The sidebar contains a list of links: 'Budget Office', 'FY2022 BPS Budget Basics', 'FY2022 Budget Development', 'Past Budget Developments+', and '2021 BPS Federal Relief Funding'. **BPS is expecting \$400M via the Elementary and Secondary School Emergency Relief (ESSER) Fund.**

Grounded in the community-driven strategic plan, BPS will invest these one-time federal relief funds to return well, recover strong, and reimagine what's possible for our students.

Superintendent Cassellius has formed a Commission to represent the voices of key BPS audiences and advise on the best way to invest federal relief funds. The Commission will host 5 meetings that will be open to the public and at the end of each meeting there will be a public comment period. There will also be a 30 day review and comment period from July 1 to July 30 on the final recommendations of the commission to the Superintendent.
