Demographics

Demographics Summary

Western Hills Elementary is a 2nd through 5th-grade public school built in 1966, in the neighborhood known as Western Hills between Las Vegas Trail and Mojave Trail. Our address is 2805 Laredo Dr. in Fort Worth, TX. We are a part of the Western Hills Pyramid, and our students will feed into Leonard MS and Western Hills HS.

Western Hills Elementary is one the largest attendance zones in Fort Worth ISD in which we pride ourselves on being a culturally diverse campus filled with different ethnicities, creeds, and cultures.

Western Hills Elementary school provides regular programming, one way Dual-Language, English as second language services, and special education for 560 students.

Our enrollment is as followed:

American Indian- 5

Asian- 1

African American- 251

Hispanic- 256

Two or More- 25

White-19

Transiency 37.7%

Enrollment by Student Group:

Economically Disadvantaged 98.2%

English Learners 38.7%

Special Education 10.3%

Gender: Females- 270 Males- 289

Staff: African American 18.4% Hispanic 31.4% White 48.1% Two or More 2.1%

Student Attendance:

2022-2023-89.81%

2023-2024-92.22%

Chronic Absentee: 22.02% decrease from 36.85%

Demographics Strengths

WHES has various programs at our school that meet varying needs of our students. Services provided include DL, ESL, GT, SPED, Dyslexia, and fine arts. These programs align with our belief that all students can learn when their differentiating needs and interests are considered.

Our SBDM consist of various stakeholders such as parents, staff members, district members, community, and business members. The SBDM committee meets for a minimum of six times per year to create, monitor, and adjust our CIP as needed.

We provide monthly activities for families to engage with our school community.

We offer a peace corner in every classroom and school wide peace room. We have a state-of-the-art playground built by the hands of our community. We have an orchid and gardening beds.

We have a very strong partnership with over 20+ community organizations within our school boundaries. Some of these partnerships include:

Clayton Yes! Who provides after school care services for our students free of charge through a grant.

Academy 4 provides an adult mentor for every fourth-grade student, Leadership 5 in which our fifth-grade students serve once a month as mentors for our second-grade students, and First4Families a six-week parenting class for parents.

Junior League of Fort Worth supports our campus through their Junior Mint program. We have volunteers who complete various task for our students, teachers, and campus throughout the year.

The Hills Church West Fort Worth which supports our campus throughout the year by providing our faculty member with supplies, beautification of the campus, and volunteer work around the campus. They have also sponsored various teachers and classrooms providing human and fiscal resources.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): 84% of WHES 2-5 Teachers believe the student mobility rate has Some, Quite a bit, or a Tremendous impact on teaching and learning. **Root Cause:** Teachers struggle with differentiating lessons to close the gaps for transient students.

Student Learning

Student Learning Summary

Students who met or exceeded growth projections on NWEA MAP ASSESSMENT - Reading (60% Growth goal)

By Grade level: 2nd Grade had 31 of 117 (26%) met growth projection; 3rd Grade had 34 of 108 (31%) met growth projection; 4th Grade had 27 of 110 (25%) met growth projection; and 5th Grade had 57 of 118 (48%) met growth projection.

Students who met or exceeded growth projections on NWEA MAP ASSESSMENT - Math (60% Growth goal)

By Grade level: 2nd Grade had 33 of 115 (29%) met growth projection; 3rd Grade had 55 of 108 (51%) met growth projection; 4th Grade had 32 of 109 (29%) met growth projection; and 5th Grade had 56 of 112 (50%) met growth projection.

Reading Interim Assessment: WHES students demonstrated a 5% point gain from Fall 2023- Spring 2024, with Hispanics (+5%), African American (+4%), and Emergent Bilingual (+11%).

Math Interim Assessment: (NOT YET TAKEN)

Student Learning Strengths

5th Grade Reading, 5th Grade Math and 3rd Grade Math are within ten percentage points of meeting the campus goals of 60% of students meeting projected growth on NWEA MAP Assessment.

