

# MISSION *in motion*

Our purpose is to prepare and inspire students to become independent, adventurous thinkers and engaged, compassionate citizens in courageous pursuit of knowledge and truth.

HARVEY EST 1916  
*fund*

The Harvey Fund supports our school's highest priorities, including academic excellence, faculty development, financial aid, experiential learning, and more.

It allows the school to act on unique opportunities as they arise, opportunities that are not covered by tuition alone. Your contributions make every day extraordinary and sustain the hallmarks of a Harvey education — small class sizes, exceptional faculty, and programs that empower our students to

*achieve their full potential.*

#### WHY DO YOU SUPPORT HARVEY?

It's important to our family that we "pay it forward," so other families and students can have the same education, experience, and opportunities that we were provided. Harvey is more than a school, it's a family, and our whole family feels a strong commitment to aiding the next generation of Harvey students and families.

## FINANCIAL AID

With your help, we can ensure that a Harvey education remains accessible to all students regardless of their financial circumstances.

Currently, 36% of our student body receives financial aid, totaling around \$3.7 million in tuition reduction. By supporting the Harvey Fund, you help us continue offering generous financial assistance while providing exceptional learning opportunities.

## THE HUMANITIES

At Harvey, small class sizes and dedicated educators ensure that students are able to find their voice and learn to use it on their educational journey.

We are proud of our many innovative programs — from our annual speech and poetry recitation contests to our unique Japanese language program in partnership with the Keio Academy of New York — and continue to develop new opportunities for our students. Recent additions include the Middle School Capstone, which emphasizes service and leadership, and the 9th grade Common Ground program, which encourages students to experience, question, and create through a nature-centered interdisciplinary curriculum.

### WHY DO YOU SUPPORT HARVEY?

Harvey was here before us and will be here long after our son, Sullivan, graduates. It is vital to support that continuity and help its mission to create infinite possibilities for students to reach their highest potential.

## ATHLETICS

Guided by the principles of the Positive Coaching Alliance, our athletic program provides exceptional opportunities for students at all competition levels.

Our student-athletes compete with some of the best schools in the region, and in the 2023-2024 academic year alone, won eight league championship titles! Evarts Rink, home to our hockey program, is open to Harvey students as well as the greater community year-round.

## STEM

More than just Bunsen burners and the periodic table, at Harvey, STEM is a hands-on, collaborative learning experience.

Our innovative and immersive Science Trajectories program inspires a genuine passion for the sciences, while our world-renowned Robotics program provides unparalleled opportunities for our students. With two dedicated robotics labs in our Middle and Upper Schools, our teams have won more than 95 state, regional, national, and world awards and championships.

### WHY DO YOU SUPPORT HARVEY?

It is an easy choice to support Harvey because it is a place where students thrive. We value the close-knit community and rigorous academic program infused with compassion and understanding.

## THE ARTS

Harvey's diverse arts program allows students the freedom and opportunity to express themselves creatively.

We believe that the arts are an essential element of education, just like reading, writing, and math, allowing students to develop a cultural literacy that fosters imagination, creativity, and the ability to solve complex problems. At Harvey, students have the opportunity to perform in one of our 11 annual productions and performances or explore disciplines such as ceramics, graphic design, media production, photography, or dance in the extraordinary Walker Center for the Arts.

### WHY DO YOU SUPPORT HARVEY?

Harvey has been part of our family's story for a long time. This school helped me become the best version of myself, and in turn helped our son, Joseph, find his strengths and equipped him with the skills and habits necessary for college and beyond.
