Revised/Approved: March 7, 2024

Demographics

Demographics Summary

L. Clifford Davis Elementary opened in the fall of 2002 and is named after the Honorable Judge L. Clifford Davis. We service grades PK-5. Our campus is considered neighborhood school and we have educated generations of families. Our student enrollment has increased over the years and we currently serve around 765 scholars on our campus. Each year, we usually end with 800 or more scholars. L. Clifford Davis Elementary is part of the Mighty Wyatt Nation Pyramid and is proud to see our scholars graduate from Oscar Dean Wyatt.

Demographics Strengths

L. Clifford Davis represents a diverse academic community. We have over 40 different languages on our campus. Not only is our student demographic diverse, we also have a diverse staff population that is currently growing to service our students. We have staff members that speak Arabic, Spanish, Dari, Farsi, and Pashto. Those staff members operate in different capacities to support our scholars and our community.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): During the Fall Semester of the 2023-2024 school year the attendance rate for our Special Education student groups is 90.98% in comparison to the districts goal of 95% attendance rate. **Root Cause:** Communication with families and staff members around the importance of all student attendance is System for teachers to contact students with absences, to support building solid, positive relationships at school not implemented with fidelity with all students in grades PK-5.

Problem Statement 2 (Prioritized): African American student group discipline data (referrals and out of school suspension) is disproportionately high compared to all other student

groups and overall demographic percentage. **Root Cause:** Classroom and Campus discipline system/protocols are not consistently implemented, and upheld.

Student Learning Strengths

Based on the curriculum adopted by our district, the students at L. Clifford Davis Elementary will be exposed to high, quality, rigorous learning materials. Opportunities to connect learning to real-world experiences is increasing, as a way to increase student authenticity and parent involvement.. Teachers and students have increased the in-class usage of our technology devices. The progress monitoring process where teachers are intervening, assessing, and tracking student growth and the leadership team is providing constructive feedback is being utilized and redefined to become a more data driven campus. We are also incorporating student and parent conferences into our data protocol to develop a partnership and alignment of performance.

Focusing our planning efforts on lesson alignment and formative assessment, has assisted in strengthening Tier I Instruction for our scholars.

Our NWEA MAP data, demonstrates that students are making academic growth in the area of Math, but there is still a gap with grade level performance.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): Students in third through fifth grades are working below grade levels on Lexia and DreamBox. **Root Cause:** Lack of capacity to effectively analyze assessment data, in order to pinpoint and address student needs through small group instruction and intervention.

Problem Statement 2 (Prioritized): Percentage of students maintained or increased proficiency levels as measured by TELPAS. Percentage of students maintained or decreased proficiency levels as measured by TELPAS. **Root Cause:** Lack of capacity in implementation of ESL strategies provided to support Emergent Bilingual student group, in conjunction with Tier I instruction.

Problem Statement 3 (Prioritized): 41 % of all students met projected growth on MOY MAP Math. **Root Cause:** Tier I instruction is not consistently aligned to the rigor of the standard in all grade levels.

Problem Statement 4 (Prioritized): 38% of all students met projected growth on MOY Reading MAP. **Root Cause:** Tier I instruction is not consistently aligned to the rigor of the standard in all grade levels.

School Processes & Programs

School Processes & Programs Summary

Through the campus PLC process, teachers have become more knowledgeable in examining student work, collaborating and learning best practice strategies. In addition to campus PLCS, we have participated in delivering model lessons with peer feedback and intentional student engagement opportunities.

Saturday Camp

Planning Sessions

Daily Scheduled interventions

Restorative Practices Professional Development

Partnership with Catholic Charities

Morning Meetings

Clayton YES!

Attendance Restoration

Lesson Alignment Formative Assessment

Weekly Data Meetings

Lesson Tuning Protocol

MHMR Navigator

New Teacher Academy

School Processes & Programs Strengths

Teachers who are new to teaching have become more familiar with utilizing the FWISD's Curriculum Framework to plan weekly lessons. 95% of the teachers consistently upload and submit their weekly lesson plans into Canvas in a timely manner which allows the leadership team to provide constructive feedback to the teachers. There are two assigned instructional coaches that resides on the campus full time to support teachers. There is also a Data Analyst that is working with teachers to utilize data to grow students. During the 2023-24 SY, the Literacy and Math content coaches began supporting the 3rd, 4th, and 5th grade new teachers consistently. Instructional Support provided specifically to Science and hands-on Science Labs incorporated in 5th Grade. The campus redefined the lesson internalization process to accurately gauge instructional support. The focus on lesson alignment and formative assessment allowed for intentional, standards-based assessment for students.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): Student groups are under-enrolled in special programs in relation to overall student population. **Root Cause:** Campus Multi-Tiered System of Support (MTSS) lacks a clear process of meetings, roles/responsibilities, and expectations that includes all stakeholders.