Emergent Bilingual students are making double-digit gains on the District Interim Assessment.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): According to TEA Diagnostic, teachers lacked skills for differentiating instruction and utilizing specific strategies for special populations.

Root Cause: Campus systems does not support teacher learning, planning and implementation of differentiated instruction for special populations.

Problem Statement 2 (Prioritized): According to TEA Diagnostic, 60% of 2-5 classroom teachers are not demonstrating rigorous instruction that cognitively engage students.

Root Cause: The Leadership Team needs a systemic process to support teachers in Planning, DDI, and execution of the lesson.

Problem Statement 3 (Prioritized): According to the December 2023 TEA Diagnostic, students can only articulate BOY/MOY/EOY Learning goals and do not connect them to content and skills. **Root Cause:** Campus Calendar and Master Schedule did not include time to conduct structured data meetings with students and parents.

Problem Statement 4 (Prioritized): According to MOY Interim assessment comparisons for 22-23 SY to 23-24 SY, our African American Students have an 11% Gap from Hispanic population in Reading. **Root Cause:** Teachers lack training in Instructional Strategies that engage African American Students

School Processes & Programs

School Processes & Programs Summary

The campus implements curriculum and instruction processes that revolve around DDI and LAFA. Campus PLCs and professional development keenly focus on data-driven instruction, standards and curriculum alignment, and MTSS. PLCs, along with designated Extra Planning Days, occur every week and focus on the identified instructional focus areas of the campus. Admin and instructional coaches meet weekly to collaborate and plan PLCs. Teachers have a system and structure for lesson plan creation, internalization, lesson delivery, and submission to support teachers in implementing Tier 1 daily lessons with fidelity.

Lesson plans are submitted 2 weeks in advance. Submission is tracked weekly. Teachers receive lesson plan feedback and are provided with adequate time to make changes prior to lesson delivery.

New or struggling teachers are assigned support from an instructional coach that provides targeted instructional support on a systematic coaching cycle. They also receive walkthroughs and coaching conversations from administration. Some struggling teachers may receive more intensive support through a growth plan.

To reduce discipline referrals the campus has established school a wide leveled discipline protocol that teachers and staff use. Professional development is provided on tier 1 behavior interventions including Restorative Practices. The school has 2 counselors, a behavior intervention specialist, social worker, and MHMR navigator that provided additional guidance and support in implementing the school wide behavior expectations.

Branching Minds is the campus platform used to monitor MTSS interventions of Tier 2 and 3 students. Teachers conduct student data chats in which students discuss current performance and set academic goals specific to grade level content and skills.

Administrators and instructional coaches conduct consistent weekly walkthroughs and provide individualized bite-size actionable feedback to teachers along with providing coaching sessions in order to improve student achievement.

School Processes & Programs Strengths

Data Driven Instruction (DDI) in PLC's: Instructional leaders have a process to lead teachers in analyzing student work (exit tickets) and identifying gaps in understanding. A DDI protocol, includes an agenda with desired outcomes. In PLC's , the instructional leaders support teachers in creating their know-and-show charts and the creation of teacher exemplars to confirm the expected level of rigor. The master schedule incorporates dedicated time for daily PLC meetings. An additional PLC has been added for each grade level to allow for discussions about formative student data, effective instructional strategies, and adjustments to instructional delivery.

Administrators and instructional coaches conduct consistent weekly walkthroughs and provide individualized bite-size actionable feedback to teachers along with providing coaching sessions in order to improve student achievement. Identified teachers are assigned an instructional coach who meets with them a minimum of 45 minutes a week to support with lesson planning and other instructional needs.

Teachers are provided monthly professionally development opportunities in Faculty Meetings which are led by campus administrator or Instructional Coach to engage in deeper pedagogy.

Our campus offers one to one devices to all students and is a common sense certified campus.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): Based on TEA Diagnostic, Teachers don't have a clear understanding of the school wide expectations for the implementation of the Tiered Behavioral System. **Root Cause:** Admin/SSt Meetings were inconsistent during first semester which is a level of accountability because of the review of MTSS and Student Behavior data

Perceptions

Perceptions Summary

Campus offers one to one device to all students and is a common-sense certified campus. Students are offered several extracurricular activities to enhance their school experience. We offer FWAS, Sunshine Club, Good News Club, and more.

