*"When schools, families and community groups work together to support learning, children tend to do better in school, stay in school longer, and like school more."*
**-Anne Henderson & Karen Mapp**

*"When parents or guardians and teachers work together well, everyone wins."*
**-Julia Thompson**

# ARE YOU READY TO EVOLVE?

## Evolve Academy is designed for students who:

- Desire a non-traditional high school experience
- Are interested in a smaller learning community
- Are not finding success in the traditional high-school setting and is considered to be "off-track" for graduation
- Have high expectations for their futures and thrive with individualized support

# EVOLVE ACADEMY

**A FRIENDLY GUIDE ON HOW PARENTS AND GUARDIANS CAN SUPPORT THEIR EVOLVE STUDENT**

*We appreciate your partnership & support in helping our students stay on track and reach their full potential. Your cooperation is crucial to ensuring that our students have a successful academic career!*

8.Parents and guardians are encouraged to obtain their students' Google classroom codes where they can monitor, track and review their students work, progress and grades. Please contact Evolve staff for assistance with this process. ParentSquare (see below) is also a helpful resource to receive important school updates and report cards.

Available on the App Store

Google play

5.Support and encourage your student to obtain and utilize community resources such as: counseling services. seeing their medical providers, applying for employment opportunities and receiving support from our local Stop&Shop with a free monthly food delivery. (Contact Evolve SAC for details)

6.Support and encourage your student with completing their unfinished daily assignments to help them stay on track throughout the term. Encourage your student to work on assignments one hour per night (as needed) to promote the student's ability to complete their assignments. This process helps decrease academic stressors when students are feeling behind in their classes.

7.Encourage your student to take advantage of after-school tutoring with their teachers (3PM-3:45PM) Monday-Thursday from September to June.

1.Support and encourage your student with establishing a healthy nighttime routine to improve their sleep habits. Students require 8-10 hours of sleep in a 24 hour period. It is also helpful to assist your student with waking up and getting to school on time. (Evolve classes begin at 9AM)

2.Support and encourage your student with putting away their cell phones during school hours as phones are a major distraction and decrease students' academic success. If a parent needs to contact their student during school hours, they can text or call 774-488-9294 to speak with a staff member who can connect you with your student without disrupting the learning environment.

3.Support and encourage your student with developing a personal hygiene routine (showering, brushing teeth, using deodorant and wearing clean clothing). The Evolve School Adjustment Counselor can provide hygiene products at no cost.

4.Support and encourage your student to review the Durfee High School dress code located within the Durfee Student Handbook.