Problem Statement 2 (Prioritized): During the 23-24 school year, there were a total of 204 discipline referrals. **Root Cause:** Lack of consistent implementation of PBIS and student culture routines and procedures campus-wide.

Perceptions

Perceptions Summary

L. Clifford Davis is rebuilding and continuing its community partnerships by:

Catholic Charities Tutoring/Professional Development

Hosting Family Events

Partnering with Parent Shield

All Pro Dads

Fort Worth Junior League

Hosting Fundraisers Including Families

Teaming Process

Culminating to showcase student work

Community Events with Goodwill

MHMR Navigator

Our campus was provided an MHMR Navigator to help support the social and emotional needs of our at-risk scholars. This partnership has also helped with decreasing our absence rate. Our Family Engagement Specialist and our counselors actively provide resources to parents and incorporate student participation days to continuously connect our families. Through donations and partnerships, we have also been able to provide food items, coats, and uniforms for families in need.

Perceptions Strengths

Most students and parents are happy to be at Clifford Davis. We have increased our language supports and, parents are able to communicate needs and be supported by staff members. Parents enjoy interacting with the school community and are looking forward continuing to build relationships.

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): Opportunities to provide students with leadership experiences and roles was at a minimum. **Root Cause:** The campus lacks a well-defined structure to support student leaders, and there is insufficient provision for continuous exposure to leadership opportunities.

Problem Statement 2 (Prioritized): Limited opportunities for campus involvement and achievement celebrations among all stakeholders. **Root Cause:** A comprehensive system for intentionally planning and coordinating student/family events that incorporates stakeholder voice has not been implemented.

Priority Problem Statements

Problem Statement 1: During the Fall Semester of the 2023-2024 school year the attendance rate for our Special Education student groups is 90.98% in comparison to the districts goal of 95% attendance rate.

Root Cause 1: Communication with families and staff members around the importance of all student attendance is System for teachers to contact students with absences, to support building solid, positive relationships at school not implemented with fidelity with all students in grades PK-5.

Problem Statement 1 Areas: Demographics

Problem Statement 2: African American student group discipline data (referrals and out of school suspension) is dispoportionally high compared to all other student groups and overall demographic percentage.

Root Cause 2: Classroom and Campus discipline system/protocols are not consistently implemented, and upheld.

Problem Statement 2 Areas: Demographics

Problem Statement 3: Students in third through fifth grades are working below grade levels on Lexia and DreamBox.

Root Cause 3: Lack of capacity to effectively analyze assessment data, in order to pinpoint and address student needs through small group instruction and intervention.

Problem Statement 3 Areas: Student Learning

Problem Statement 4: 41 % of all students met projected growth on MOY MAP Math.

Root Cause 4: Tier I instruction is not consistently aligned to the rigor of the standard in all grade levels.

Problem Statement 4 Areas: Student Learning

Problem Statement 5: 38% of all students met projected growth on MOY Reading MAP.

Root Cause 5: Tier I instruction is not consistently aligned to the rigor of the standard in all grade levels.

Problem Statement 5 Areas: Student Learning

Problem Statement 6: Student groups are under-enrolled in special programs in relation to overall student population.

Root Cause 6: Campus Multi-Tiered System of Support (MTSS) lacks a clear process of meetings, roles/responsibilities, and expectations that includes all stakeholders.

Problem Statement 6 Areas: School Processes & Programs

Problem Statement 7: During the 23-24 school year, there were a total of 204 discipline referrals.

Root Cause 7: Lack of consistent implementation of PBIS and student culture routines and procedures campus-wide.

Problem Statement 7 Areas: School Processes & Programs

Problem Statement 8: Opportunities to provide students with leadership experiences and roles was at a minimum.

Root Cause 8: The campus lacks a well-defined structure to support student leaders, and there is insufficient provision for continuous exposure to leadership opportunities.

Problem Statement 8 Areas: Perceptions

Problem Statement 9: Limited opportunities for campus involvement and achievement celebrations among all stakeholders.

Root Cause 9: A comprehensive system for intentionally planning and coordinating student/family events that incorporates stakeholder voice has not been implemented.

Problem Statement 9 Areas: Perceptions

Problem Statement 10: Percentage of students maintained or increased proficiency levels as measured by TELPAS. Percentage of students maintained or decreased proficiency levels as measured by TELPAS.