As a Title 1 campus, opportunities for parental involvement and supplemental resources to enhance the home to school connection is provided. Monthly events are held to engage parents and build school culture. Some of these events include Father/Daughter dance, Daughter/Son dance, family wellness night, Math and Literacy Night, and Bilingual Night. Multiple methods for parent communication are utilized including blackboard, website, social media platforms, Class Dojo, emails, phone calls, and conferences.

We have a Family Engagement Specialist who supports families by making personal phone calls, making home visits, provides supports with technology, and provides other resources needed by families. Our campus has a CIS social worker who provides continuous supports and programming for our students.

This year we had an 92.2% attendance rate compared to last year at the same time our attendance rate was 89% and we have decreased our overall chronic absenteeism has decreased by 15%.

As a campus we have worked to decrease our referral rate from 410 at the end of the 2022-2023 school year to 130 currently. We have implemented a tiered behavior system campus wide and also benefitted from having a behavior interventionist, a MHMR navigator, and CIS case worker on campus.

Perceptions Strengths

We offer wrap around services for or students and families which includes the following: Access to eye care, a clothing closet, food pantry, along with counseling services. Students also have been exposed to after-school activities driven by community partnerships who took an intentional approach in building inclusivity and connectedness. Our FES has started a PTO for our campus, and we secured an increase in parent volunteers across our campus.

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): According to our 2023 campus survey, about 55% of staff expressed either no trust or a limited trust between staff and administrators. **Root Cause:** Campus systems that build trust between teachers and admin were not a focus for our Campus Leadership Team.

Priority Problem Statements

Problem Statement 1: According to TEA Diagnostic, 60% of 2-5 classroom teachers are not demonstrating rigorous instruction that cognitively engage students.

Root Cause 1: The Leadership Team needs a systemic process to support teachers in Planning, DDI, and execution of the lesson.

Problem Statement 1 Areas: Student Learning

Problem Statement 2: According to TEA Diagnostic, teachers lacked skills for differentiating instruction and utilizing specific strategies for special populations.

Root Cause 2: Campus systems does not support teacher learning, planning and implementation of differentiated instruction for special populations.

Problem Statement 2 Areas: Student Learning

Problem Statement 3: According to MOY Interim assessment comparisons for 22-23 SY to 23-24 SY, our African American Students have an 11% Gap from Hispanic population in Reading.

Root Cause 3: Teachers lack training in Instructional Strategies that engage African American Students

Problem Statement 3 Areas: Student Learning

Problem Statement 4: 84% of WHES 2-5 Teachers believe the student mobility rate has Some, Quite a bit, or a Tremendous impact on teaching and learning.

Root Cause 4: Teachers struggle with differentiating lessons to close the gaps for transient students.

Problem Statement 4 Areas: Demographics

Problem Statement 5: According to the December 2023 TEA Diagnostic, students can only articulate BOY/MOY/EOY Learning goals and do not connect them to content and skills.

Root Cause 5: Campus Calendar and Master Schedule did not include time to conduct structured data meetings with students and parents.

Problem Statement 5 Areas: Student Learning

Problem Statement 6: According to our 2023 campus survey, about 55% of staff expressed either no trust or a limited trust between staff and administrators.

Root Cause 6: Campus systems that build trust between teachers and admin were not a focus for our Campus Leadership Team.

Problem Statement 6 Areas: Perceptions

Problem Statement 7: Based on TEA Diagnostic, Teachers don't have a clear understanding of the school wide expectations for the implementation of the Tiered Behavioral System.

