Problem Statements Identifying Student Learning Needs

Problem Statement 1: Interventions will continue in 2022-23 as students continue to demonstrate deficits due to the campus closures and online learning in 2019-2020. Emotional outbursts are jealousy are prevalent behaviors in the upcoming 1st graders. **Root Cause:** It is suspected students are more frequently engaged in technology with parents working from home and unable to interact with other students outside of the home as previously was available.

Problem Statement 2: As a result of online learning and campus closures during COVID-19, students have continued to struggle to close learning gaps, especially in the area of math. The areas of greatest concern is in high achievers with high growth. Teachers are increasing in their development of differentiated plans to address concerns. **Root Cause:** COVID-19 and campus closures.

STUDENT WELFARE
FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

FFH
(LOCAL)

Note: This policy addresses discrimination, harassment, and retaliation involving District students. For provisions regarding discrimination, harassment, and retaliation involving District employees, see DIA. For reporting requirements related to child abuse and neglect, see FFG. Note that FFH shall be used in conjunction with FFI (bullying) for certain prohibited conduct.

STATEMENT OF
NONDISCRIMINATION

The District prohibits discrimination, including harassment, against any student on the basis of race, color, religion, sex, gender, national origin, disability, age, or any other basis prohibited by law. The District prohibits dating violence, as defined by this policy. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

DISCRIMINATION

Discrimination against a student is defined as conduct directed at a student on the basis of race, color, religion, sex, gender, national origin, disability, age, or on any other basis prohibited by law, that adversely affects the student.

PROHIBITED
HARASSMENT

Prohibited harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student's race, color, religion, sex, gender, national origin, disability, age, or any other basis prohibited by law that is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Prohibited harassment includes dating violence as defined by this policy.

EXAMPLES

Examples of prohibited harassment may include offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, or need for accommodation; threatening, intimidating, or humiliating conduct; offensive jokes, name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

SEXUAL HARASSMENT
BY AN EMPLOYEE

Sexual harassment of a student by a District employee includes both welcome and unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. A District employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
2. The conduct is so severe, persistent, or pervasive that it:
 - a. Affects the student's ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student's educational opportunities; or
 - b. Creates an intimidating, threatening, hostile, or abusive educational environment.

Romantic or inappropriate social relationships between students and District employees are prohibited. Any sexual relationship between a student and a District employee is always prohibited, even if consensual. [See DH]

BY OTHERS

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

EXAMPLES

Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

Necessary or permissible physical contact such as assisting a child by taking the child's hand, comforting a child with a hug, or other physical contact not reasonably construed as sexual in nature is not sexual harassment.

GENDER-BASED
HARASSMENT

Gender-based harassment includes physical, verbal, or nonverbal conduct based on the student's gender, the student's expression of characteristics perceived as stereotypical for the student's gender, or the student's failure to conform to stereotypical notions of masculinity or femininity. For purposes of this policy, gender-based harassment is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

EXAMPLES

Examples of gender-based harassment directed against a student, regardless of the student's or the harasser's actual or perceived sexual orientation or gender identity, may include offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

DATING VIOLENCE

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other person in the relationship. Dating violence also occurs when a person commits these acts against a person in a marriage or dating relationship with the individual who is or was once in a marriage or dating relationship with the person committing the offense.

For purposes of this policy, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

student's household. Additional examples may include destroying property belonging to the student, threatening to commit suicide or homicide if the student ends the relationship, attempting to isolate the student from friends and family, stalking, threatening a student's spouse or current dating partner, or encouraging others to engage in these behaviors.

RETALIATION

The District prohibits retaliation by a student or District employee against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report of harassment or discrimination, serves as a witness, or participates in an investigation.

EXAMPLES

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

FALSE CLAIM

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding discrimination or harassment, including dating violence, shall be subject to appropriate disciplinary action.

PROHIBITED
CONDUCT

In this policy, the term "prohibited conduct" includes discrimination, harassment, dating violence, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.
