VALLEY FORGE, 1777-1778

Students in 8th Grade U.S. History traveled back in time to the Winter at Valley Forge this week! They huddled under a tent, honored brave Patriot soldiers who lost their lives at the encampment, and even sat around the fire to eat fire cake--all while examining historical artifacts and documents from Valley Forge! Students used this activity to examine the conditions the Continental Army faced at Valley Forge and ultimately answer the question: If you had been a soldier at Valley Forge, would you have quit?
