

COVID Relief Grant Funding

Additional grant funding has been made available to school districts in Fiscal Years 2021, 2022 and 2023 to assist in responding to the COVID-19 pandemic. This funding has helped Centerville City Schools offset expenses related to technology purchases, supplies and equipment for cleaning and disinfecting, personal protective equipment, teacher planning and preparation, and intervention and remediation to lead the learning rebound. The following pages include an explanation of each grant and how our district is utilizing this grant funding.

Elementary and Secondary School Relief (ESSER)

\$451,821

***These funds
have been
spent***

- ESSER funds were awarded to school districts in May 2020 and must be used by Sept. 30, 2022.
- Centerville City Schools received \$451,821 (plus \$136,522 to non-public schools for a total award of \$588,343).
- These funds can be used to support any program currently funded by existing federal funds for expenses directly related to the pandemic.
- Centerville Schools used these funds for professional development and teacher preparation in the summer of 2021; online resources including Dreambox, IXL, Pear Deck and Generation Genius; monthly service fees for WiFi hotspots; blended learning compensation; individual art kit supplies for students; journals and individual dry erase boards and markers.

Coronavirus Relief Funds (CRF)

\$428,616

***These funds
have been
spent***

- CRF grants were awarded to school districts in August 2020 and must be used by Dec. 31, 2021.
- Centerville City Schools received \$428,616.
- These funds can be used on any necessary expenditure incurred due to the pandemic.
- Centerville Schools used these funds to purchase Chromebooks, gloves, masks, gowns, hand sanitizer, thermometers, paper towels, cleaning supplies, air purifiers, Plexiglas partitions, HVAC control upgrades, and online learning programs such as Reading A-Z and Parlay.

BroadbandOhio Connectivity Grant

\$30,899

***These funds
have been
spent***

- BroadbandOhio grants must be used by school districts before Dec. 30, 2020.
- Centerville City Schools received \$30,899.
- These funds were provided to ensure that all students have access to Internet connection.
- Centerville Schools used these funds to purchase hotspot devices and pay monthly service fees for WiFi hotspots.

Montgomery County CARES Act Education Grant

\$2,000,000

***These funds
have been
spent***

- CARES Act grants from Montgomery County must be used by school districts before Dec. 31, 2021.
- Centerville City Schools received \$2 million.
- These funds must be used in relation to interruption of or reduction of services occurring as a result of the pandemic.
- Centerville Schools used these funds to purchase Chromebooks, hotspots, document cameras, water bottle filling stations, HVAC upgrades and filters, security cameras and radios, Kaivac and Clorox 360 cleaning machines, Plexiglas dividers and shields, cleaning supplies and disinfectant, hand sanitizer, blended learning compensation, individual math manipulative kits, wipes and masks.

COVID Relief Grant Funding

Montgomery County ESC Blended Learning

\$48,000

*These funds
have been
spent*

- This funding from the Montgomery County Educational Service Center must be used between October and December 2020.
- Centerville City Schools received \$48,000.
- These funds are intended to support providing high-quality blended learning to students.
- Centerville Schools used these funds for blended learning compensation.

Elementary and Secondary School Relief (ESSER II)

\$2,310,098

*These funds
have been
spent*

- ESSER II funds must be used by school districts before Sept. 30, 2023.
- Centerville City Schools received just over \$2.3 million.
- These funds can be used to prevent, prepare for and respond to the COVID-19 pandemic.
- Centerville Schools used these funds for summer intervention staff and supplies, online resources to support student learning recovery and intervention, literacy resources, Chromebooks, service fees for WiFi hotspots, PPE and custodial supplies, HVAC filters, water bottle filling stations, and professional services to hold a safe graduation ceremony.

American Rescue Plan (ARP/ESSER III)

\$5,191,837

*These funds
have been
spent*

- ARP/ESSER III funds must be used by school districts before Sept. 30, 2024.
- Centerville City Schools received more than \$5.1 million.
- These funds can be used to implement interventions such as summer learning or enrichment, extended school year programs, ensuring that interventions respond to students' academic, social and emotional needs, and address the disproportionate impact of the pandemic on any student subgroups, including economically disadvantaged students.
- Centerville Schools has used and is using these funds for ongoing learning recovery and intervention, additional staff to reduce class size and provide intervention, professional development, assessments to evaluate student learning needs, digital learning tools, digital assessments, summer intervention, literacy supplies including word study materials, magnetic letters, sand, trays, screens, and books, instrument cleaning, masks and custodial supplies, carpet cleaners, CO₂ sensors, district and building paper orders, food service supplies including trays, plasticware, napkins, and straws, boiler replacement, touchless scanners for food service lines, HVAC projects, water bottle filling stations and filters for water bottle filling stations.

American Rescue Plan IDEA (Special Education)

\$475,024

*These funds
have been
spent*

- The Individuals with Disabilities Education Act (IDEA) American Rescue Plan (ARP) funds are intended to support early intervention and special education services for infants, toddlers, children and youth with disabilities and their families.
- Centerville City Schools received \$442,295 for special education and \$32,729 for early childhood special education.
- These funds are provided to help schools recover from the impact of the coronavirus pandemic, to safely reopen schools and sustain safe operations, and to assist in providing a free appropriate public education in the least restrictive environment for children with disabilities ages 3-21.
- Centerville Schools received notification about these grants in September 2021 and will be using these funds to support academic recovery for our special education students and to support early intervention.

COVID Relief Grant Funding

American Rescue Plan (Homeless)

\$18,849

***\$12,885 left to
spend***

- The American Rescue Plan Act of 2021 (ARP-Homeless II) funds are for the purposes of identifying homeless children and youth, providing wraparound services in light of the impact of the COVID-19 pandemic, and providing assistance needed to enable homeless children and youth to attend school and participate fully in school activities.
- Centerville City Schools received \$17,678.49.
- Centerville Schools will be using these funds to cover the cost of transportation for homeless students and to support their various needs.

ESSER State Activity Award

\$68,269.51

***These funds
have been
spent***

- The ESSER State Activity Award is intended to address the impact that COVID-19 has had, and continues to have on the educational organization.
- Centerville City Schools received \$68,269.51
- Centerville Schools will be using these funds to address learning loss by covering the cost of MTSS coaches to provide intervention and support to struggling learners.
