

Dear Parent/Guardian,

Thank you for registering your child with Gaylord Community Schools.

Please provide the following documents to complete the enrollment:

- **ORIGINAL BIRTH CERTIFICATE**
- **PROOF OF RESIDENCY** - must have parent/guardian name and address indicating residency (Ex. driver's license, utility bill, rent/lease agreement, property tax statement, voter's registration, mortgage document, certification from work, etc.)
- **COMPLETE IMMUNIZATION** or **Immunization Waiver**
- **POWER OF ATTORNEY** or **GUARDIANSHIP PAPERWORK** – if student doesn't live with parent
- Latest **IEP** or **504 PLAN** – if student receives special education services

Please fill out the following forms:

- **STUDENT INFORMATION RECORD** (Emergency Card)
- **REGISTRATION PROOF OF RESIDENCY**
- **CONSENT FOR DISCLOSURE OF IMMUNIZATION INFORMATION**
- **STUDENT INFORMATION SHEET**
- **ELECTIVE CHOICES FORM**
- **AFFIRMATION OF PRIOR STUDENT RECORD**
- **AUTHORIZATION TO RELEASE CONFIDENTIAL INFORMATION** (Records Request)
- **TRANSPORTATION REGISTRATION FORM** (If applicable)
- **CONCUSSION AWARENESS ACKNOWLEDGEMENT FORM**
- **CHROMEBOOK TECHNOLOGY USE AGREEMENT**
- **TECHNOLOGY PROTECTION PLAN** (optional)

These forms are to be filled out if the enrollment takes place after the school year has started:

- **STUDENT/PARENT AGREEMENT SIGNATURE PAGE**
- **DIRECTORY INFORMATION OPT-OUT FORM**

* Parent and student must schedule a meeting with building administrator before starting classes. That meeting should take place 48 hours after the forms have been completed and turned in.

* During the 48 hours prior to the meeting, the school counselor will make contact with the sending school to find the student's school history. The counselor will also contact the student's assigned teachers.

* The enrollment interview will then take place with parents, counselor, and building administrators. The student may then start classes the following day once all criteria are met.

Vaccines Required for School Entry in Michigan

Whenever children are in group settings there is a chance for disease to spread. Children must follow vaccine laws in order to attend school. These laws are the minimum standard for preventing disease outbreaks in group settings. The best way to protect children from serious diseases is to follow the recommended vaccination schedule at [cdc.gov/vaccines](https://www.cdc.gov/vaccines). When following the recommended schedule children are fully protected and any school vaccination requirements are met.

All Kindergarten and 4-6 year old transfer students		All 7th Graders and 7-18 year old transfer students
Diphtheria, Tetanus, Pertussis (DTP, DTaP, Tdap)	4 doses DTP or DTaP 1 dose must be at or after 4 years of age	4 doses diphtheria and tetanus or 3 doses if 1 st dose given on or after 1 year of age 1 dose Tdap at 11 years of age or older upon entry into 7 th grade or higher
Polio	3 doses if dose 3 was given on at or after 4 years of age	4 doses or 3 doses if dose 3 was given on at or after 4 years of age
Measles, Mumps, Rubella (MMR)*	2 doses at or after 12 months of age	
Hepatitis B*	3 doses	
Meningococcal Conjugate (MenACWY)	None	1 dose at 11 years of age or older upon entry into 7 th grade or higher
Varicella (Chickenpox)*	2 doses at or after 12 months of age or Current lab immunity or History of varicella disease	

***If the child has not received these vaccines, documented immunity is required.** All doses of vaccines must be valid (correct spacing and ages) for school entry purposes. These rules apply to children who are the above ages upon entry into school. During disease outbreaks, incompletely vaccinated children may be excluded from school. Parents and guardians choosing to decline vaccines must obtain a certified non-medical waiver from a local health department. Read more about waivers at [Michigan.gov/immunize](https://www.michigan.gov/immunize).

The Michigan Department of Health and Human Services will not exclude from participation in, deny benefits of, or discriminate against any individual or group because of race, sex, religion, age, national origin, color, height, weight, marital status, gender identification or expression, sexual orientation, partisan considerations, or a disability or genetic information that is unrelated to the person's eligibility.

