

FOLSOM CORDOVA UNIFIED SCHOOL DISTRICT

**Course Outline
Ceramics 3**

Date: October 2004

Subject Area: Visual & Performing Arts

Proposed Grade Level(s): 11-12

Course Length: 1 Year

Grading: A-F

Number of Credits: 5/Semester

Prerequisites: Completion of Ceramics 1 & 2 with a grade of B or higher

BRIEF COURSE DESCRIPTION:

Ceramics 3 covers special problems in wheel throwing, and hand building techniques, with an emphasis on size and form. Students will explore areas of decoration, furthering their work with oxides, stains, and engobes. Students work more independently and make decisions as to areas of preference. Students will continue to gain the ability to analyze, and respond to various ceramic pieces, including their own. Students will be introduced to numerous cultural, historical styles, and motifs, and will explore areas leading to originality, and good workmanship in his/her work. Students will compile enough work to demonstrate their abilities through the use of a portfolio, which can be used for college entrance, or employment in a visual art field.

GENERAL GOALS / PURPOSES:

- Goal 1: Study qualities and constraints of working in clay, and developing techniques for successfully working in the media, to produce sculptural, functional, and decorative objects.
- Goal 2: Acquire advanced skills to create, represent, and interpret ideas and feelings through the medium of ceramics.
- Goal 3: Display an advanced understanding of the elements of art, and principles of design, and incorporate those concepts into their ceramic pieces.
- Goal 4: Display ability to aesthetically value and appreciate works of art through written opinions, and class discussions.
- Goal 5: Develop an understanding of the role of ceramics in art, culture, history, and society.
