I wanted to take a moment to discuss the **importance of being good citizens** in our neighborhood. In the past few weeks, we have taken quite a few calls from CVS, 7-11 and McDonalds regarding our students behavior after school. Our children are the future, and it's crucial that they understand the value of respect, responsibility, and kindness towards others. Please help us by having this conversation with your children. Please encourage children to be considerate of their neighbors, whether it's through polite greetings, respecting property, or being mindful of noise levels. Teach children the importance of safety, including looking out for one another, understanding traffic rules, and being aware of our surroundings. This is especially important around the school as we are greatly impacted during drop off and pick up times. By working together, we can help our children develop into conscientious and caring individuals who contribute positively to our community. Let's lead by example and have open conversations with our kids about these values.

Make up Picture Day - Staff and Students, if you missed the Picture Days this week, Make up Day is on September 9 from 8:30-3pm in Photo Room 2114. Students without photos will be called down to get their ID photos done and printed. Check the Athletics & Activities counter for the Photo Package order form. Strictly no retakes after your badge has been printed. If you are missing your ASB card sticker, reprints may be available by mid-September. Make sure to keep your receipt.

For all the 10th and 11th graders at John Burroughs High School, there is an upcoming opportunity to take the **PSAT, also known as the "practice" SAT**. It is scheduled for October 30th, and it will take place during the school day. This test is most beneficial for students planning to attend a four-year college or

university after high school. Juniors will have the opportunity to earn a National Merit Scholarship. If you would like your student to take the PSAT, please purchase the test at our Student Store as soon as possible. Space is limited as we have only 200 seats available. The cost is $25. Please note that the PSAT is NOT a required test. Currently, the University of California system and California State Universities do not require the SAT for applicants; however, select private colleges may. Thank you.

Support the **JBHS Cross Country Team** and eat at Blaze Pizza in Empire Center on Thursday, Sept. 12th from 5pm-10pm. We will get 30% of the proceeds and you get to not cook! Students that have enrolled in **LAVC dual enrollment**, remember classes start Monday and Tuesday, Sept. 9th and 10th! Students who are NOT yet enrolled MUST get this permission and be attending their online classes while completing their enrollment. Keep in mind that space is limited and many of the classes have filled so permission must come from the professor if still space in the LAVC class.
