STRATEGIC Kids®

at Stellar

Strategic Kids' BricQ Motion Sports will get students working with LEGO® while teaching a wide variety of engineering topics. Children will learn organizational and fine motor skills, as well as team work and other life strategies! Through this course, the students will discover simple engineering concepts using gears, levers and cams by engaging in fun activities and guided play based around games from the sports arena.

Jurassic Park LEGO® Step into the prehistoric world of Isla Nublar, constructing iconic scenes from raptor escapes to dino discoveries, and learn the secrets of these ancient creatures. This class isn't just about building; it's about embracing the thrill of adventure and the spirit of discovery. Join us for a roaring good time as we navigate challenges, outsmart the dinos, and create our own Jurassic Park tales!

LEGO® Teaches

- Fine Motor Skills
- Spatial Awareness
- Experimentation