Root Cause 10: Lack of capacity in implementation of ESL strategies provided to support Emergent Bilingual student group, in conjunction with Tier I instruction.

Problem Statement 10 Areas: Student Learning

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- HB3 Reading and math goals for PreK-3
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data

Student Data: Assessments

- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- STAAR released test questions
- STAAR Emergent Bilingual (EB) progress measure data
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Student failure and/or retention rates
- Local benchmark or common assessments data
- State-developed online interim assessments
- Grades that measure student performance based on the TEKS

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Emergent Bilingual (EB) /non-EB data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender etc.
- Section 504 data

- Homeless data
- Gifted and talented data
- Dyslexia data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Discipline records
- Class size averages by grade and subject
- School safety data
- Enrollment trends

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact
- Equity data
- T-TESS data
- T-P ESS data

Parent/Community Data

- Parent engagement rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Capacity and resources data
- Budgets/entitlements and expenditures data
- Study of best practices
- Action research results

Goals

Revised/Approved: April 5, 2024

Goal 1: Early Literacy

Increase the percentage of 3rd grade students who score at meets grade level or above on STAAR Reading from 34% to 47% by August 2025.

Performance Objective 1: Increase the percentage of PK students who score On Track on Circle Phonological Awareness in English from ___% to ___% by May 2025.

Increase the percentage of PK students who score On Track on Circle Phonological Awareness in Spanish from ___% to ___% by May 2025.

Increase the percentage of African American students or the student group that is most marginalized by instruction on our campus (gender, race, program, other) from ___% to ___% by May 2025.

Strategy 1: Ensure PLCs are regularly scheduled to actively develop engaging and rigorous lessons based upon student needs with district-approved resources and data with PreK-5 grade teachers using the gradual release model and lesson alignment.

- Strategy's Expected Result/Impact:**
1. 100% of lesson planning, observations, and instructional strategies will be tracked for effectiveness.
 2. 95% of lessons planned will identify scaffolded supports for special education, ELL, GT and at-risk student populations.
 3. 100% of feedback will focus on instructional strategies and routines that facilitate student learning.
 4. 25% of all lessons will be rehearsed with real time coaching for literacy and mathematics.

Staff Responsible for Monitoring: Principal, CIC, Assistant Principal

Lever 4: High-Quality Instructional Materials and Assessments, Lever 5: Effective Instruction

- Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability

Problem Statements: Student Learning 4

Action Step 1 Details		Reviews			
Action Step 1: PK teachers during the last 12 weeks of school will start preparing embedding KG standards that will be addressed during the fall wave of TX-KEA. Intended Audience: Teachers Provider / Presenter / Person Responsible: ILT Date(s) / Timeframe: January 2025 Collaborating Departments: Early Learning Delivery Method: In Person		Formative		Summative	
		Nov	Jan	Mar	June

Action Step 2 Details	Reviews			
Action Step 2: Teachers will receive DreamBox professional development to increase student performance on TEKS. Intended Audience: Teachers Provider / Presenter / Person Responsible: DreamBox Date(s) / Timeframe: Ongoing Collaborating Departments: Math Delivery Method: In Person	Formative		Summative	
	Nov	Jan	Mar	June
Action Step 3 Details	Reviews			
Action Step 3: Based on MAP data, teachers will progress monitor student understanding of math concepts, provide differentiated instruction in flexible groups, implement independent-work stations, and practice individualized math concepts. Additional math strategies will include Building Number Sense, Math Talk, and a grade-level problem-solving approach to help students understand and interact with learning targets and tasks. Intended Audience: Improve academic performance in math for all students. Provider / Presenter / Person Responsible: ILT Math Department Date(s) / Timeframe: Ongoing Collaborating Departments: Math Department Delivery Method: In Person	Formative		Summative	
	Nov	Jan	Mar	June
<div>  No Progress  Accomplished  Continue/Modify  Discontinue </div>				

Performance Objective 2 Problem Statements:

Student Learning
Problem Statement 4: 38% of all students met projected growth on MOY Reading MAP. Root Cause: Tier I instruction is not consistently aligned to the rigor of the standard in all grade levels.

Goal 2: Early Math

Increase the percentage of 3rd grade students who score at meets grade level or above on STAAR Mathematics from 34% to 45% by August 2025.

Performance Objective 3: Increase the percentage of Kindergarten - Grade 5 students who Meet or Exceed projected growth on MAP Growth from ___% to ___% by May 2025.
Increase the percentage of African American students or the student group that is most marginalized by instruction on our campus (gender, race, program, other) from ___% to ___% by May 2025.