Everyone Is Here to Help

There are lots of adults ready to help students make the transition to GMS. Here are some of those people:

- Mr. Somerville, Principal
- Mr. Smith, Assistant Principal
- Mrs. Baril, School Counselor
- Mrs. Hartmann, Secretary
- Mrs. Moore, Secretary
- Teachers

All of the adults at Gaylord Middle School are always willing to answer questions, provide help and listen. Students should not be afraid to ask for help for any reason. Everyone is here to help!

What to expect...

The First Day of School

Students do not need to worry about where to go or what to do on the first day of school. A letter will be mailed home at the end of summer. It will indicate the student's 1st hour teacher. On the first day of school, all 7th grade students will report to the gym. The 1st hour teachers will be introduced and students will line up with their teacher. The teachers will lead the students to their classroom, pass out schedules, assign lockers and give the students a tour of the building.

Finding Your Way

Students tend to worry about how they will find their classes. Students will find room numbers on their schedules that match the room numbers on the classrooms. Most importantly, all teachers stand in the hallways between classes ready to help students find their way. There is nothing to worry about!

Schedule

One big change that students will experience is switching classes each hour. Students will have seven class periods. Each class will be in a different classroom with a different teacher.

Sample Schedule

	Time	Subject
1st hour	7:58-8:58	ELA
2nd hour	9:02-9:53	Elective
3rd hour	9:57-10:49	Elective
4th hour	10:53-11:45	Science
Lunch	11:45-12:20	Lunch
5th hour	12:24-12:59	Seminar
6th hour	12:59-1:51	Social Studies
7th hour	1:55-2:47	Math

Lockers

Each student will be assigned their own locker on the first day of school. Combinations will be given out on the first day as well. Students will have a chance to practice opening their locker and get help from the teacher if necessary. It is very important that students do not share their locker combination with anyone.

School Supplies

Each teacher will let students know what school supplies will be most helpful for that particular class. However, in general it is helpful if students have some pencils, folders, spiral notebooks, highlighters and most students like to have a 3-ring binder.

Being Prepared

Students have four minutes in between classes. During this time they will visit their locker to pick up materials for their next class, get a drink or use the bathroom if necessary and arrive at their next class before the bell. It is very important that students come prepared with the materials required for that particular class.

Organization

Having several different classes with several different teachers increases the need for good organization. Each student will receive a planner on the first day of school. Students are highly encouraged to write down all assignments in their planner. Looking at the student's planner is a good way for parents to see what homework students have. It is also important for students to keep their materials well organized. Using separate folders and notebooks for each class is helpful.

Getting Involved

Getting involved in school activities is a great way to meet new people and feel more connected to GMS. Several athletic activities are available through the school including football, volleyball, basketball, wrestling, cheerleading and track. Students must have a physical on file to participate in athletics. GMS also offers a number of other activities such as student council, robotics, cross country ski club, art club, archery club, and book club. Announcements are made so students will know when and where to sign up.

Dress Code

In the first few pages of the student planner, you will find the student handbook which includes the dress code. GMS does enforce this dress code. This is not the dress code in it's entirety, but rather some points to keep in mind while school shopping.

- Shorts and skirts must be at or below the student's fingertips.
- Clothing which exposes undergarments or excessive skin is prohibited.
- Clothing that displays obscene, violent or profane language or pictures are prohibited.

- Ripped or torn clothing, which includes jeans with rips or frayed spots, above the knees, are prohibited.
- Pajamas or pajama pants are not to be worn to school.
- Headwear (ball caps, winter hats, headbands, etc.) are not to be worn in school.

Consent for Disclosure of Immunization Information to Local and State Health Departments

Immunizations are an important part of keeping our children healthy. Schools and State and Local health departments must monitor immunization levels to ensure that all communities are protected from potentially life-threatening diseases and, if necessary, respond promptly to an emerging public health threat. It is important that disease threats be minimized through the monitoring of students being immunized.

