As we approach Halloween, Thanksgiving and other winter holidays, we would like to remind that you no student is allowed to bring and distribute food, candy, desserts, baked goods (store bought or homemade) or any other edible items to school without the explicit permission of a teacher or administrator. Students who bring these items and/or distribute these items without permission will receive discipline for Student Code of Conduct violation 7A: Failure to Follow Rules and all food/candy items will be confiscated. Please know that this expectation is to keep all students safe.

In order to keep yourself safe, please never eat or consume anything given to you by another student or person, anything you have not brought from your home or anything that is not in its original sealed package. This is due to recent national and state reports about students sharing edible items and synthetic medications with other students that contain very harmful substances.

Thank you for doing your part in keeping yourself and others safe at school.
