## Hewlett-Woodmere Public Schools

# GEORGE W. HEWLETT HIGH SCHOOL

## Empowering The Next Generation For Success In Life

### ABOUT OUR COMMUNITY

The Hewlett-Woodmere School District, founded in 1898, is a diverse residential community located on the South Shore of Long Island, approximately 25 miles from midtown Manhattan. The ethnicity of the District is comprised of 60% White, 10% Asian or Pacific Islanders, 18% Hispanic, 10% Black, 1% American Indian or Alaskan Native, and 1% multicultural. Hewlett-Woodmere has a population of 20,000 residents, composed predominantly of business and professional people. The community is well known for its active support of community service programs and for creating opportunities for students to achieve excellence.

### ABOUT OUR DISTRICT

Hewlett-Woodmere is a school district full of opportunities to excel! We teach our students to think creatively, to ask the tough questions, to delve deeply into research utilizing the latest technology, to communicate through a variety of media, and to collaborate with peers and adults.

We go beyond the mandated curriculum to develop each student's individual academic, artistic, and athletic potential. Students are further enriched through a variety of activities and experiences.

We invite you to get to know Hewlett-Woodmere Public Schools. We are educating the future...for the future.

### ABOUT OUR SCHOOL

George W. Hewlett High School is a comprehensive four-year high school. There are 1,040 students enrolled, of which 280 are seniors. There are 135 professionals serving the Hewlett High School community.

### Final Average and Class Rank

## SPECIAL PROGRAMS

**Research Programs** — Science and Social Science — In these programs, students conduct independent original research in science and social sciences under the direction of teacher-mentors. Projects culminate with entry into numerous prestigious competitions, including the International Science and Engineering Fair; Siemens Competition in Math, Science and Technology; and the Regeneron Science Talent Search. Students are trained in all aspects of research and are expected to make presentations of their work in a seminar format. Students must complete a rigorous interdisciplinary research course prior to entering the program. The Science Research Program has achieved national recognition. The Independent Science Research Program is conducted in an on-site research laboratory.

**Virtual Enterprise** — Focused on 21st century skills, the course is a two-credit course that provides students the opportunity to manage a business. The students create a business plan and implement it by selling virtual products to the other 3,000 International Virtual Enterprise teams. Participation in this course fulfills the economics requirements for graduation.

**Business and Computer Science** — This Department offers a comprehensive catalog of courses. Students must meet computer technology and financial literacy requirements in order to graduate. Students also have an opportunity to participate in Stock Market Club and DECA.

**AP Capstone** — An innovative diploma program that provides students with an opportunity to engage in rigorous scholarly practice of the core academic skills necessary for successful college completion. AP Capstone is built on the foundation of two courses — **AP Seminar** and **AP Research** — and is designed to complement and enhance the in-depth, discipline-specific study provided through AP courses. This program offers students a unique opportunity to distinguish themselves to colleges and universities.

**Silver Cord Recognition** — The Silver Cord, worn by students at commencement, honors graduates who have performed community service for 65 hours or more. The Class of 2024 honored 71 students with Silver Cord recognition.

**Co-curricular Activities** — Hewlett High School offers students the opportunity to participate in more than 60 co-curricular clubs and activities. In addition to the co-curricular clubs, HHS offers membership into the following 12 honor societies: Art, Business and Marketing, Computer Science, English, Foreign Language, Math, National, Quill and Scroll, Science, Social Studies, Thespian, and Tri-M. Students are invited to join after meeting specific requirements.

**Art Study** — Hewlett-High School's Art Department has had student work featured in local museums such as the Nassau County Art Museum in Roslyn, Long Island Museum in Stony Brook, The Art League of LI in Dix Hills, The Art Guild in Port Washington, Firefly Gallery in Northport, and CW Post LIU. Students have participated in statewide art exhibitions such as the New York State School Board Association, the New York State Legislative Art Exhibit at the Capital Building in Albany, NYSATA Conference, Art Supervisors Association, Olympics of the Visual Arts, and various others.

**Music Study** — Hewlett High School's Music Department has been honored to receive the National Association of Music Educators award for Best Communities for Music Education. The department features mixed grade level ensembles, music theory, as well as honors level Band, Choir, and Orchestra which have a weighted grade. More than 60% of the student body participates in music ensembles. The High School Musical Club consistently performs yearly high-level Broadway shows. Students have performed at Carnegie Hall, Disney, Boston, Montreal, and Puerto Rico. During the 2023–2024 school year, 157 high school students participated in NYSSMA and 34 students auditioned for NYSSMA All State. Six students were selected to participate in New York All State Festival. More than 45 students were selected to participate in All-County ensembles. Students regularly participate in All-Eastern and All-National Honors Ensembles. Our honor ensembles have earned Gold and Gold with Distinction adjudication rating at levels 5 and 6 at NYSSMA Majors.

**Theater Program** — The Theater Program at Hewlett High School is part of the English Department and includes four elective classes: Introduction to Theater, Theater Workshop 1/2, College Theater Workshop 3/4, and College Theater Workshop 5/6. In these classes, which run sequentially, students are exposed to a variety of challenging topics such as improvisation, modern scene study, movement and voice, acting on camera, directing, musical theater, theater history, and Shakespearean acting. In College Modern Drama, which is offered as either a senior English credit or an elective credit, students study the evolution and major movements of modern drama. In addition, the Hewlett Theater Company produces two full-length theater productions each year, the annual Senior Theater Project One-Acts, and the annual Middle School Theater Workshops and Day of Theater class showcases.

**Athletics** — Hewlett High School is the home of the Bulldogs. We offer 52 boys and girls junior varsity and varsity teams at the high school level. Our interscholastic athletic teams foster excellence through the educational and competitive experience while upholding an atmosphere of sportsmanship. Many of our athletic teams are recognized by the New York State Public High School Athletic Association (NYSPHSAA) as Scholar Athlete Teams. Last year, six students were recognized as 12-season athletes and 389 students received Student Athlete recognition.

**Dual Credit College Course Enrollment** — Hewlett High School offers college credit to students who take courses through its partnership with SUNY Albany, Syracuse University, LIU Post, Molloy University, and Adelphi University.
