

Our Hero

***Let's show our support
and appreciation to all who
have served our country!***

We would like to invite all South Amboy students to share information about a Veteran or Service Member you know. You will write a brief description about this person, and why they are special to you. You will have the opportunity to read it during our Veteran Celebration that will take place on November 14 at 6:00pm at the Elementary School. If you prefer, you can record yourself reading your description and we will play the video at the celebration. Please bring your writing or submit your recording to South Amboy Elementary School or email it to Mrs. Buchanan at mbuchanan@sapublicschools.com by October 29, 2024.