Strategy 1: Begin HIT initiatives in the Fall using Hopper and Dropper Data

Strategy's Expected Result/Impact: Capture students early and provide instructional support to increase the percentage of students who are not performing
Staff Responsible for Monitoring: All

Title I:
2.4, 2.5, 2.6
- TEA Priorities:
Build a foundation of reading and math

Problem Statements: Student Learning 1, 2, 3, 4 - School Processes & Programs 1

Action Step 1 Details	Reviews			
Action Step 1: Implement intentional tutoring in the Fall Semester Intended Audience: Students who are identified based on assessment data Provider / Presenter / Person Responsible: Admin Date(s) / Timeframe: Ongoing Collaborating Departments: Grade Level Teams Funding Sources: Extra Tutoring Pay for Teachers - TITLE I (211) - 211-11-6116-04E-222-30-510-000000-25F10 - \$3,150.20, Extra Duty Pay for Support Staff - TITLE I (211) - 211-11-6121-04E-222-30-510-000000-25F10 - \$3,500, - TITLE I (211) - 211-11-6116-04E-222-30-510-000000-25F10 - \$18,000	Formative		Summative	
	Nov	Jan	Mar	June
<div><div><div></div><div>0%</div></div>No Progress</div> <div><div><div></div><div>100%</div></div>Accomplished</div> <div><div></div><div>Continue/Modify</div></div> <div><div></div><div>Discontinue</div></div>				

Performance Objective 3 Problem Statements:

Student Learning

Problem Statement 1: Students in third through fifth grades are working below grade levels on Lexia and DreamBox. **Root Cause:** Lack of capacity to effectively analyze assessment data, in order to pinpoint and address student needs through small group instruction and intervention.

Problem Statement 2: Percentage of students maintained or increased proficiency levels as measured by TELPAS. Percentage of students maintained or decreased proficiency levels as measured by TELPAS. **Root Cause:** Lack of capacity in implementation of ESL strategies provided to support Emergent Bilingual student group, in conjunction with Tier I instruction.

Problem Statement 3: 41 % of all students met projected growth on MOY MAP Math. **Root Cause:** Tier I instruction is not consistently aligned to the rigor of the standard in all grade levels.

Problem Statement 4: 38% of all students met projected growth on MOY Reading MAP. **Root Cause:** Tier I instruction is not consistently aligned to the rigor of the standard in all grade levels.

School Processes & Programs

Problem Statement 1: Student groups are under-enrolled in special programs in relation to overall student population. **Root Cause:** Campus Multi-Tiered System of Support (MTSS) lacks a clear process of meetings, roles/responsibilities, and expectations that includes all stakeholders.

Goal 3: CCMR

Increase the percentage of students graduating with a CCMR indicator from 43% to 48% by June 2025

Performance Objective 1: Increase the percentage of 3-5 grade students scoring at MEETS or above on STAAR Reading from __% to __% by May 2025. Increase the percentage of African American students or the student group that is most marginalized by instruction on our campus (gender, race, program, other) from __% to __% by May 2025.

Strategy 1: Use school-wide data tracking system to continuously track student growth and achievement

Strategy's Expected Result/Impact: Track data
Increase student achievement

Staff Responsible for Monitoring: ILT

Title I:
2.4, 2.5, 2.6
- **TEA Priorities:**
Build a foundation of reading and math, Improve low-performing schools
- **Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability**

Problem Statements: Student Learning 1, 3, 4

Action Step 1 Details		Reviews			
Action Step 1: Purchase All in Learning to track data Intended Audience: School Community Provider / Presenter / Person Responsible: ILT Date(s) / Timeframe: Ongoing Funding Sources: Data Tracking Program - TITLE I (211) - 211-11-6396-04E-222-30-510-000000-25F10 - \$7,000		Formative		Summative	
		Nov	Jan	Mar	June
<div><div><div><div></div><div>0%</div></div><div>No Progress</div></div><div><div><div></div><div>100%</div></div><div>Accomplished</div></div><div><div><div></div></div><div>Continue/Modify</div></div><div><div><div></div></div><div>Discontinue</div></div></div>					

Strategy 2: Teachers will provide enrichment opportunities and differentiated instruction to maximize learning for all students regardless of learning levels to address the needs of individual learners to include SpEd, GT, EB and At-Risk identified students in math, reading, language arts, and social students. Differentiation will include following documented accommodations for instruction and assessments for students identified under SpEd, Section 504, and LPAC

Strategy's Expected Result/Impact: Increased student achievement as measured by Curriculum unit assessments; MAP, STAAR, CIRCLE, TELPAS data.

Staff Responsible for Monitoring: ILT