Sharing immunization and personally identifiable information including the students name, Date of Birth, gender, and address with local and state health departments will help to keep your child safe from vaccine preventable diseases. The Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g, requires written parental consent before personally identifiable information from your child's education records is disclosed to the health department. If your child is 18 or over, he or she is an "eligible student" and must provide consent for disclosures of information from his or her education records.

You may withdraw your consent to share this information in writing at any time.

I authorize Gaylord Community Schools to release my child's immunization record to the Michigan Department of Health and Human Services and Local Health Department. I understand this information will be used to improve the quality and timeliness of immunization services and to help schools comply with Michigan Law. This includes any immunization information and limited personally identifiable information from the school.

Mark your top three choices; 1, 2 and 3.

	Band* This year long symphony band exists for students who are strong in the basic fundamentals of technique, rhythm, tone and musicianship, and indicate a strong interest in music. This band progresses from intermediate to advanced intermediate in music knowledge and performance skills. Most years, the band performs two parades, three concerts and a rated festival.		
	Chorus* This year long class is open to all students who are interested in singing. The group will perform several concerts as well as a rated festival. Students will also have the opportunity to audition for Middle School State Honors Choir. In addition to learning how to sing, students will also begin learning basic music theory.		
	Exercise Science* This year long class will focus on examining the effects of exercise and physical activity on the body. The class will include classroom activities in addition to vigorous physical activity.		
	Spanish* This year long class is equivalent to Gaylord High School’s Spanish I class. Students need to earn a minimum of one year of a foreign language in order to graduate high school and completing this class can count for that credit.		
	STEM This course is intended to integrate STEM (Science, Technology, Engineering and Mathematics) through project based learning. Students will be engaged by frequent hands-on activities geared towards combining each of the STEM disciplines. Creativity and collaboration will be encouraged as students solve problems.	Graphic Design This course uses a creative process of combining art, technology and business to communicate ideas. The main tools are image (illustration and digital photos) and typography (letter font styles) to create attractive layouts. Students explore a range of design techniques using various digital art software, digital equipment and programs. Students who had Graphic Design in 7 th grade may take this class although it is not a requirement.	
	Outdoor Education Students will gain an appreciation of the natural world and learn new ways to have fun outdoors. The Otsego Environmental Learning Site located behind GMS will provide outdoor experience. Subjects covered will include map reading, Michigan laws and regulations, trees and forestry, orienteering, outdoor survival, snowshoeing, mammals and tracks, camping and backpacking, fish, and Michigan invasive species.	Physical Education Students will be involved in individual and group activities, indoor and outdoor, depending on the season. They will be introduced to lifelong activities.	
	Home Ec This class will introduce students to basics such as nutrition, personal care, career exploration, employability skills, household management, sewing and other life skills.	Social Media Citizenship Students will learn about what it means to be a digital citizen, media bias, logical fallacies, finding the truth in social media, forming an argument, our role in a global society, and how social media has changed the way the world works.	Problem Solving This course focuses on critical thinking and problem solving. Students use logical progression skills found in creating computer code, while developing future job skills. We also explore problem solving approaches
	Advanced Health & Fitness Students will gain an understanding of their personal health and fitness. The class week will be divided into three days in the classroom and two days connecting classroom instruction to fitness in the gym/weight room.

UNDERSTANDING CONCUSSIONS

Educational Material for Parents and Students

(Content Meets MDCH Requirements)

Sources: Michigan Department of Community Health, CDC and the National Operating Committee on Standards for Athletic Equipment (NOCSAE), National Athletic Trainers Association

Some Common Symptoms				
Headache	Balance Problems	Sensitivity to Noise	Poor Concentration	Not "Feeling Right"
Pressure in the Head	Double Vision	Sluggishness	Memory Problems	Feeling Irritable
Nausea/Vomiting	Blurry Vision	Haziness	Confusion	Slow Reaction Time
Dizziness	Sensitivity to Light	Fogginess	"Feeling Down"	Sleep Problems
		Grogginess		

WHAT IS A CONCUSSION?

