Thanksgiving Break

"A prudent person profits from personal experience, a wise one from the experience of others."

~Joseph Collins~

Costume Hunt

Third grade has two curriculum days, Viking Day and Roman Day. This is a great time of year to look for costumes for your student. Roman Day has already happened, but Viking Day is scheduled for November 15.

Multiplication Facts

The x3 facts are due in **early November**. Please keep reviewing the multiplication facts to move them into permanent memory. It is well worth the time in third grade!

Zoo Field Trip

Our first field trip is October 26th to the Cheyenne Mountain Zoo. We will be boarding the buses by 9:00 am. If you desire, you may allow your child to wear sunscreen, sunglasses, and/or a hat. Also, layering is a great idea. We advise students to bring warm clothing that they can wear over their uniform when it's chilly and take off as it heats. Students will not have time for a morning snack, so please allow them to eat a filling breakfast. All students will need to pack a sack lunch and a water bottle.

Students may carry their backpacks with these items at the zoo. Please let your teacher know if students will not be attending this field trip for any reason.

Learn from the mistakes of others. You can never live long enough to make them all yourself.

Spelling Practice

Please remember to be practicing spelling words weekly at home. We do not have much class time available in 3rd grade to practice at school. See our website for helpful practicing techniques, including the [spelling formula](#) and [spelling city](#).

In Our Curriculum:

Please sign planners nightly!

Spelling

Test on lists 17 & 18 and rule 11 on 10/25

Rule 11— Words ending in a silent final "e" are written without the "e" when adding a suffix that begins with a vowel.

Grammar

subject/verb agreement, their/there/they're, end marks & capitals.

Writing Summarizing a Narrative: "Fox & Grapes"

Literature *Charlotte's Web*

Recitation

X3 facts due 10/8
"First Thanksgiving of All" due 11/14

Science - Life Cycles

History - Ancient Rome

Math - Chapter 3 Test on 10/23

In Chapter 4, students will formalize their knowledge of multiplication and division by working with 0's and 1's, remainders, odd and even numbers, and using bar models to solve multistep problems.
