fun event for all Parkland seniors to spend their last night together in a drug and alcohol-free space on Prom Night.
