Important message regarding **CTE dual enrollment and the fall LAVC courses**: LAVC Dual Enrollment fall classes start the week of September 9th. Students must complete their LAVC enrollment by Friday, Sept. 6th to have access for their college class on Canvas. Any student who is not enrolled will need to email their professor for permission to join the class while they complete their LAVC enrollment and for a permission #. Students MUST be attending their college classes. Stop by the career center if you have any questions about this and do not delay completing your LAVC enrollment. Remember that the college enrollment process is the student's responsibility.

GO BEARS!!
