# Updates throughout the Schools

**Stoughton High School**

SHS recently celebrated Custodial Day to honor their hardworking staff. This month, their character theme is "Upstander," focusing on students who take a stand against injustice. The school will be recognizing these exceptional students. In addition, they're conducting safety drills throughout the month to promote safety awareness.

**Kegonsa Elementary**

Kegonsa students are expanding their knowledge through hands-on experiences. They've explored survival skills, environmental conservation, and agriculture through field trips. In October, they'll continue learning about science, farming, and space at various locations.

**River Bluff Middle School**

Parent-teacher conferences are this month, featuring student-led discussions. The Building Leadership Team is conducting learning walks to support the School Improvement Plan & Adult Learning Framework. They'll visit classrooms to observe instruction & collect data to inform professional development and support adult practices.

**Sandhill Elementary**

Sandhill completed its fall safety drill and picture retakes. 3rd grade staff and students are busy planning a Veterans Day celebration for November. Students have been busy with lots of field trips, including 5th grade's recent trip to the Hoard Museum and Aztalan State Park!

**Fox Prairie Elementary**

On Wednesday, October 16th, Fox Prairie students will explore the Overture Center on a field trip. Their annual WFK Trunk or Treat will be held on Friday, October 18th, from 5:15-6:30 pm. Finally, Parent-Teacher Conferences and Book Fair on October 23rd and 24th.

**4 Year Old Kindergarten**

Our 4K friends have been exploring the concept of family and learning important skills like identifying numbers 0-5, sorting items, and writing their names. They are also learning what it means to be independent, organized and friendly. Students have been enjoying visits to the pumpkin patch & visits from local firefighters!
