Sonoran Foothills 6th Grade TRACKS Card Guidelines

TRACKS cards represent a structured behavior program designed for most students. Each teacher/administrator has the right to use his/her professional judgment to modify this plan for individual students as needed.

Each quarter, all 6th grade students will receive a TRACKS card and are expected to have it in their possession during the school day.

Students are expected to place their TRACKS card on their desk in every class. Teachers will use the positive side of the TRACKS card to record student behavior that reflects positive TRACKS attributes. If a student displays an infraction of the TRACKS traits, then they may receive a verbal warning or an immediate infraction depending on the nature of the behavior. If, after receiving a verbal warning, a student continues displaying infractions in TRACKS, then the teacher will record an infraction on the student's TRACKS card.

Each student begins the quarter with a new TRACKS card. After every 5 infractions, the student will receive an additional consequence. After 5 infractions, the student will serve a lunch detention and an email will be sent to the parent(s). After 10 infractions, the student will serve another lunch detention and the parent will be emailed again. After 15 infractions, the student will serve a before school detention 7:45-8:45am (or a week of lunch detentions if transportation is an issue) along with an email home to parents. Additionally, the student will meet with administration to discuss behavior choices and reflect on our school's TRACKS expectations. If a student reaches 20 infractions within the same quarter, an office referral will be created.

Physical or verbal aggression, theft, vandalism, threatening acts, fighting, or any infraction listed in the DVUSD Student Rights and Responsibilities Handbook will warrant immediate consequences in the form of an office referral.

Any student who **loses their TRACKS card will have it replaced with a white TRACKS card** and this will prevent them **from participating in the TRACKS Card Quarterly Celebration**. To earn the end of the quarter card celebration, students must have **DOUBLE** the amount of positive signatures when compared to their own infraction signatures. (EX. A student with 5 infractions, will need a minimum of 10 positive signatures to be eligible for the celebration.)

If a lost TRACKS card is found, adhere to the following procedure: If the student finds their TRACKS card, then it is their responsibility to bring both the white TRACKS card and their original TRACKS card to a 6th grade teacher. The teacher will transfer all positives and infractions onto the original TRACKS card and the student will receive an infraction in the area of "prepared for class." as the consequence for losing the card.

Parents, will you please partner with the 6th grade team by sitting down for 5 minutes once a week with your student to look at their TRACKS card? We ask that you <u>celebrate</u> positives and <u>reflect</u> on infractions earned with your student. There is a place on the TRACKS card for parents to sign each week after your discussion with your child.

Please sign below to acknowledge that you have read the 6th grade TRACKS card guidelines and understand the consequences of not meeting the TRACKS expectations. If you have any questions, please feel free to write them below, and a 6th grade teacher will contact you.
