## **1. Introduction and aims**

At Lynch Hill School Primary Academy, we recognise that mobile devices, including smart phones, are an important part of everyday life for our pupils, parents and staff, as well as the wider school community.

Our policy aims to:

- Promote, and set an example for, safe and responsible phone use
- Set clear guidelines for the use of mobile phones for pupils, staff, parents and volunteers
- Support the school's other policies, especially those related to child protection, online safety and behaviour

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Potential for lesson disruption
- Risk of theft, loss, or damage
- Appropriate use of technology in the classroom

Note: throughout this policy, 'mobile phones' refers to mobile phones and similar devices.

## **2. Relevant guidance**

This policy meets the requirements of the Department for Education's non-statutory [mobile phone guidance](#) and [behaviour guidance](#). Further guidance that should be considered alongside this policy is [Keeping Children Safe in Education](#).

## **3. Roles and responsibilities**

### **3.1 Staff**

All staff (including teachers, support staff, and supply staff) are responsible for consistently enforcing this policy.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The assistant headteacher responsible for ICT is responsible for monitoring the policy every 2 years, reviewing it, and holding staff and pupils accountable for its implementation.

Staff will address any questions or concerns from parents/carers quickly, and clearly communicate the reasons for prohibiting the use of mobile phones.

## **4. Use of mobile devices by staff**

### **4.1 Personal mobile devices**

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to make or receive calls, or send texts, while in contact time with children. Use of personal mobile phones, must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the

staff room). Ear pieces and other wearable technology, for example smart watches, must not be linked with mobile phone or on *DND mode* unless otherwise agreed with SLT. If staff members are observed misusing this technology within class time, they will be asked to remove it.

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time. For instance:

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members

The headteacher will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number, 01753 524170, as a point of emergency contact.

## **4.2 Data protection**

Staff must not use their personal mobile phones to process personal data, or any other confidential school information, including entering such data into generative artificial intelligence (AI) tools such as chatbots (e.g. ChatGPT and Google Bard).

## **4.3 Safeguarding**

Staff must refrain from giving their personal contact details to parents or pupils, including connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents or pupils.

Staff must not use their mobile phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil. If it's necessary to take photos or recordings as part of a lesson/school trip/activity, this must be done using school equipment.

## **4.4 Using personal mobiles for work purposes**

In some circumstances, it may be appropriate for staff to use personal mobile phones for work.

Such circumstances may include, but aren't limited to:

- Emergency Evacuations
- Using multi-factor authentication
- Supervising off-site trips
- Supervising residential trips

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
- Not use their phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil
- Refrain from using their phones to contact parents. If necessary, contact must be made via the school mobile phone or school office

## **4.5 Work phones**

Some members of staff are provided with a mobile phone by the school for work purposes.

Only authorised staff are permitted to use school phones, and access to the phone must not be provided to anyone without authorisation.

Staff must:

- Only use phone functions for work purposes, including making/receiving calls, sending/receiving emails or other communications, or using the internet
- Ensure that communication or conduct linked to the device is appropriate and professional at all times, in line with our staff code of conduct.

## **4.6 Sanctions**

Staff that fail to adhere to this policy may face disciplinary action.

See the school's staff disciplinary policy and procedure for more information

## **5. Use of mobile phones by pupils**

- Pupils in Years 5 & 6 are permitted to bring a mobile to school, to assist with the journey to and from school, potentially on their own.
- Pupils who do bring their phones to school are not permitted to use them in the school building and must hand them to their class teacher. These are then stored safely until the end of the day

### **5.1 Use of smartwatches by pupils**

The DfE's non-statutory mobile phone guidance includes in the term 'mobile phones' all devices with communication and smart technology that the school chooses to include in their policy.

Smartwatches are wristwatches with smart technology in them. They can be used to tell the time, send and receive text and voice messages, make calls and listen to music. Some smartwatches have wellness and health-related features.

Pupils at Lynch Hill are not allowed to wear smartwatches to school. If a child in Year 5 or 6 has a smartwatch to assist them with their journey to and from school, they must hand it in to their teacher to be safely stored until the end of the day, in the same way as mobile phones.

### **5.2 Sanctions**

If there is a breach in the acceptable use of a mobile phone by a pupil, this mobile phone may be confiscated by the year leader until the end of the day. Repeated misuse may result in a request that the mobile phone is no longer brought into school. A formal warning or yellow letter may be issued.

Staff have the power to search pupils' phones, as set out in the [DfE's guidance on searching, screening and confiscation](#). The DfE guidance allows staff to search a pupil's phone if they have reason to believe the phone contains pornographic images, or if it is being/has been used to commit an offence or cause personal injury. Any action with respect to this, must be undertaken by SLT in consultation with the DSL and Slough Children First, if necessary. If staff have any concerns, they should speak with SLT / DSL before undertaking any action.

Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously, and will involve the police or other agencies as appropriate.

Such conduct includes, but is not limited to:

- Sexting (consensual and non-consensual sharing nude or semi-nude images or videos)
- Upskirting
- Threats of violence or assault
- Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation

## **6. Use of mobile phones by parents, volunteers and visitors**

Parents, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's a public event (such as a school fair), or of their own child
- Using any photographs or recordings for personal use only, and not posting on social media without consent
- Not using phones in lessons, or when working with pupils

Parents, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents or volunteers supervising school trips or residential visits must not:

- Use their phone to make contact with other parents
- Take photos or recordings of pupils, their work, or anything else which could identify a pupil

Parents or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones, as set out in section 4 above.

Parents must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on his/her personal mobile during the school day.

## **7. Loss, theft or damage**

Pupils bringing phones to school must ensure that phones are appropriately identifiable, and are handed to the class teacher when in school.

Pupils must secure their phones as much as possible, including using passwords or pin codes to protect access to the phone's functions. Staff must also secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to and from school. If (in the case of Year 5 and Year 6 pupils) the phone has been handed to the school staff to be safely stored during the school day, or school confiscates the phone, then we will become responsible for it whilst in our possession.

Confiscated phones will be stored in the school office in a secure locked cabinet.

Lost phones should be returned to the office. The school will then attempt to contact the owner.

## **8. Monitoring and review**

The school is committed to ensuring that this policy has a positive impact of pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents and pupils
- Feedback from teachers
- Records of behaviour and safeguarding incidents
- Relevant advice from the Department for Education, the local authority or other relevant organisation
