Class Spotlight

Ms. Mellard's class was caught displaying the W(Well Prepared) in PAWS. Ms. Mellard assisted students that needed help. The rest of the class worked independently or with a partner to complete their assignment. Students transitioned well and responded quickly to directions.

Parent Needs Assessment

The JEES Parent Needs Assessment is designed to identify the specific needs and concerns of parents regarding their children's emotional, social, and academic well-being. By understanding these needs, the school counselor can tailor support services and resources to better assist families, foster stronger school-home connections, and enhance the overall school environment. Please take a moment to complete the parent needs assessment by clicking the link below.