Root Cause 7: Admin/SSt Meetings were inconsistent during first semester which is a level of accountability because of the review of MTSS and Student Behavior data

Problem Statement 7 Areas: School Processes & Programs

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- Campus/District improvement plans (current and prior years)
- Planning and decision making committee(s) meeting data

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Closing the Gaps Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data

Student Data: Assessments

- STAAR current and longitudinal results, including all versions
- STAAR Emergent Bilingual (EB) progress measure data
- State-developed online interim assessments
- Grades that measure student performance based on the TEKS

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Emergent Bilingual (EB) /non-EB data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender etc.
- Section 504 data
- Gifted and talented data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Discipline records

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Campus leadership data

- Campus department and/or faculty meeting discussions and data
- T-TESS data
- T-P ESS data

Parent/Community Data

- Parent engagement rate

Support Systems and Other Data

- Processes and procedures for teaching and learning, including program implementation
- Capacity and resources data
- Study of best practices

Goals

Revised/Approved: September 27, 2024

Goal 1: Early Literacy

Increase the percentage of 3rd grade students who score at meets grade level or above on STAAR Reading from 34% to 47% by August 2025.

Performance Objective 1: Increase the percentage of African American students or the student group that is most marginalized by instruction on our campus (gender, race, program, other) by 15% by May 2025.

Strategy 1: Offer Intervention and Tutoring for AA students based on Bi-weekly and other district assessment data

Strategy's Expected Result/Impact: Close the learning gap between AA students and other demographics.

Staff Responsible for Monitoring: Teachers, Campus Coaches, Administrators

Title I:

2.5, 2.6

- TEA Priorities:

Improve low-performing schools

- ESF Levers:

Lever 4: High-Quality Instructional Materials and Assessments, Lever 5: Effective Instruction

- Targeted Support Strategy

Problem Statements: Student Learning 1

Action Step 1 Details	Reviews			
Action Step 1: Bi Weekly Tutoring for marginalized groups of AA students. Intended Audience: AA students Provider / Presenter / Person Responsible: Teachers, Administrators Date(s) / Timeframe: On - Going Collaborating Departments: Campus Instructional Coaches District Content Coaches Delivery Method: In Person Funding Sources: Pay for Teachers to tutor outside of school hours. - SCE (199 PIC 24) - 199-11-6116-001-180-24-313-000000- - \$2,000	Formative		Summative	
	Nov	Jan	Mar	June

Action Step 2 Details	Reviews			
<p>Action Step 2: Purchase Supplies for use during tutoring instruction and Incentives to encourage students to attend tutoring bi-weekly.</p> <p>Intended Audience: Students Provider / Presenter / Person Responsible: Teachers, Administrators Date(s) / Timeframe: Bi-Weekly Collaborating Departments: Core and Specials Delivery Method: In Person</p> <p>Funding Sources: Supplies and Incentives for Tutoring - TITLE I (211) - 211-11-6399-04E-180-30-510-000000-25F10 - \$3,907</p>	Formative		Summative

Performance Objective 1 Problem Statements:

Student Learning

Problem Statement 1: According to TEA Diagnostic, teachers lacked skills for differentiating instruction and utilizing specific strategies for special populations. **Root Cause:** Campus systems does not support teacher learning, planning and implementation of differentiated instruction for special populations.

Problem Statement 2: According to TEA Diagnostic, 60% of 2-5 classroom teachers are not demonstrating rigorous instruction that cognitively engage students. **Root Cause:** The Leadership Team needs a systemic process to support teachers in Planning, DDI, and execution of the lesson.

Goal 3: CCMR

Increase the percentage of students graduating with a CCMR indicator from 43% to 48% by June 2025

Performance Objective 2: Increase the percentage of 3-5 grade students scoring at MEETS or above on STAAR Math by 15% by May 2025.

High Priority

Evaluation Data Sources: STAAR Math

Strategy 1: Provide Professional Development on LAFA and Paul Bambrick Data Meeting Protocol. Purchase Driven by Data 2.0 Books for Campus Book study.

Strategy's Expected Result/Impact: Increase number of students who score at Meets/Masters on STAAR.

Staff Responsible for Monitoring: Teachers

Administrators

Instructional Coaches
