Burbank Adult School has had the pleasure of serving parents from across the globe who would like to improve their English skills, work towards citizenship, pursue a high school diploma or high school equivalency (GED/HiSET), or learn a skill through a course in a career/technical education field. Please use the link below to see our Fall Catalog to share the most up-to-date offerings at BAS. Our courses not only help parents reach their educational or employment goals, but they also help parents more easily communicate and engage with you and your staff and enable them to better participate in the educational process with their children. www.burbankusd.org/cms/lib/CA50000426/Centricity/Domain/932/2024_FALL_BAS_CATALOG.pdf
