What contributed to student success?

- Individualized support and tutoring
- Mentoring program
- Academic, social, and emotional counseling
- Focus on forming positive relationships with fellow students and staff members

Looking towards the future:

- We introduced a summer school program for all incoming Freshmen in the Transition Program starting the summer of 2024
 - ELA, Math, and SEL components - focus on these important areas to build a foundation to improve attendance and student achievement in preparation for the 2024-2025 School Year
 - Build relationships with students and staff

Looking towards the future:

- Introduction of Maplewoodshop Program in the 2024-2025 School Year:
 - Hands on woodworking class where students build their own projects while learning valuable skills
 - Increase student engagement and attendance
 - Introduce students to more options for areas of study in high school and innovative careers after graduation

Looking towards the future

- **Career Day on October 4th**
 - Expose students to a variety of careers and options for after high school
 - Introduce students to graduates of ACE and the Transition Program so they can network and learn about their success stories

Thank you for your continued support in all of our endeavours! We appreciate you!
