The image shows a screenshot of the PowerSchool SIS navigation interface. The top header is blue with the PowerSchool SIS logo and name. A vertical navigation sidebar on the left contains icons and labels for various sections: People, Attendance, Health, School Enrollment, MBA Plugins, Courses and Programs, Data and Reporting, and School Management. The 'People' section is expanded, showing a sub-menu with 'Students', 'Staff', and 'Contacts'. The 'Students' option is highlighted. The main content area is divided into four columns of navigation links: 'Student Searches', 'Student Administration', 'Student Fees', and 'Student Reports'. Each column lists various search and management options.

Navigation to links remain on the left hand side of the screen.

They are organized by category.

Click on arrows to open fly-out menus.

Fly-Out Menus : Extend out to new menus with Categories and Subcategories.

The screenshot displays a software interface with a sidebar on the left and a main content area on the right. The sidebar contains a vertical list of menu items, each with an icon and a right-pointing arrow:

- People (selected, highlighted in blue)
- Attendance
- Health
- School Enrollment
- Courses and Programs
- Data and Reporting

The 'People' menu is expanded into a fly-out menu with the following subcategories:

- Students (selected, highlighted in blue)
- Staff
- Contacts

The 'Students' subcategory is further expanded into a grid of options:

The Category Menu Options Change

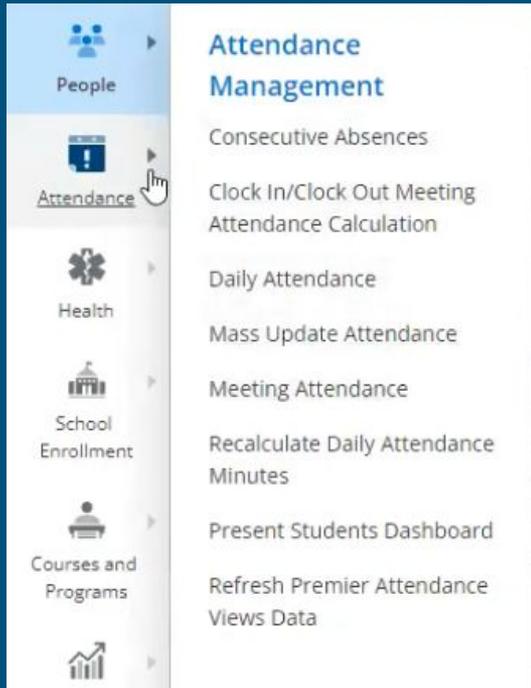

The screenshot displays a web application interface. On the left is a vertical sidebar menu with icons and labels for various categories: People, Attendance, Health, School Enrollment, Courses and Programs, Data and Reporting, District Management, System Management, Applications, and META Catalog. The main content area is titled 'Start Page' and features a search bar with 'Students' selected and 'All' as a filter. Below the search bar is an alphabetical index (A-Z) and a list of grade levels (PK4, K, 1-14, F, M, All). A 'Current Student Selection (0)' section shows a message 'There are no search results.' and buttons for 'Expand', 'Select By Hand', and 'Quick Student Export'. A 'Daily Bulletin' section for Tuesday, September 26, 2023, includes a 'Welcome Back!' message and an announcement for 'New Teacher Orientation' held in the Media Center. A 'Legend' section at the bottom indicates that icons represent 'Date Entry'. On the right side, there are two panels: 'Quick Data' showing 'At Risk Students' with a scale from 0 to 1, and 'Incident Count' with a bar chart showing zero incidents for each month from October to May.

District level has different options than School/Program Level

School Level has applications related to their management needs. (these have not changed)

The screenshot displays the 'People' management interface. The left sidebar contains a navigation menu with categories: People, Attendance, Health, School Enrollment, Courses and Programs, Data and Reporting, School Management, System Management, and Applications. The 'Attendance' category is expanded, showing a list of management tools such as 'Consecutive Absences', 'Clock In/Clock Out Meeting Attendance Calculation', 'Daily Attendance', 'Mass Update Attendance', 'Meeting Attendance', 'Recalculate Daily Attendance Minutes', and 'Present Students Dashboard'. Below these are 'Attendance Reports' including 'Absentee Report', 'Attendance Count', 'Consecutive Absences Report', 'Teacher Attendance Submission Status', and 'PowerTeacher Attendance'. The main content area shows a search bar, a grid of letters (L-Z), a checkbox for 'Include Remote Enrollments', and a table with a count of 'n (0)'. Action buttons for 'Expand', 'Select By Hand', and 'Quick Student Export' are visible. The right sidebar features 'Quick Data' with an 'Attendance Taken' donut chart at 0% and 'At Risk Students' with a vertical scale from 0 to 1. The top right corner indicates the date 'Today is: 09/26/2023', the school 'Regular 10 period Day (A)', and 'META High School'.

Categories are organized related to Tasks

This is a change from the classic navigation which was not grouped by Tasks.

Categories and Subcategories are;

- Security Driven
- Link Access based on User's Role Access
- Categories and Subcategories Hidden when not accessible by user.
- This will limit access to tasks that are outside the scope of the user.
- Increases security and mitigates data breaches.

Prompts to make selections to complete tasks.

Example: If you select “Mass Assign Counselor” without having a student selection, a mini-start screen will appear.

The screenshot displays the PowerSchool SIS interface. The top navigation bar is blue with the 'PowerSchool SIS' logo. The left sidebar contains a 'People' menu with sub-items: People, Attendance, Health, and School Enrollment. The 'People' menu is expanded, showing 'Students', 'Staff', and 'Guardians & Contacts'. The 'Students' sub-menu is highlighted. The main content area is divided into several sections: 'Search For Students' (with 'New Student Search' highlighted), 'Modify & Save Selections', 'Scheduling', and 'Student Administration'. The 'Student Administration' section includes options like 'Mass Assign IDs & Passwords', 'Run Manual LDAP Sync', 'Mass Assign Counselor' (highlighted with a red arrow), 'Mass Create Family Links', and 'Manually Alter Student Field Value'. The 'Student Group' section is partially visible at the bottom.

The new interface will prompt you to complete necessary processes to achieve your requested task.