A concussion is a type of brain injury that changes the way the brain normally works. A concussion is caused by a fall, bump, blow, or jolt to the head or body that causes the head and brain to move quickly back and forth. A concussion can be caused by a shaking, spinning for a sudden stopping and starting of the head. Even a "ding," "getting your bell rung," or what seems to be a mild bump or blow to the head can be serious. A concussion can happen even if you haven't been knocked out.

You can't see a concussion. Signs and symptoms of concussions can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If the student reports any symptoms of a concussion, or if you notice symptoms yourself, seek medical attention right away. A student who may have had a concussion should not return to activity on the day of the injury and not until a health care professional says they are okay to return to activity.

IF YOU SUSPECT A CONCUSSION:

- SEEK MEDICAL ATTENTION RIGHT AWAY**-A health care professional will be able to decide how serious the concussion is and when it is safe for the student to return to regular activities, including sports. Don't hide it, report it. Ignoring symptoms and trying to "tough it out" often makes it worse.
- KEEP YOUR STUDENT OUT OF ACTIVITY**-Concussions take time to heal. Don't let the student return to activity the day of the injury and not until a health professional says it is okay. A student who returns to activity too soon, while the brain is still healing, risks a greater chance of having a second concussion. Young children and teens are more likely to get a concussion and take longer to recover than adults. Repeat or second concussions increase the time it takes to recover and can be very serious. They can cause permanent brain damage, affecting the student for a lifetime. They can be fatal.
- TELL THE SCHOOL ABOUT ANY PREVIOUS CONCUSSION(S)**-Schools should know if a student had a previous concussion. A student's school may not know about a concussion received in another sport or activity unless you notify them.

SIGNS OBSERVED BY PARENTS:

- Appears dazed or stunned
- Is confused or has trouble with homework or school assignments
- Forgets an instruction
- Can't recall events prior to or after a hit or fall
- Appears fatigued
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows mood, behavior or personality changes

CONCUSSION DANGER SIGNS:

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. If a student sustains a bump, blow or jolt to the head or body and the following danger signs are present, **immediate medical attention** should be sought at the closest emergency department.

One pupil larger than the other	Repeated vomiting or nausea	Becomes increasingly confused or agitated	Is drowsy and cannot be awakened
Slurred speech	Has unusual behavior	A headache that gets worse	Convulsions or seizures
Weakness, numbness or decreased coordination	Cannot recognize people or places	Loses consciousness (even briefly)	

WHAT SHOULD YOU DO?

If a student reports one or more symptoms of a concussion after receiving a bump, blow or jolt to the head or body, h/she should be immediately removed from activity (this includes but is not limited to, athletics, PE classes, band, dance, aerobics, theatre and choir.) The student should only return to activity with the permission of a health care professional experienced in evaluating concussions. Rest is key during recovery. Exercising or activities that require a lot of concentration (such as studying, working on the computer or playing video games) may cause concussion symptoms to reappear or get worse. Students who return to school after a concussion may need to spend fewer hours at school, take rest breaks, be given extra help and time, and spend less time reading, writing or on a computer or iPad. After a concussion, returning to sports and school is a gradual process and should be monitored by a health care professional. Concussions affect each individual differently. Some may recover quickly and fully while others may have symptoms that last for days, weeks or even months.

Gaylord Community Schools Technology Protection Plan Enrollment Information

Gaylord Community Schools is offering an optional Technology Protection Plan that is available to purchase for each technology device issued to a student. The Technology Protection Plan will cover accidental damage to Chromebooks, Hotspots or other GCS issued technology devices. The Technology Protection Plan also covers theft of a device when promptly reported and accompanied by a valid/associated Police report identifying the specific device by serial number. The protection plan will be extended to an authorized 'loaner' device when applicable. This protection plan does not cover loss of a device and/or its accessories, cosmetic damage, or damages caused by misuse and/or abuse (determined by the GCS administrative team).

Costs are outlined below for the annual protection plan. If this plan is seen as a financial burden to your family and you would still like to participate/purchase the coverage, please contact your building principal to discuss potential options. Parents who choose not to purchase the Technology Protection Plan will be fully responsible for any loss, theft or damage of a GCS issued device. The plan is available to purchase for any GCS student.
